PRIVACY STATEMENT

Personal information that you supply to us may be used in a number of ways to facilitate your riding club membership. Your personal information will be shared with associates for the purpose of fulfilling your full membership benefits i.e. insurance providers.

BRC will automatically contact you about your membership: for example, to ensure you receive your membership benefits, to tell you about news, activities and events. This includes sending you a regular magazine, email updates, information on other membership benefits, and publishing competition times and results in the public domain.

To see our full Privacy Policy, or if you need any further information, please write to us at; British Riding Clubs, British Horse Society, Abbey Park, Stareton, Kenilworth, CV8 2XZ or go to: <http://www.bhs.org.uk/privacy>.

Tony Vaughan-France, Peter Felgate,

BRC RULES

British Riding Clubs is the sole interpreter of these rules and their decision will be final. These rules have been developed to ensure that competitors may ride together, train together, compete together and have fun together under fair and equal conditions. They cannot however, cover every eventuality; matters that cannot be resolved by interpreting the rule to the letter should be resolved following the spirit of the text to obtain a solution that is fairest to all members.

These rules do not only apply to competitions, some rules, particularly with regard to conduct and health and safety, are effective at all times and in any circumstance.

It is the responsibility of competitors, team managers, stewards and officials to ensure they are fully conversant with these rules.

The following abbreviations are used in this Rule Book:

BRC:	British Riding Clubs	BHS:	British Horse Society
BD:	British Dressage	EI:	Eventing Ireland
BE:	British Eventing	DI:	Dressage Ireland
BS:	British Show Jumping	SJI:	Show Jumping Ireland
BEF:	British Equestrian Federation	FEI:	Fédération Equestre Internationale
PC:	Pony Club	RDA:	Riding for the Disabled

1: CODE OF CONDUCT

As with any organisation BRC is required to operate in a professional manner and as such has produced its own Codes of Conduct covering the following:

- Welfare of the pony/horse
- Conduct of BRC members & their representatives
- Conduct of Judges

1: WELFARE OF THE PONY/HORSE

It is vitally important for the future of equine sport that the welfare of the pony/horse is the primary consideration at all times. The aim of BRC is to promote the improvement of riding, training of ponies/ horses and horsemanship in the UK.

The BRC Code of Conduct for the welfare of the pony/horse is as follows:

- British Riding Clubs expects all those involved in this sport to adhere to the BRC's code of conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.
- At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery, tack and transportation.
- Horses and competitors must be fit, competent and in good health and condition before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids. ***Horses should not be overworked and thought should be given to the number of classes entered and the distance to be travelled when competing at all BRC events.***
- Events must not prejudice horse welfare. This involves paying careful attention to the competition area, ground surfaces, weather conditions, stabling and site safety.
- Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
- BRC Rules regarding the health and welfare of the pony/horse must be adhered to not only at National Championships and Area Competitions but also at Club level.
- Every rider, coach and club official must accept responsibility to uphold the highest level of pony/horse welfare.
- All National Championship warm-up areas must be supervised by an officially appointed Steward. At Area Qualifiers there should be a Steward appointed to maintain standards in accordance with BRC Rules.
- The onus is on any spectator, rider, coach, judge or BRC member to inform the Official Steward or Secretary, at a club event, if they are concerned about or feel that they have witnessed rough or unfair riding or training. The matter will then be investigated and a decision made on the appropriate action to be taken.

1.1: Examples of Abuse

Here are some examples (but not an exhaustive list) of what could be considered abuse and should be used in addition to those mentioned in rule G23 and G24:

Lameness: Riding any unsound pony/horse

Tack: Incorrectly fitted tack; use outside of manufacturer's guidelines

Over-working: Riding or competing on an obviously exhausted, lame or injured pony/horse

Distress: Ignoring the obvious distress of a pony/horse, whether caused by the rider or other external factors

Blood: Any sign of blood on an animal is cause for concern. If blood is seen anywhere on the horse when riding in or competing in any discipline, then the horse may be eliminated at the discretion of the Official Steward.

1.2: Conduct of BRC Members and Representatives

BRC Members and representatives or associates of a member shall not:

- Conduct themselves, before, at or after any BRC activity in a manner which is offensive to the public.
- At any competition, argue, behave with incivility or contempt, or use abusive or threatening language, towards a judge, official or other competitor.
- Conduct themselves in a manner detrimental to the character and/or prejudicial to the interests of BRC.
- Make, either orally or in writing, to an officer of the BRC or Club, or a third party, a statement on a matter covered by the rules which they know to be untrue.
- Smoke when mounted.

By joining BRC a member is deemed to have agreed to be bound and comply strictly with rules on forbidden substances for both horse and rider. See G17.

If any member is found in breach of any of the above they may be referred to the BRC Discipline Committee who will take appropriate action.

1.3: Judges Conduct

The BD Code of Conduct for Judges will apply to all BRC Dressage Competitions. The BS Code of Conduct for Judges will apply to all BRC Show Jumping Competitions.

2: SAFEGUARDING

British Riding Clubs is a Member Body of the British Equestrian Federation (BEF), and adheres to the policy of the BEF on safeguarding, details of which can be found at www.bef.co.uk/safeguarding.

British Riding Clubs reserve the right to restrict or prohibit attendance at any of its events to anyone who BRC considers to be an unsuitable person. For our policy on unsuitable persons please see our website <http://www.bhs.org.uk/our-charity/working-with-the-law/safeguarding-children>.

2.1: Junior Participation

It is the Team Manager's responsibility to gain parental consent for juniors to participate in BRC Events.

3: GOOD CONDUCT AND DISCIPLINE

Any member of an affiliated club, their representative or any person participating/spectating in any way at any BRC activity who conducts themselves in an inappropriate manner which brings the name of an affiliated club or BRC into disrepute shall be guilty of a breach of BRC rules.

4: SOCIAL MEDIA

Whilst BRC acknowledge that social media can be an ideal way to communicate with both members and the wider equestrian community, any defamatory comments relating to members, officials, volunteers and staff of BRC or the BHS will not be tolerated. An online post is libellous if it is damaging to a person's reputation. Re-posting or re-tweeting can be seen as an endorsement of the original comment.

Therefore when using the internet and all social media members and clubs must not:

- Post any threatening, derogatory, obscene, indecent, seditious, offensive, pornographic, abusive, disparaging, racist, discriminatory, menacing, inflammatory, blasphemous, or defamatory statements or material, including, but not limited to, statements or material concerning BRC, its members or former members, its sponsors, affiliates and stakeholders.
- Make any statements that could directly or indirectly damage BRC's name.
- Use BRC logos, brand names, slogans or other trademarks, or post any of its confidential or proprietary information without BRC's prior written permission.

Failure to comply with the provisions of this rule may result in disciplinary action under these rules and/or civil proceedings. BRC may also require posts to be removed, where comments or any other submissions may constitute a breach of this rule.

BRC reserves the right to monitor, intercept and review social media postings and activities to ensure that its rules are being complied with, and for its legitimate business purposes.

BRC will comply with any law, or request by any governmental or other regulatory authority, or order by a court or other authority of competent jurisdiction, requiring BRC to disclose the identity or location of any member posting any material in breach of this rule. BRC may share a member's personal information with the police or any other governmental authority if it is asked to do so in connection with the investigation of suspected illegal activities.

5: AREA REPRESENTATIVES

The UK is divided into 23 Areas. Each Area has an elected representative. An Area Representative term is 3 years. After this period an election will take place and all members in the area are welcome to a vote. There is no limit to the number of terms an individual can serve.

5.1: Area Rep Election Process

The election process will be conducted by the BRC office in the following manner:

- BRC will send a nomination form and role description to the Area advising them of the election.
- Nominations are to be sent to BRC before the deadline specified.
- If more than one person is nominated each nominee will be asked to submit a short biography that will be sent with the voting form.
- If more than one nomination is received a vote will take place, administered by the

BRC office with a 1 week time frame. BRC will send a voting form to all Club Chairs and Secretaries asking them to circulate this to all of their members.

- Every current senior BRC member within the Area has a right to vote.
- Once the vote is finalised the BRC office will advise all nominees of the newly appointed Area Representative and will also advise the Area committee.
- BRC will send a declaration form to be signed. Once this has been returned BRC will advise all Riding Club Chairs and Secretaries in the Area.

5.2: Additional Information

- If an Area Representative retires mid-term, the same nomination procedures will stand and the new Area Representative will remain in place until the end of that original term.
- Should an Area be unable to appoint a suitable person for the role of Area Representative, BRC will intervene to ensure that the role is suitably covered.
- An Area Representative does not have voting rights on the Area Committee.
- An Area Representative cannot stand as Area Chairperson, Secretary or Treasurer.
- BRC reserves the right to refuse nominations for any individual they feel is not able to successfully carry out the role of Area Representative.

For further information on the Area Rep role please contact the BRC office.

6: ADVISORY COMMITTEE

The BRC Advisory Committee provides expert and specialised external skills and knowledge to BRC. Together they ensure the Society's policies and priorities remain relevant to external audiences.

Roy Turner	Competitions Officer	Area 16 Representative
Jane Fisher	Rules and Eligibility Officer	Area 19 Representative
Tony Parker	Logistics and Facilities Officer	Area 5 Representative
Chris Walton	Database and Scoring Officer	Area 3 Representative
David Clarke	Training Officer	Area 7 Representative
Andrew Chadwick	Safety Officer	amchadwick999@btinternet.com

A representative of BS, BD, BE and PC is also invited to the Advisory Committee meetings.

G: GENERAL RULES

G1: OFFICIAL COMPETITIONS

G1.1: Definition

An Official Competition is a qualifier for one of the BRC National Championships. It does not include inter-club or inter-area competitions, except where these are also qualifiers for BRC National Championships. It is, however, recommended that all club competitions should be run under these rules, where applicable. All health and safety, medical and vet cover, hats and body protector (where compulsory) rules are mandatory for all BRC activities.

G1.2: Rules

All Official BRC Competitions are conducted under the rules within this Handbook. Where a specific situation is not covered within these rules the official rules for British Dressage (BD), British Show Jumping (BS), British Eventing (BE) or other official BRC publications shall apply.

Making an entry for any official BRC Competition constitutes acceptance of these rules. It is the responsibility of competitors, team managers, club committees, stewards and officials to ensure that they are fully conversant with these rules.

Entries that BRC consider contrary to the spirit of the competition will be rejected.

An unintentional breach of these rules through lack of knowledge will be treated in the same way as a deliberate breach. In all competitions the judge's decision is final unless over-ruled by the Official Steward or, at the Championships, by the Jury of Appeal.

Every effort is made to ensure that all parts of this Handbook are up to date. However if an anomaly is found, those new rules recorded in bold and italic shall supersede any relevant rules unintentionally left in from a previous year. Amendments after going to print will be released on the BRC website handbook page.

G1.3: Official Competition Year

The Official Competition Year begins on 1 April and ends on 31 March and is divided into two seasons, summer and winter. The competitions covered by this rule book, including Area Qualifiers for the following Championships, are:

SUMMER SEASON CHAMPIONSHIPS

Horse Trials Championships 2019
National Championships 2019
DTM Championship & Quadrille 2019

WINTER SEASON CHAMPIONSHIPS

Novice Winter Championships 2019
Intermediate Winter Championships 2019
Festival of the Horse Championship (FOTH) 2019
Arena Eventing Championships 2019

Please note that there may be new rules for the 2020 Winter Championships, which will come into effect on 1 January 2020. Qualifiers for the 2020 Winter Championships which take place between 1 October (1 September for Challenge) 2019 and 31 December 2019 will run under these 2019 rules unless specified in a rule amendment. Some Winter Qualifiers and Championships may run after 1 April, but will still be considered as Winter Competitions for rule purposes.

G2: ENTRIES

G2.1.1: Preliminary Entries

Preliminary entries must be made for every team and/or individual entering any qualifier and completed by a senior club representative (or by an individual BRC Member) to the BRC Office 21 days before the Area Qualifier, with appropriate fees (as shown on the entry form). Late entries may be accepted at the discretion of the organiser. Team managers must contact the organiser to seek permission for a late entry in the first instance to see if there is space. Late prelim entries must be made online and will be subject to a £10 surcharge per individual or pair and £20 per team payable over the phone once BRC has confirmed this is permissible. BRC office closes at 3pm Friday afternoon after which time no further prelim entries may be made. ***Posted or emailed prelim entries will not be accepted until payment has been received. When posting separately please ensure payment is sent in good time for the closing date. If received after the closing date the entry/entries may be subject to late fee charges.***

Prelim entry forms can be found on the BRC website on the BRC Downloads page. Or you may pay online using the BRC online system. <https://brc.bhs.org.uk/login?referral=%2Fselect>

There will be no return of preliminary entry fees however a credit note may be issued at the discretion of BRC providing the request is sent in before the closing date of prelim entries.

Preliminary Entry fees are NOT required for direct entry or warm up classes.

G2.1.2: Postponed Qualifiers

If the qualifier is less than 21 days from the original date, prelim entries will not re-open. All prelim entries will transfer to the new date. Late entries will be accepted as per G2.1.1. Those unable to make the new date are able to claim a credit note from BRC for one week from the new date announcement. Eligibility is taken from the original close of entry.

If the qualifier is more than 21 days from the original date, prelim entries will re-open and close 21 days before the new qualifier date. New entries will be accepted and after the closing date late entries will be as G2.1.1. Those unable to make the new date will have until the new closing date to contact the office for a credit note. Eligibility will be taken from the new closing date.

G2.1.3: Loss of Team Members at Area and Championships

If due to unforeseen circumstances an entered team loses two or more of its members prior to the start of the competition, the remaining member or members may compete (at the organisers' discretion) as individuals, if there is an individual section. However, there will be no refund for the missing team members.

G2.2: Area Entries

The competition entry fees will be set by the Area Liaison Committee and are payable to the host club/area. Late area entry surcharges will be at the discretion of the area organiser.

Making a Preliminary entry to an official competition constitutes a binding obligation to pay the area competition organiser an additional entry fee irrespective of whether the club

and/ or individual compete or not. Failure to pay this additional fee could result in the club and/or individual being banned from competitions in future years at the discretion of BRC.

The date of the close of entry for Area Qualifiers is at the discretion of the host club/area, details of the organiser will be published on the BRC website. The entry form must be signed by a senior club representative/individual BRC Member certifying that all entries are in accordance with the BRC Rules. Entries will not be accepted if the BRC Office has not received a Preliminary entry. Proof of posting does not constitute evidence where entries have not been received.

Clubs or individuals entering Area Qualifiers must be willing and able to compete at the Championships should they qualify. Teams or individuals not wishing to compete at the Championships may enter the Area Qualifier to compete HC if the organiser is willing to accept them and they are eligible. Any team, team member or individual competing HC will not be eligible to compete at the Championships.

The BRC declaration form must be completed fully and correctly, the pony/horse name must be that on the flu vaccination certificate and passport, details of appropriate winnings/points must be shown (failure to do so could render the team/individual liable to disqualification).

If the area qualifier becomes cancelled for whatever reason, area entries may or may not be refunded at the discretion of the Area Liaison Committee.

G2.3: Championship Entries

On receipt of the area qualifier results sheet, a championship invite will be sent to the team manager for all teams and/or individuals that have qualified and whose eligibility has been checked. No club and/or individual have actually qualified until they have received notification from the BRC Office. ***Invites are sent at the discretion of BRC and may be dependent on scores.*** Refer to G11 for rules on reserves.

The Championship Entry Form together with the appropriate entry fees for teams and individuals must be returned to the BRC Office by the due date, details of this year's Championship fees are in CR Appendix 1. The name shown on the entry form must be that on the flu vaccination certificate see Rule G7.2 and G7.5.

There will be no return of Championship entry fees. In the event of a Championship being cancelled 25% of the fees will be retained, the remaining 75% may be returned as a cheque or credit note at the discretion of BRC.

Abandonment insurance is in place for Festival of the Horse, Horse Trials and National Championships. Please see BRC website for full details on when a refund may be due in these circumstances.

G2.4: Area Teams

Area Teams will be permitted for the following competitions: 110cm SJ, 100cm SJ, 100+ HT, Senior 100 HT, Junior 100 HT and Junior 100 CH. This will only be permitted if the competitors' clubs are unable to field a team in these classes. ***Other classes may be considered with suitable reasoning and depending on entries; requests must be made in writing before close of entry.*** Permission must be granted by BRC in conjunction with the Area Representative before a prelim entry is made.

Area teams for Championships may be created at the discretion of BRC by three, or four, highest placed individuals if there were no teams at the qualifier, or if there were no lower placed teams to invite. The highest placed individual may then also be invited, time permitting. Area representatives will automatically be the team manager unless an alternative is specified.

In extenuating circumstances, if the invited team cannot find a reserve from their own club before close of Championship entries, then they may invite a reserve from that area, providing that no other club are able to field a team. In this case, the reserve should have taken part in the qualifier. This team would then become an area team. Permission must be granted by BRC. ***After close of entries an area team will only be permitted if the team no longer has the minimum of three riders to form a team. A team of three wishing to create a team of four using an individual competitor from a different club will not be accepted.***

G2.5 Returned Cheques

If any cheques for any payments in, e.g. prelim entries, championship entries, stabling, affiliation, photographs, tickets or insurance, are returned from the bank as 'refer to drawer' then the club shall be held responsible for the debt and for the additional administrative fee chargeable by the bank.

G3: QUALIFYING COMPETITIONS

G3.1: Area Qualifiers

Area qualifiers are organised by Area Liaison Committees. These events are listed on the BRC website which is updated regularly, as and when the area informs BRC of these dates.

All Area Qualifiers must take place at least 28 days before the relevant Championships; it is, however, preferable that they take place before this to allow time for processing results, invitations to be sent out, entry forms to be processed etc.

Qualifiers must not take place on a Championship date unless dispensation is granted by BRC office in extenuating circumstances.

G3.1.1: Abandonment

In extenuating circumstances, should an event be forced to abandon part way through a class, 50% of the entries starting would be deemed sufficient in order to gain a result if an alternative such as rescheduling is not possible. In these situations BRC and the Area Rep would liaise to produce the best possible course of action.

G3.2 Winter Season Competitions

Qualifiers for the Arena Eventing, FOTH, Novice and Intermediate Winter Championships must be held after 1 October until four weeks before the Championships. Challenge qualifiers must take place before the horse trials qualifier. Even if the qualifiers and/or Championships run into the summer season they will still be classed as winter ***competitions. Challenge (FOTH) qualifiers only will be permitted to be held from 1 September.***

G3.3: Summer Season Competitions

Qualifiers for the Horse Trials, National Championships and Dressage to Music must be

held after 1 April until four weeks before the Championships. Horse trials qualifiers must not be held before Challenge qualifiers.

G3.4: Championships

Members who qualify at the Area Competitions will compete at the appropriate National Championships. No competitor will be permitted to compete H/C at Championships. **See also G3.1.1.**

G4: ELIGIBILITY OF CLUBS, INDIVIDUALS AND INVITED TEAMS

G4.1: Affiliation

Only Riding Clubs affiliated to the BHS which have paid the minimum corporate insurance deposit by 31 January, and which have paid the Area Liaison subscription fee for the current year, are eligible to enter the official competitions. For competitions held after 1 June in the current year clubs must have paid the balance of their affiliation fees to be eligible to compete. For rules on affiliation please see section BRC Club Information and Rules.

G4.1.1: Centre Membership

The British Riding Clubs Centre Membership Scheme has been set up to enable riders who do not own a horse or pony to take part in BRC competitions.

British Riding Clubs Centre Members are permitted to take part in all British Riding Club Competitions. They may enter Area Qualifiers and should they qualify will be eligible to represent their BRC Centre at BRC National Championships.

Centre members, or the horses and ponies taking part, will not be covered by South Essex Insurance Brokers BRC **Public Liability** Insurance Policy and MUST therefore hold their own Equestrian Establishment Insurance which covers all Public liability. The policy number must be provided to BRC Head Office prior to taking part in any BRC competition, by the close of prelim entries.

In order to participate in BRC Area and National Championships a member from the Centre must make contact with their Area Representative, we advise that someone from the Centre attends the Area Liaison meetings and must pay any fees due.

Due to the stringent liability insurance requirements it is not currently possible to establish a British Riding Clubs Centre at a BHS Approved Livery Yard. We recommend that horse owning riders wishing to compete in Area and National Competitions join an affiliated British Riding Club and will therefore be able to enjoy all the BRC benefits available.

G4.2: Individuals

Individual members of the BRC movement, who are not members of an affiliated club, must have paid their annual subscription to be eligible to enter official competitions.

G4.3: Allocation of Areas

An affiliated riding club may enter eligible teams and individuals for the Area Qualifier only in the Area to which the club or individual is allocated.

G4.4: Invited Teams

BRC may invite teams from overseas clubs or other organisations to compete at championships.

G5: ELIGIBILITY OF RIDERS

G5.1: Representation of Clubs

A rider may only compete in official competitions for one riding club at a time. A rider may change clubs between competition seasons (see G1.3, G3.2 and G3.3). Horses may be used by more than one club in the same competition year, for example if the horse is sold or loaned to a different person, or is shared by members of two different clubs, provided the horse doesn't compete more than once in the same class. G6.3 supersedes these rules where relevant.

G5.2: Riders Age

All riders in senior competitions must be 18 or over on 1 January in the current year. All riders in junior competitions must be under 18 on 1 January in the current year. Any juniors who qualify for the winter competitions (Novice, Intermediate Winter Championships, Arena Eventing and the FOTH) in the year prior to the championships (i.e. qualifiers held in the autumn of 2018 for the 2019 championships) must compete as juniors at the relevant championships.

G5.3: Membership

All riders must be a member of the affiliated riding club for which they are competing and must have paid their subscription by the closing date of preliminary entries for the competition they wish to compete in. Their names, addresses etc. must appear on the current Membership Database held by the BRC Office at the close of preliminary entries. If the qualifying individual/s or any member of a winning/qualifying team is not on the database at close of entry, then that person will be disqualified and the results will be re-calculated accordingly.

G5.4: Disqualification

If a rider is found to be ineligible, or not on the current BRC Membership Database, then they will be disqualified. For a team of four with one disqualified combination the results will be re-calculated to remove the disqualified combinations score. If this still allows the team to qualify for the Championships then the team will be invited to the Championships as a team of three. Should more than one combination be disqualified, the team will no longer exist.

G5.4.1: Disqualification after close of Championship entry

Should a horse or rider be found ineligible after close of Championship entry, then they shall be disqualified from the Championships. If this disqualification alters the results from the area as described above, the team will also be disqualified. There will be no refunds of any kind in these circumstances.

G5.5: Composition of Teams

No rider or horse may compete twice in the same team.

G5.6: FEI Competitions

Competitors who have completed under FEI rules in the previous 5 calendar years for a specific discipline may not compete in that discipline for BRC. For Eventing restrictions at AE70, AE80, AE90, CT75, CT85, HT80, CH80, HT90 and CH90 applies to **3* (previously 2* until end 2018)** and above only and for AE 100, HT100 and CH100 applies to **4* (previously 3* until end 2018)** and above only. No restriction on 100+.

For Para Dressage, those that competed in Grade I through to Grade III will be eligible to compete at any level providing they meet other eligibility criteria. For Grades IV and V, riders may not compete at Prelim level (except the Intermediate Winter Championships) but may compete in any other class at Novice or above provided other eligibility criteria is met.

G6: ELIGIBILITY OF PONIES/HORSES

G6.1: Age of Ponies/Horses

Ponies or horses may only participate under saddle in all BRC activities from 1 January in the year in which they become 4 years old, except for AE90 and above, FOTH Challenge and Horse Trials where the minimum age is 5 years old. Horses may participate at any age in hand in any other BRC activities at the organiser's discretion.

G6.1.2: Height of Horses

It is accepted that in BRC competitions senior members may ride ponies and junior members may ride horses.

G6.2: Downgrading of winnings

Horses may be downgraded by 12 BD points, 3 BE points and 50 BS points for each full calendar year (1 January – 31 December); from the end of the last year that any points were gained. For BD points will be removed starting at the highest level the horse has competed. Riders may calculate this for themselves without the need to apply for downgrading with BRC, and those horses that then meet the eligibility requirements for the riders chosen level of competition may be entered with no need to make a formal application to BRC. Horses who have met this criterion may still be registered, but should any further winnings be gained (excluding BD Quest Points, BE Foundation Points or BS points gained in 70/80cm intro class or any club classes) then the horses' full winnings will be reactivated for BRC eligibility purposes. Horses with BE Foundation/BS Club points wishing to compete at 70cm Show Jumping only will need to apply for a downgrade.

Riders of horses who do not meet eligibility requirements for their chosen level of competition may still apply to BRC for their case to be considered on an individual basis by the downgrading panel.

BRC do not recognise downgrades approved by other organisations, and those riders with horses who have been downgraded elsewhere and who are unable to meet eligibility requirements by applying the points deductions above will still need to apply to BRC.

Please note that downgrade applications presented with a specific qualifier in mind need to have been approved by the close of preliminary entry to comply with eligibility rules. Downgrade applications should be received 14 days before close of prelim entry; however, this does not guarantee that your application will be accepted.

G6.3: Eligibility

This section should be read in conjunction with CR Appendix 2 & 3. Horses may compete in any competition for which they are eligible in a competition year (1 April to 31 March). Please see G3 for details on the two seasons.

- Upward progression is permitted in the same discipline, for example a horse could do the BRC HT 90 in the summer season and BRC CH 100 in the winter season or a horse could do the 80 Show Jumping in the summer and move up to 90 Show Jumping in the winter.

- Downward progression in a competition year is not permitted in the same discipline, for example a horse cannot do the BRC HT 100 in the summer and drop down to BRC CH 90 in the winter except for the 100+ HT where the horse may compete in AE100 and CH100 provided other eligibility criteria is met.
- Horses that compete in the BRC HT 100 or BRC HT 100+ may not compete in the BRC AE70, AE80, AE90, HT 80, BRC HT 90, BRC Challenge 80 or the BRC Challenge 90 even if the Challenge qualifier is held after 1 April.
- No horse may compete twice in the same team or in more than one team in the same competition.
- No horse can be ridden over the same course of jumps on the same day. Juniors and seniors may share horses for show jumping provided the competition is on separate days, or over a different course of jumps.
- A horse may only compete at one show jumping height in a competition year (senior/junior, 80/90/100/110), other than upward progression. Style Jumping is classed as a separate competition.
- A horse may only compete at one cross-country height in a competition year (senior/junior, 80/90/100/100+), other than upward progression **and the downward progression exemptions as stated in this section.**
- Juniors and seniors may share horses, provided they are competing at the same level for dressage.
- For dressage competitions a horse may be ridden in more than one test if being competed individually and/or as part of a team except for Open Dressage and Prelim Dressage where a horse may compete in both classes as part of a team provided other eligibility criteria is met. Riding Test is classed as a separate competition.
- Horse competing at elementary dressage or higher may not compete at prelim in the same competition year.
- For Pick a Test competitions a horse may enter both Medium and Advanced Medium sections, but the sections will still be judged as one competition.
- For the Dressage to Music Championship only, horses will only be permitted to compete in two individual championship classes (warm up classes, direct entry and pairs not included). Competitors who qualify the same horse in three championship classes will be required to choose which championship classes they will contest at the Championship. This must be declared to the Official Steward at the qualifier.

G6.4: Mares in Foal

Mares in foal may not compete after their fourth month of pregnancy or with a foal at foot.

G7: EQUINE INFLUENZA

G7.1: Vaccinations against Equine Influenza

This rule applies in respect of any horse or pony which competes in a BRC Area Qualifier and Championship.

The horse or pony must have been vaccinated against equine influenza by a veterinary surgeon who is not the owner of the animal, in accordance with the following rules:

The horse or pony must have received a primary injection followed by:

- a second primary injection which is given not less than 21 days and not more than 92 days after the first
- a first booster injection which is given not less than 150 days and not more than 215 days after the second primary injection
- further annual booster injections at intervals of not more than a year apart.

If the current vaccination programme started AFTER 1 January 2014:

- the first two primary injections must be correct i.e. the second given between 21 and 92 days after the first
- the first booster must be given between 150 and 215 days after the second primary injection
- all annual boosters must be correct.

However, any errors with first booster (which should be given 150 – 215 days after the second primary injection) or annual booster given BEFORE 1 January **2014** may be ignored provided that:

- the first two primary injections are correct i.e. the second given between 21 and 92 days after the first
- all annual boosters given AFTER 1 January **2014** are correct.

Leap years will be ignored for an annual booster, but for the two primary injections and first booster injection, the days must be counted and therefore a leap year would interfere with the correct number of days between injections.

Horses may compete at BRC Competitions providing that they have had the first two primary injections. No injection should have been given on any of the 6 days before a competition or entry to championship stables. ***For example: if the horse is vaccinated on the Monday, the horse will not be eligible to enter championship stables, or compete until the following Monday.***

In the event of failure to comply with any of the requirements of this rule, the horse or pony will be disqualified and not permitted to take part in any competition to which these rules apply.

G7.2 Checking of Passports and Equine Influenza Records

Horses must be presented in a bridle to the flu vac checker at Championships and where applicable Area Qualifiers. For the purposes of determining whether the requirements of these rules have been met, the following documents must be available for inspection in respect of a horse or pony which is taking part in a BRC Area Qualifier or Championship.

- any passport issued for the horse and
- the full vaccination records for the horse if this is not contained in the passport

The identification of the horse or pony must be checked against that contained in the passport or on the flu vaccination record. This may be done from the diagram and description of the animal or by microchip providing that the microchip number has been recorded in the passport or flu vaccination record.

The vaccination section of the horse's passport must have been completed by a Veterinary Surgeon who is not the owner of the horse or pony.

The dates on which the vaccinations were given must comply with the requirements as stated in G7.1.

Any alterations to any entries on the vaccination record must have been made, signed and stamped by a veterinary surgeon.

G7.3 Disqualification

Any horse or pony failing the requirements described in these rules will be disqualified.

All flu vaccination failures at qualifiers must be reported to BRC even if the competitor moves into a non-qualifying class. Flu vaccination disqualified competitors may at the organiser's discretion be permitted to continue H/C, but that competitor will not be eligible to compete in the subsequent Championship class(s) (including as a reserve) even if the flu vaccinations are rectified. At Championships the disqualified competitor will not be able to continue H/C and if part of a team they may not be replaced.

No refund of entries or stable fees will be awarded for any disqualified horse/pony.

Every effort will be made to ensure that the checking at area qualifiers is carried out correctly. BRC accepts no responsibility whatsoever for any losses suffered, whether directly or indirectly, due to incorrect checking at any BRC Area Qualifier or Championships. It is the sole responsibility of the competitor to ensure that their certificate is valid and it should not be assumed that because a certificate has been accepted at one competition in good faith it would be accepted at another competition.

G7.4: Flu Vaccination Checklist

A copy of the flu vaccination checklist is in CR Appendix 13 and should be used as follows:

- take the date of the first injection and look this up in the column headed INJECTION DATE
- compare the dates in 21 DAYS and 92 DAYS columns with the date in the flu vac record for second injection, if the date is within range it is fine, if not it is an invalid record
- take the date of the second injection and look this up in the column headed INJECTION DATE again
- compare the dates in 150 DAYS and 215 DAYS columns with the date in the flu vac record for third injection (first booster), if the date is within range it is fine, if not it is an invalid record (unless the two primary injections were before 1 January 2014)
- leap years are not recorded in the checklist, so you may need to adjust the date to take the extra day into account.

G7.5: Names on Passports

The name shown on the passport/flu vaccination record must be the one that is used on all official competition entry forms. If a stable name is also shown on the passport/flu vaccination record this must be signed and stamped by a veterinary surgeon. If a horse is unnamed in the passport, any name may be used, but either a microchip must be present or the markings page correctly filled out for the purposes of identification.

G7.6: Microchips

From 1st October 2018, all horses in England (not just those born since 2009) will have to be microchipped by law. There will be a 2 year grace period however, to give time to organise getting older horses' microchipped. So from 1st October 2020, it will be an enforceable law. After this date all horses attending a BRC qualifier or championship (regardless of where they reside) must be microchipped if not they will be disqualified.

G7.7: Allergic ponies/horses & homeopathic vaccines

Ponies and horses that, for any reason, are unable to be vaccinated against equine influenza will not be given dispensation to compete. Homeopathic vaccines are not acceptable.

G8: ELIGIBILITY FOR CHAMPIONSHIPS**G8.1: Qualifying**

In a competition where an Area Qualifier is compulsory, no team or individual is eligible for the championships unless they have qualified in front of a judge(s) at the relevant qualifying competition. This rule does not apply to a nominated team reserve, although it is recommended that all reserves have competed at an Area Qualifier for the relevant discipline. If only three riders start the Area Qualifier, one of the reserves may take the fourth place unless the team of three is as a result of a disqualification of the fourth rider. (See Rules G5.4 and G7.3). HC entries will not be accepted for any Championships.

Eligibility is taken from the close of prelim entry, any points gained between the qualifier and the championship will not be counted.

G8.2: Numbers to Qualify

Full details of the numbers that can qualify per competition are at CR Appendix 10 and are dependent upon the number actually participating (i.e. must have actually started) in the Area Qualifier, for this purpose any team or individual competing HC are disregarded.

G8.3: Evaluating Individual Qualifiers

For Dressage, Riding Test and Horse Trials competitions the numbers of individuals to qualify will depend on the number of arenas used according to the table in CR Appendix 9, where the maximum number of permitted competitors allowed per arena is listed. (It is understood that arenas are allocated by the organiser at close of prelim entry, therefore, the number of arenas permitted will be based on this figure regardless of the number of starters on the day of the competition).

Example: For a competition using Prelim 12, which allows a maximum of 32 competitors in one arena, if there are 1 to 32 competitors doing the test then only one arena should be used, if there are 33 to 64 competitors then two arenas should be used and if more than 64 competitors then four arenas should be used.

If the organiser wishes to use more arenas than appropriate for the number of competitors entered, they may do so but the qualifiers will be evaluated by combining results from each arena to give the effect of all competitors being in the same arena. An example of the calculations is at CR Appendix 11A.

G9: STABLING AT CHAMPIONSHIPS

G9.1: Reservations

Where stabling is available at the Championship venue, it must be reserved and paid for at the time of entry. Stabling cannot be guaranteed after close of entries (i.e. within 21 clear days of the Championship date). After this time, a late stable booking page will be uploaded to the stabling website. A £10 late fee will be incurred per stable, per night. At this stage no special requests such as permanent stable will be accommodated.

G9.2: Refunds

There will be no refund of stabling fees or hook up costs. For exceptions to this Rule see G2.3.

G9.3 Horses on Site

In the interest of welfare, British Riding Clubs will not allow horses to be kept on lorries, horseboxes or trailers overnight, at any BRC Competition. Corralling at any time is not permitted. ***Leaving your horse unattended tied up to lorries or trailers is not permitted.***

G9.4 Stallions

Stallions may have to be stabled in temporary overnight stables; however, every effort will be made to ensure that they are situated in the best possible environment. Stallions must be identified on all stabling application forms.

G10: WITHDRAWALS

G10.1: Withdrawals from Championships

Any team and/or individual who qualifies for a Championship and is subsequently compelled to withdraw or who intend to decline the invitation must inform the BRC Competitions Department in writing immediately when they know they will be unable to compete. Any team and/or individual who fail to decline/ withdraw may be referred to the BRC Discipline Committee for further action.

Failure to compete and failure to withdraw without reasonable cause acceptable to BRC may result in the club or individual being barred from competing in official competitions during the coming and/or following years.

G10.2: Invitation to replacement teams/individuals

If a team and/or individual who qualifies for a Championship is subsequently compelled to withdraw then the next highest placed individual or team that took part in the Area Qualifier may be invited to compete at the Championships, if time allows. Please note that this is at the discretion of BRC and is administered by BRC. It is not an automatic process. BRC must receive an official decline in writing/email from the withdrawing club before the place can be passed down the line. Invites will not be passed down the line after the close of entry.

G10.3: Withdrawals from Area Qualifiers

Area organisers will specify withdrawal procedures for area competitions in their schedule.

G11: RESERVES

G11.1: Team Reserves

Teams may use up to two reserves. Reserves do not have to be named on the entry form. There must be at least two horse and rider combinations in a team of four or one horse

and rider combination in a team of three that were part of the original qualifying team. In dressage, the two original horse and rider combinations must ride the same test as at the qualifier. Reserves' eligibility will be checked at our earliest opportunity. If a reserve is found to be ineligible after a championship, then the results will be recalculated and awards will be altered.

It is recommended that all reserves should have competed at an Area Qualifier for the relevant discipline. For Horse Trials and FOTH Challenge Championships reserves must have completed a cross-country course of the required standard within two years prior to the Championships. This must be verified, by an official within their club, on the entry form.

G11.2: Pairs Reserves

One reserve is allowed for any pairs competition, dressage or dressage to music.

G11.3: Individual Reserves

An individual, who qualifies for a Championship and is subsequently unable to compete on the pony/horse which they qualified on, will be permitted to substitute their pony/horse on production of a veterinary certificate, provided the reserve is eligible. The rider cannot be substituted. This only applies to individual competitions. Horses or ponies that are sold or loaned out cannot be substituted.

G11.4: Eligibility of Reserves

All reserves must be eligible for the competition that they are entered for and must have been an affiliated member of their club at the close of preliminary entries for that competition.

G11.5: Declarations of Alterations

Team managers must declare any alterations to the original team in writing by email or by filling in a declaration form. Reserve forms will be made available on the BRC website and at the Championships. Alterations must be made ***no later than 60 minutes*** before the advertised start of the class.

At Area Qualifiers each area can decide when declarations of alterations must be made. These details must be agreed with the organiser of the qualifier and printed in the schedule.

G12: REPRESENTATIVES

The person named at the foot of the entry form, whether team member, individual competitor or Team Manager (Chef d'Equipe) shall be responsible for the conduct and supervision of the team(s) / individual(s) at Area and Championship competitions.

Junior team entries must be made by the Team Manager (must be a senior) who will be held responsible for their conduct and supervision. Individual junior entries must be made by a senior member of an affiliated club/parent or guardian who must accompany the junior member to the competition for which they are entered and who will be held responsible for the conduct and supervision of that junior member.

G13: OFFICIAL STEWARD

The Official Steward shall be trained by BRC and will be appointed by the area to attend qualifiers in their area. If they are unable to attend, it is their responsibility to appoint a Deputy. If no Official Steward is present the qualifier will not be permitted to run. The Official Steward is responsible for health and safety and the application of the rules. The

Official Steward has the authority to stop a qualifier; if for example, the medical and/or vet cover does not meet BRC rules. Their decision is final.

G14: PROTESTS

G14.1: Making a protest

Protests or complaints may be lodged only by the Chairman, Chef d'Equipe or nominated representative of the club concerned. These must be in writing and accompanied by a deposit of £20. They must be addressed to the organiser of the competition or Official Steward as appropriate. Protests must be made no later than 30 minutes after the incident which gave rise to that protest, 30 minutes after the results have been published or, in the case of protests against qualification of ponies/horses or riders, 60 minutes after the start of the class.

G14.2: Protests at Area

At Area Qualifiers the Official Steward will give their decision after investigation and their decision will be final. The deposit will be forfeited unless the protest is upheld or it was decided that there were good and reasonable grounds for lodging the protest.

G14.3: Protests at Championships

At Championships the Jury of Appeal will give their decision after investigation and their decision will be final, unless they refer the matter to BRC Disciplinary Committee for further action. The deposit will be forfeited unless the protest is upheld or it was decided that there were good and reasonable grounds for lodging the protest.

G15: DISCIPLINE

G15.1: The Disciplinary Steward

The Official Steward will be the Disciplinary Steward at official competitions.

G15.2: Disciplinary Action

If, in the opinion of the Official Steward, Ground Jury members or BRC Staff, any member of an affiliated club, any rider, competitor, trainer, or any other person taking part in the event or any person assisting any member, rider, competitor or trainer has been guilty of dangerous riding or a breach of these rules they may either take no action or impose all or any of the following penalties:

- a reprimand
- disqualification
- referral to the BRC Disciplinary Committee
- added to the BRC Watch List for a set period of time.

Any Area, Club, Official or Member who does not uphold any sanctions imposed by BRC HQ or the Disciplinary Committee, will be referred to the Disciplinary Committee for further action, which may constitute suspension, disaffiliation, a ban, or any other sanction as listed in these rules.

G15.3: The BRC Disciplinary Committee

Any breach of rules may be referred to the BRC Disciplinary Committee. The BRC Disciplinary Committee is an ad-hoc committee which is formed whenever there are disciplinary matters to deal with. It will be made from members of the BRC Advisory Committee and any relevant Area Representatives. If it appears to the BRC Disciplinary Committee that any person may at any time have been guilty of a breach of these rules,

or on the referral to it by the Official Steward of a matter under Code of Conduct 1.3, or on receipt of a complaint against any member of an affiliated club, any rider, competitor, trainer, or any other person assisting any member, rider, competitor or trainer, the BRC Disciplinary Committee may deal with the matter as detailed below.

If the BRC Disciplinary Committee decides to deal with the matter they will communicate in writing the substance of the allegations to the person against whom they are made and will give that person the opportunity of making representations whether orally by themselves but not represented by a third party, or in writing. The BRC Disciplinary Committee shall determine if a breach of the rules has occurred and, if so, to either take no action or impose all or any of the following penalties:

- a reprimand
- disqualification of the pony/horse and/or rider from any competition or event in which it has taken part. If the incident involves a team, then the team may also be disqualified
- suspension of the pony/horse and/or rider, trainer or other person responsible to which these rules apply for a period not exceeding 2 years for a first offence
- suspensions of a team or club to which these rules apply for a period not exceeding 2 years for the first offence
- penalties apply from the date of the committee's decision
- in the case of drug testing, when the rider elects to have a B sample tested and that returns a positive test, the committee may also ask for the cost of testing the B sample to be met by the rider or person responsible. (See CR Appendix 14 for full details of the Banned Substance and Controlled Medication Procedure)
- added to the BRC Watch List for a set period of time
- publicise the results of this action as appropriate.

The BRC Disciplinary Committee's decision may be appealed in writing within 14 days only with the submission of new information or evidence. The appeal will be heard by an independent BHS director and a decision will be made within 28 days. The decision of this appeal will be final.

G15.4: BRC Watch List

Any members reported to be in breach of any rule or code of conduct may be placed on the BRC Watch List for a defined period of time with no consultation. The Watch List is held by BRC HQ and is shared with Officials as necessary. Any member on the BRC Watch List, who breaches any subsequent rule during that period of time, will be referred to the BRC Disciplinary Committee and may result in a Disciplinary Hearing. Contents of the BRC Watch List may be publicised by BRC as appropriate at any time. Any member who is placed on the BRC Watch List will be advised in writing of the terms of this action.

G15.5: Recovery of Costs

In the event of the British Riding Clubs Disciplinary Committee upholding a complaint/breach of BRC Rules* the member or person(s) subject to such action shall in addition to any costs awarded under BRC Rules* pay:

- expenses incurred by the membership body and members of the disciplinary panel
- the expenses relating to any hearing, including room hire
- administrative expenses of British Riding Clubs limited to £350
- in respect of medication testing violations costs/fees of any testing of samples incurred by British Riding Clubs except in respect of negative results limited to £1500

The limit unless specified to be at the sole discretion of the BRC Disciplinary Committee.

* Includes medication testing violations as detailed in the current BRC Rules and at the discretion of the Disciplinary Committee, breaches of BEF member Body Rules that are judged to bring BRC into disrepute. The Disciplinary Committee reserve the right to inform BEF member bodies of disciplinary findings and member(s) and/or associated person(s) personal details. BRC reserve the right to inform the Police and/or other Investigatory bodies if appropriate to discharge legal responsibilities.

G16: DISQUALIFICATION

G16.1: Definition

Disqualification is a sanction imposed for misconduct and is not imposed for errors or infringements for which specific penalties are described in these rules.

G16.2: Reasons for Disqualification

BRC may disqualify a competitor or team if they are found to be ineligible to compete or not on the Members Database, or the club has not fully paid the affiliation fees to BRC or local Area within the specified date.

The Official Steward or the Senior Judge officiating in any arena or test of any competition (as appropriate) may disqualify a competitor or team for:

- dangerous riding
- unsporting behaviour e.g. purposeful outside assistance
- continuing to ride a horse that is lame, sick or exhausted
- misusing a whip, spurs or any other item of tack or equipment
- causing or permitting ill treatment to a pony or horse
- arguing with Judges, Course Builders or other Officials
- failing to comply with the Equine Influenza rules (See G7)
- failing to attend a championship prize giving (See G19.1)
- refusal to provide the necessary samples for random drug testing (See G17.3)
- any other action that may be considered gross misconduct or liable to bring BRC into disrepute
- breach of any rule or code of conduct.

G16.3: Reporting a Disqualification

When a competitor is disqualified under BRC rules the Official Steward may take further action (see G15.4 and G15.5) if they deem it necessary. The Official Steward must provide details of any disqualified rider on the Official Results Sheets sent to the BRC Competitions Department after an Area Qualifier.

G17: FORBIDDEN SUBSTANCES (BANNED SUBSTANCES & CONTROLLED MEDICATION)

G17.1: Acceptable Levels

Ponies or horses taking part in a competition must be healthy and compete on their inherent merits. The use of Prohibited Substances might influence a pony's/horse's performance or mask an underlying health problem and could falsely affect the outcome of a competition. BRC follows FEI rules regarding substances, and a full list of forbidden substances can be found on the FEI website www.fei.org/

G17.2: Use of Drugs during a competition

If, during a competition, it is necessary to treat a pony/horse with a drug, a Veterinary Surgeon, appointed by the organiser or Official Steward, must be informed immediately. The Veterinary Surgeon will investigate the reason for the treatment given and shall decide whether the pony/horse is allowed to continue or shall be eliminated.

G17.3: Random Tests

BRC reserves the right to initiate at any time at any official competition, random Banned Substance and Controlled Medication tests in accordance with the standard operating procedure prescribed in the FEI Veterinary Rules. A refusal to allow a random test shall constitute a breach of this rule. Please refer to CR Appendix 14 for the full procedure. BRC reserves the right to allow BEFAR to carry out random testing on their behalf, and BRC members would then be bound to comply with the BEFAR rules and sanctions. For the purposes of Disciplinary action, BRC will take the results of the screening analysis as final. Any confirmatory analysis will be at the cost of the rider.

G17.4: Riders

It is forbidden for any rider to compete whilst under the influence of any stimulating, calming or other drug or substance as detailed in the British Equestrian Federation Rules. The BEF and member bodies are signatories to the World Anti-Doping Code.

G18: LOCAL CONDITIONS

If it is necessary for Area Organisers to impose additional local conditions, then these local conditions must be agreed by BRC and then all competing clubs notified accordingly.

G19: PRIZE GIVING AT CHAMPIONSHIPS

G19.1: Attendance

Attendance is required as per the schedule of relevant championship.

G19.2: Salvers

Salvers awarded at championships must be signed for by a nominated person who is then responsible for that salver. The salver must be returned to BRC at least one month prior to the following year's championships by some means of signed for delivery or in person and packaged with due care. Any loss or damage or failure to return a salver by the specified date will result in the club concerned being invoiced for the cost of replacement. It will also prohibit that club from having custody of any BRC salver for the following two years. BRC reserves the right to refer any cases of infringements of this rule to the BRC Disciplinary Committee for further action.

G20: EXERCISING AT COMPETITIONS

G20.1: Exercising

Competitors may exercise their ponies or horses in the area provided. They may not exercise in the car park or horsebox area or among spectators. They must not enter

nor practice in the Dressage or Show Jumping arenas or on the cross-country course. Competitor numbers must be worn at all times. Bridle/saddle pad numbers may be worn, but must be shown on both sides of the horse. Any non-members exercising (see G20.2), handling or responsible for a horse at an event must have their own third party insurance. Quadrille teams will be allocated numbers for exercising.

G20.2: Working In

Only competitors may work in their ponies/horses on the day of a class or phase. Riders are to behave with consideration to their fellow competitors whilst working in:

- pass left hand to left hand
- make tack adjustments outside the arena if possible or the middle of the arena
- to avoid accidents, announce that you intend to enter an indoor practice arena
- do not halt or walk on the outside track
- give way to the faster pace and lateral movements.

If a warm up arena becomes overcrowded, the organiser or steward may impose a limit on the number of horses allowed in the warm up arena, giving priority to those closest to their time.

G20.3: Lungeing

Lungeing of ponies/horses must not take place in such a way or at such times as to interfere with other competitors and/or spectators.

G20.4: Use of Forbidden Equipment

Only equipment and tack allowed in the competition may be used when exercising on the day of the competition, any infringement will result in elimination. Competitors in more than one competition on the same day may warm up prior to each competition in the equipment and tack appropriate to that competition. When working in, side reins may be used for lungeing, the rider may carry a whip and the horse may wear boots, hoof boots or bandages.

G21: SADDLERY & TACK

The main saddlery and tack rules, per discipline, are at CR Appendix 5.

A steward may be appointed to examine the saddlery and dress of each horse and rider combination before they start any competition. The competitor remains personally responsible throughout for complying with all rules.

A bridle and saddle (as set out in the tack rules) must be worn when riding at all qualifiers and championships.

G21.1: Numnahs, Saddlecloths and Logos

Numnahs are allowed. Saddlecloths may be in club colours and may bear a club name and/ or logo of any size. Sponsors and other logos are permitted.

G21.2: Competitor Numbers

For exercising at competitions, any of the below options are permitted:

Discipline	Competitor Numbers Permitted
Dressage	One back number or bridle / saddle pad numbers on both sides
Show Jumping	One back number
Horse Trials	A bib number on the front and back of rider
Challenge & Arena Eventing	A bib number on the front and back of rider
Combined Training	A bib number on the front and back of rider or one back number or bridle / saddle pad numbers on both sides for the dressage phase only

G22: DRESS

G22.1: Correct Riding Dress and Logos

All riders whenever mounted must wear the correct riding clothes whilst riding at competition sites. Full details of correct dress, per discipline are at CR Appendix 4. Sponsors logos or websites may be visible on riders clothing. BRC will follow the relevant discipline rules for sponsor logos.

G22.2: Protective Headwear

‘Protective Headwear’ must be worn at all times when mounted at any BRC event whether competing or not. Harnesses must be correctly adjusted and fastened at all times. At all BRC Championships and Qualifiers ‘Protective Headwear’ must have been checked by an official to make sure that it is labelled with one of the accepted standards and then marked with a visible aqua hat tag with either BRC, PC or BE logos. Failure to do so will incur elimination.

‘Protective Headwear’ constitutes a hat which meets one of the following standards:

British	PAS 015: 1998 or 2011 provided they are BSI Kitemarked or Inspec IC marked
	VG1 01.040: 2014-12 provided they are BSI Kitemarked or Inspec IC marked
European	VG1 01.040: 2014-12 provided they are BSI Kitemarked or Inspec IC marked
American	ASTM F1163: 2004a or 04a onwards provided they are SEI marked
	SNELL E2001 or SNELL E2016
Australian & New Zealand	AS/NZS 3838: 2006 onwards provided they are SAI global marked

Only a “Jockey Skull” of an even round or elliptical shape with a smooth or slightly abrasive surface, having no peak or peak type extensions may be worn for any XC phase. Noticeable protuberances above the eyes or to the front, not greater than 5mm, smooth and rounded

in nature are permitted. It must also comply with the 'Protective Headwear' criteria and be tagged as set out above. A removable hat cover with a light flexible peak may be used.

Skullcap hats must be worn with an appropriate colour silk for that discipline (see CR Appendix 4). For Quadrille competitions, hats of the above standard are mandatory.

Competitors are strongly advised to check their hats regularly and to replace them if damaged or following a fall. It is recommended that hats are replaced every 3 to 5 years depending on usage.

Please Note: For the Quadrille competition, please see the Quadrille rules for further information regarding costumes. No alterations, protrusions or additions are to be made to a hat under any circumstances.

G22.3: Body Protectors

A body protector is obligatory in all cross-country competitions and is strongly recommended in show jumping competitions. A BETA Level 3 displaying EITHER a Purple 2009 Label OR Blue 2018 Label must be worn in competitions where a body protector is obligatory. The ONLY exception to this requirement is that the Exo Body Cages will continue to be accepted, provided they have a BETA Level 3 Purple 2000 Label. Riders wearing Exo Body Cage protectors must inform the secretary at all events. Body protectors should be fitted and worn as per the manufacturer's instructions. The up to date BETA list of body protectors can be obtained from www.beta-uk.org.

If a rider chooses to wear an airbag style body protector it must be worn over a permitted BETA Level 3 body protector and if activated, must be deflated or removed before continuing for cross country. Hybrid Air-jackets and air jackets incorporated into a blouson style jacket are permitted. It is recommended that body protectors are replaced once they are more than 5 years old.

G22.4: Medical armbands

Medical armbands are mandatory for any type of cross-country competition including Arena Eventing. These must be worn on the arm and not on the leg. They should be filled in with the relevant competitor's details. Spot checks will be carried out in the collecting ring.

G22.5: Electronic Devices

No receiving, recording, transmitting or monitoring device maybe used by a competitor during any phase of a competition, other than warm up areas ***unless expressly permitted in the rules or dispensation has been granted***. These devices must be removed before commencing any discipline or phase. The use of head cams are strictly prohibited at any BRC competition. This includes use on the head, chest, bridle or any other part of the horse or rider.

G23: EQUIPMENT

No item of saddlery or equipment may be misused. ***All saddlery and equipment is to be correctly fitted and used as intended in its manufactured state without adaptations. Any saddlery or equipment must be available for general purchase.***

G23.1: Use of Whip, Spurs & Bits

G23.1.1: Whips

The use of the whip must be for a good reason, at an appropriate time, in the right place and with the correct severity.

Good Reason: The whip must only be used either as an aid to encourage the pony/horse forward or as a reprimand. Thus it must never be used to vent a rider's temper; any use for such a reason is automatically excessive.

Appropriate Time: As an aid, the appropriate time is when the pony/horse is reluctant to go forward under normal aids i.e. seat and legs. As a reprimand, the only appropriate time is immediately when a pony/horse has been disobedient e.g. napping or refusing (but not after elimination). Its use, for instance, after a refusal when a pony/horse has turned away and is several metres from the fence, is excessive. Its use after elimination is always excessive.

Right Place: As an aid to go forward the whip may be used down the shoulder or behind the leg. As a reprimand, it must only be used behind the leg. The use of a whip on a pony's/ horse's head or neck is always excessive use.

Correct Severity: A horse/pony should never be hit more than three times for any incident; and if the pony/horse is marked by the whip (skin broken or a welt) its use is excessive. (The rider is expected to know if the pony/horse has especially sensitive skin and must use the whip accordingly).

Misuse of a whip: If, in the opinion of the judge, a whip is misused the rider will be disqualified and reported to the Disciplinary Steward.

Dropping a whip: Whips may not be picked up if dropped, with the exception of Horse Trials see HT1.10.

G23.2: Spurs

Spurs must not be used to reprimand a pony/horse. Such use is always excessive, as is any use that results in a pony/horse being marked by a spur. Misuse of spurs will render the rider liable to disqualification and further disciplinary action.

G23.3: Bits

The bit must never be used to reprimand a pony/horse. Such use is always excessive and will render the rider liable to disqualification and further disciplinary action.

G24: LAMENESS

G24.1: Judges Decision

In the case of marked lameness, the Judge will inform the rider that they have been eliminated. If, in Dressage, there are any doubts as to the soundness of the pony/ horse, the competitor will be allowed to complete the test and any unevenness of pace will be severely penalised.

G24.2: Vets Opinion

The Judge may ask for a Veterinary Surgeon's opinion before allowing the competitor's score to go forward for final classification. Refusal to allow an inspection to be made will incur elimination.

G25: STALLIONS

Stallions must be led from a bit with reins or with a lead rope of a minimum length of 2.5m. A stallion disc must be displayed on each side of a stallion's bridle at all times. No person may bring a stallion to a competition without ensuring, at all times, that competitors, ponies/horses and members of the public are not put at risk. Any breach of this rule is an offence.

The Official Steward may, if they consider that a stallion may cause an accident or injure another person or pony/horse attending the competition, disqualify the stallion and direct that it be returned to its horsebox and be removed from the site.

G26: JUDGES**G26.1: Ownership**

A judge must not be the owner of or have any financial interest in any pony/horse in the class they are judging.

G26.2: Relationship

The judge must not be in a relationship with or a close relative of a rider or owner in their class.

G26.3: Training

The judge should do their best to avoid judging any combination with whom they have been training on a regular basis (i.e. lessons given fortnightly and/or training in the preceding two weeks), unless exceptional circumstances demand it (i.e. being asked to judge at very short notice) and in this instance a possible conflict of interest must be notified to the organiser.

G26.4: Assistance

No judge should judge Dressage to Music competitions if they have assisted in the making of the musical CD used in the competition.

G27: DISPENSATIONS TO COMPETE

Any request for a dispensation must be supported by either a Veterinary Surgeon's or Doctor's letter and must be received at the BRC Office at least 21 days before the competition applied for. The dispensation letter should be taken to all future competitions and shown to the Official Steward who will then inform the relevant personnel.

BRC will honour dispensations granted by BD/RDA. Competitors must send a copy of their certificate to BRC and they will be issued with a formal BRC covering letter. All new cases should apply to BRC in the first instance; the application may then be passed to BD/RDA for further investigation.

For Championships, where possible, please send dispensation with the entry so relevant paperwork can be given to the officials and judges.

G28: FALLS AND MEDICAL CHECKS**G28.1: Falls**

A rider is considered to have fallen when there is involuntary separation between them and their horse/pony, which necessitates remounting or vaulting into the saddle.

G28.1.2: Qualifiers and Championships

For dressage, a fall results in elimination from the point of entering the arena. For cross-country including Challenge and Horse Trials (all phases), arena eventing and

show jumping competitions/phases a fall results in elimination from the point of passing through the start until passing through the finish.

Any competitor, who has had a fall in a warm up area, competition arena or anywhere on site at a BRC Qualifier or Championship, must:

- ***see the doctor/paramedic before remounting to start the competition/phase and follow their directions***
- ***see the doctor/paramedic before remounting to compete in an additional class on any horse and follow their directions***
- ***see the doctor/paramedic before leaving the site and follow their directions***
- ***liaise with event officials where multiple classes/multiple horses are entered to ensure they are able to continue should a time sanction be imposed by the doctor/paramedic.***

If a doctor/paramedic is not present then a rider is NOT permitted to remount or ride in any other class that day and is advised to seek independent medical advice from their own GP or NHS 111 before leaving the site if any doubt exists to their fitness to travel.

It is the rider's responsibility (or guardian of a Junior rider) to ensure compliance. The doctor/paramedic's decision will be final. Failure to comply may result in a referral to the BRC Disciplinary Committee. All falls should be correctly documented and reported.

G28.1.3 Club Competitions and Training

If a doctor/paramedic is present, the above rules apply regarding remounting and leaving the site. Rules on elimination mid-competition would be at the discretion of the organiser.

If a doctor/paramedic is not present, the decision to remount / continue / leave the site is at the rider's discretion (or guardian of a junior rider). Should doubt exist as to the fitness to continue, the first aider, coach, steward or organiser has the right to stop the rider from continuing that day (it should be noted that officials that are not medically trained cannot recommend that a rider is fit to continue) . The rider should then seek independent medical advice before participating in further equestrian activity.

It is the rider's responsibility (or guardian of a junior rider) to ensure compliance. The first aider/coach/steward/organisers decision will be final. Failure to comply may result in a referral to the BRC Disciplinary Committee. All falls should be correctly documented and reported.

G28.2: Suspensions

The Doctor / Paramedic may decide that a competitor should be medically suspended. Any suspension will either be for a specified or unspecified duration and details must be recorded in the rider's medical card.

In the case of a head injury, or other injury likely to cause concussion, the following applies:

- no loss of consciousness and no sign of concussion = no mandatory suspension;

- no loss of consciousness but with brief symptoms of concussion (symptoms resolving within 15 minutes) = minimum of 7 days mandatory suspension;
- any loss of consciousness, however brief, or symptoms of concussion persisting after 15 minutes = Minimum 21 days mandatory suspension.

The day of injury counts as the first day of the suspension period. If a rider is taken to hospital from an event without having their medical card completed by the doctor, a minimum of 21 days mandatory suspension shall automatically apply.

Once a rider is suspended, they may not compete in any BRC competition until the period of suspension has elapsed AND the rider has written confirmation from a registered medical practitioner that they are fit to compete in events, and this information has been passed to the BRC office.

It is the rider's responsibility to comply with these rules.

D1: DRESSAGE

BRC run a range of dressage competitions for both junior and senior riders, namely:

SENIORS:

- **From 1 October – Senior Intro Winter Dressage, for senior individuals competing at walk and trot.**
- **Senior Novice Winter Dressage**, for teams of 4 riders, with 3 scores to count and for individuals (all team members are automatically in the individual competition). Two team riders will ride different Prelim tests and the other two will ride different Novice tests.
- **Senior Intermediate Winter Dressage**, for teams of 4 riders, with 3 scores to count, and for individuals (all team members are automatically in the individual competition). One rider will ride a Prelim test, two riders will ride a Novice and one rider will ride an Elementary test.
- **Pick a Test Dressage**, for individuals, open to seniors and juniors competing at either Medium or Advanced Medium. Competitors may compete in both Medium and Advanced Medium sections.
- **Senior Open Dressage**, for teams of 4 riders, with 3 scores to count, and for individuals (all team members are automatically in the individual competition). All riders will ride a different test; there are 3 different Novice tests and 1 Elementary test.
- **Senior Prelim Dressage**, for teams of 4 riders, with 3 scores to count and individuals. **All team riders will ride different Prelim tests, with one test having less restrictive eligibility, see CR App 1 – 3 for details.**
- **Senior Intro Dressage, for senior individuals competing at walk and trot.**
- **Senior Pairs Dressage**, for a pair of riders to ride a test together.

JUNIORS:

- **From 1 October – Junior Intro Winter Dressage, for junior individuals competing at walk and trot**
- **Junior Novice Winter Dressage**, for teams of 4 riders, with 3 scores to count and individuals (all team members are automatically in the individual competition). Two team riders will ride different Prelim tests and the other two will ride different Novice tests.
- **Junior Intermediate Winter Dressage**, for teams of 4 riders, with 3 scores to count, and for individuals (all team members are automatically in the individual competition). One rider will ride a Prelim test, two riders will ride a Novice and one rider will ride an elementary test.
- **Pick a Test Dressage**, this is a mixed class, please see the senior section.
- **Junior Dressage**, for teams of 4 riders, with 3 scores to count, and for individuals (all team members are automatically in the individual competition). Three riders will ride a Prelim test and one a Novice test.
- **Junior Elementary Dressage**, for junior individuals only.
- **Junior Intro Dressage**, for junior individuals competing at walk and trot.

- **Junior Pairs Dressage**, for a pair of riders to ride a test together.

DIRECT ENTRY:

- **Senior Teams of Four Dressage**, for teams of 4 riders plus one commander. All riders ride the same test together in the same arena. Open to any seniors.
- **Veteran Horse (1)**, for individuals, open to seniors and juniors with horses aged 18 or over on 1 January, competing at either Prelim or Novice. Competitors may compete in both sections.
- **Veteran Rider (1)**, for individuals, open to seniors aged 55 and over on 1 January, competing at either Prelim or Novice. Competitors may compete in both sections.
- **Veteran Horse (2)**, for individuals, open to seniors and juniors with horses aged 18 or over on 1 January, competing at either Elementary or Medium. Competitors may compete in both sections.
- **Veteran Rider (2)**, for individuals, open to seniors aged 55 and over on 1 January, competing at either Elementary or Medium. Competitors may compete in both sections.
- **Grassroots Intro Dressage**, for individuals, mixed class open to seniors and juniors using Grassroots League eligibility.
- **Grassroots Prelim Dressage**, for individuals, mixed class open to seniors and juniors using Grassroots League eligibility.
- **Retrained Racehorse Dressage**, for individuals, open to seniors and juniors for horses who have raced; entry will need to be made using the horse's full registered racing name for eligibility purposes, competing at either Prelim or Novice. Competitors may compete in both sections.
- **Junior Teams of Four Dressage**, for teams of four riders plus one commander. All riders ride the same test together in the same arena.
- **Native Type, for individuals, open to seniors and juniors for native type horses/ponies, competing at either Prelim or Novice.**

Details of the actual tests to be used at Area Qualifiers and at the Championships are in CR Appendix 1.

Direct Entry classes are available at certain Championships **space depending; please see schedules of the Championships for more information.**

D1.1: ELIGIBILITY

See CR Appendix 2 & 3 and G6.3

D1.2: DRESS, SADDLERY & TACK

See CR Appendices 4, 5, 6 and 7

D1.3: RESULTS

Team Dressage

In calculating the team total, the best three scores will count. The team penalties for each member of a team are calculated as in CR Appendix 11b. The team penalties for best three team members will be added and the team with the lowest total score shall be the winners. Team results can therefore only be calculated when all team members in each phase have been judged.

D1.4: TIES**Team Dressage**

In the event of a tie for any team placing the fourth rider's score will count. Therefore, a team of only three members will be placed below a team of four, with the same score for the best three riders. In the event of further equality the collective marks for all team members shall be added together and the team with the highest total shall take the higher place.

Individuals

In the event of a tie for individual placings the collective marks shall be added together and the rider with the highest total shall take the higher place. It is imperative that ties at area qualifiers be resolved wherever possible.

Pairs Dressage

In the event of a tie for any place the pair with the highest marks for Method of Performance will be placed highest.

D1.5: AWARDS

See CR Appendix 10

D1.6: NUMBERS TO QUALIFY

The details in CR Appendix 10 are applicable providing the correct number of arenas has been used according to Rule G8.3.

D1.7: COMMANDERS

Dressage tests at Area Qualifiers may be commanded, but not at the Championships **except for warm-up and direct entry classes**. Commanders should be courteous when multiple arenas are running and position themselves to avoid disturbing other riders. Commanders should only read out the printed text or extracts for each movement and must not use any other words or emphasis to prompt the rider.

D1.8: JUDGING

The appropriate list judge from the BD/DI Judge's Panel will be used for all Area Qualifiers and Championships. For Dressage to Music please use relevant judge for the level of the test, two judges will be used for the DTM Championship. If in the event of a judge not being available of a suitable standard, dispensation will need to be gained from BRC to use a lower listed judge **and where granted, the official steward must be informed by the organiser:**

Preliminary, Novice, Combined Training & Horse Trials	List 1 to 6
Elementary & Pairs	List 1 to 5
Medium & Adv. Medium	List 1 to 3

D1.8.1: Entering the Arena

No horse/pony either ridden or led may enter the arena, except when actually competing.

Entering before the signal to start or failure to start within 45 seconds following the signal to start will result in a two mark penalty per judge being awarded. Prolonged failure to enter for significantly more than 90 seconds may lead to elimination.

D1.8.2: Execution of Tests

Salute

All riders must take the reins into one hand when saluting. A whip, if carried, should be held in the rein hand whilst saluting.

Movements to be performed

All movements forming the test must be ridden in the order laid down on the test sheet.

Execution of the movements

A movement specified to be carried out at a specific point in the arena must be executed when the rider's body is at that point.

Reins in both hands

Tests must be ridden with reins in both hands, unless the test sheet specifies otherwise or in the case of a disabled rider (see G27).

Transitions

Transitions may be progressive up to and including Elementary tests unless otherwise indicated on the test sheet. At Medium level and above direct transitions are required.

Reins in one hand during the test

The reins and whip, if carried, should be held in the outside hand with the inside arm held down by the rider's side.

Sitting and Rising Trot

For all tests up to and including Medium the trot movements may be executed sitting or rising.

D1.8.3: Leaving the Arena

Riders must leave the arena after the final salute at walk on a long rein at the appropriate exit. This is assumed to be at A unless riders and officials have been advised otherwise.

A horse/pony leaving the arena at any time during the test, out of control, will be eliminated. For this purpose the test begins at A and finishes when it moves off from the final salute.

A horse/pony is eliminated if, during the test, it leaves the arena when the surround is 23cm high or more. When the surround is less than 23cm and is marked by boards or similar, no marks will be given for the movement when the horse/pony places all four feet outside the arena. When the arena is marked by a line only or by intermittent boards, it is at the discretion of the judge as to the marks to be deducted.

D1.9: SCORING

D1.9.1 Marks

The judge will allocate from 0 to 10 marks for each numbered movement. Half marks may be used in all tests. These marks are then added together and any penalties deducted to arrive at the total score.

If more than one judge officiates then the total score awarded by each judge is calculated, the scores are then added together to give the competitor's final score.

The scale of marks being:

10: Excellent	9: Very Good	8: Good	7: Fairly Good
6: Satisfactory	5: Sufficient	4: Insufficient	3: Fairly Bad
2: Bad	1: Very Bad	0: Not Executed	

Marks 0 and 10 must be awarded when performances warrant their use. Not Executed means that no aspect of the movement was performed.

Penalties for errors of course are:

First error.....	2 penalties
Second error	4 penalties
Third error	Elimination

D1.9.2: Errors of Course

A rider is judged to have made an error of course when they depart from the direction or pace laid down in the test sheet.

Usually the judge, having seen an error, will signal to the competitor and, if necessary, will indicate the point at which the test must be resumed and the next movement executed. In some cases although an error has occurred the judge may feel that to stop the rider would impede the fluency of the performance. In such cases the error must be noted in the remarks column and the movement marked accordingly.

If a rider makes an error in the test (i.e. salutes incorrectly) the judge will not stop the rider, but will note the error on the score sheet, the rider will be penalised for making an error of course, and penalties applied accordingly. If the combination does not enter at A in a freestyle test, two marks should be deducted.

D1.9.3: Resistance

Any horse/pony refusing to continue the test for a period of 20 seconds during the test shall be eliminated. Grinding teeth or a swishing tail are signs of nervousness, tenseness or resistance on the part of the horse/pony and must be taken into account by the judges in their marks for the movements concerned as well as the appropriate collective mark.

D1.9.4: Use of Voice

The use of the voice is prohibited and will be penalised by the loss of two marks from those that would have been awarded for the movement in which this occurred.

D1.9.5: Outside Assistance

Any outside assistance by voice, signs etc. is considered as assistance to a rider or to the horse/pony and as such will be penalised by elimination.

D1.9.6: Dismounting and Falls

If a rider dismounts after entering the arena, without an acceptable reason to the judge, no marks will be given for the movement when the rider dismounts. If a horse/pony and/or rider falls during the test the competitor will be eliminated.

D1.9.7: Incorrect Equipment or Test

Penalties for contravening rules will be as BD unless referenced by BRC that subsequently supersedes BD rules. At Area Qualifiers, where elimination occurs, if the Judge, Organiser and Official Steward agree the competitor may be allowed to enter the arena again, properly equipped, and perform the test H/C.

Points will be deducted from the final score and will not count as errors of course.

D1.9.8: Time Allowed

In Pairs Dressage, if competitors take more than the time allowed for the test it may have an adverse effect on the marks awarded for Artistic Merit.

All other dressage tests have no time limits or time penalties.

D1.10: JUDGES

On the day of the competition, the appointed judge(s) should refrain from any training activity relating to the competitors whom they are judging. No rider who has qualified may judge the same class in any area during the same competition year. See also G26.

D1.11: ARENAS

All dressage tests shall be ridden in a standard 20m by 40m arena unless the test states otherwise. All arenas shall be set up on as level ground as possible and shall be adequately separated from each other and from other sources of distraction. Adjacent arenas should be a minimum of 5m apart and preferably 10m. It is the ultimate responsibility of the judge to check that the arena is satisfactory and to have it modified if necessary. Organisers must comply with all reasonable requests from judges in relation to arenas.

D1.12: INTERPRETATION OF DRESSAGE SHEETS

Notes on the interpretation of dressage sheets, and definitions of paces and movements are given in the current BD Rule Book. The Official BRC Competition Rules have precedence over any information given on a dressage sheet for the test in question where there is conflict. Competitors may be given their judging sheets on the completion of their section at the discretion of the scorers.

Judges' marking sheets with remarks, duly signed by the judge, must be treated as confidential until given to the competitor when they then become their property. The competition organisers are not obliged to make public any scores other than total marks awarded and the classification of the results, though they may if they wish.

D2: TEAMS OF FOUR DRESSAGE

This is for junior teams and senior teams (separate competitions) with all four riders performing the team test in a 20m x 60m arena at the same time.

D2.1: ELIGIBILITY

See CR Appendix 2 & 3 & G6.3

D2.2: NUMBERS TO QUALIFY

There will be no area qualifier for this competition – it is direct entry to the BRC office. Entry forms are available on the BRC website. Teams are to be made up of either four juniors or four seniors. Two reserves will be permitted.

D2.3: SADDLERY & TACK See CR Appendices 5, 6 and 7

All horses should be in similar tack. Bridles should all be snaffle bridles. Manes should be plaited and tails pulled or plaited in the same manner, except for Native Breeds and Arabs. A neat, polished appearance is essential.

D2.4 DRESS

See CR Appendix 4

D2.5: COMMANDERS

Tests must be commanded. All commanders must be in riding dress, see CR Appendix 4. Commanders should be courteous when multiple arenas are running and position themselves to avoid disturbing other riders.

D2.6: JUDGING

Two judges are required for the Championships.

D2.7: RESULTS

The team with the highest marks will be placed first. If a team starts with three riders instead of four then the scorer (not the judges) will reduce the total score by $\frac{1}{4}$.

D2.8: TIES

In the event of a tie for any place, the team with the highest mark for discipline shall be placed highest.

D2.9: AWARDS

See CR Appendix 10

D2.10: GENERAL POINTS

The test may be ridden in sitting or rising trot. Quiet and smooth aid application is essential and tactful control if a horse is disobedient. The whole team should work as one and should be aware of other riders and horses. Spacing is essential and distances must be maintained. A close working team looks more professional and polished. Safety is also a factor to be taken into consideration. The choice of leading file and rear file is paramount, as the judges' eyes tend to be drawn in those directions. Also the leading file dictates the tempo of the paces and must be aware of the needs of the other team members.

D3: RIDING TEST

The Riding Test competitions are open to both junior and senior riders, teams to consist of four members. Junior Riding Test team members will all ride the same Prelim test. Two Senior Riding Test team members will each ride the same Prelim test and the other two team members will ride the Novice test. Details of the tests to be ridden are at CR Appendix 1. All Riding Tests will be undertaken in a 20m x 40m arena. All tests are available on the BRC website.

Riding Test will be run under dressage rules set out in section D1 unless superseded in this section.

D3.1: ELIGIBILITY

See CR Appendix 2 & 3 and G6.3

D3.4: DRESS, SADDLERY & TACK

See CR Appendices 4, 5, 6 and 7

D3.5: COMMANDERS

Dressage tests at Area Qualifiers may be commanded, but not at the Championships. Commanders should be courteous when multiple arenas are running and position themselves to avoid disturbing other riders. Commanders should only read out the printed text or extracts for each movement and must not use any other words or emphasis to prompt the rider.

D3.6: JUDGING

Judges at Area Qualifiers and Championships should be a current Accredited Professional Coach with BHS Stage 3 Coach in Complete Horsemanship or above or a BD Judge may be used, but will need to be provided with a judging guidelines obtained from BRC. A judge found on the former BRC Riding Test Panel may also be used. This test is to be judged as a test of competence of the rider and their influence on the pony or horse. The rider should sit in a correct position and should be able to understand and apply the aids correctly for each pace and movement. It shall not be judged as a Dressage Test.

All rules appertaining to entering and leaving the arena, execution of tests, dismounting, falls of horse/pony or rider resistances, outside assistance errors of course etc. are the same as for Dressage Tests, see Rules D1.8, D1.9 and D1.11.

D3.7: SCORING

The judge will allocate from 0 to 10 marks for each of the following: Influence of the Rider, Effectiveness of the Rider, Rider's Position, Harmony and Accuracy. Half marks may also be given. These marks are then added together and any penalties deducted to arrive at the total score.

The scale of marks being:

10: Excellent	9: Very Good	8: Good	7: Fairly Good
6: Satisfactory	5: Sufficient	4: Insufficient	3: Fairly Bad
2: Bad	1: Very Bad	0: Not Executed	

Penalties for errors of course are:

First error.....	2 penalties
Second error	4 penalties
Third error	Elimination

D3.8: NUMBERS TO QUALIFY

See CR Appendix 10. The number of highest placed individual riders qualifying for the Championships will be governed by the number of arenas required (see Rule G8.3).

D3.9: RESULTS

In calculating the team total, the best three scores will count. The team penalties for each member of a team are calculated as in CR Appendix 11b. The team penalties for best three team members will be added and the team with the lowest total score shall be the winners. Team results can therefore only be calculated when all team members in each phase have been judged.

D3.10: TIES

Teams

In the event of a tie for any team placing the fourth rider's score will count. Therefore, a team of only three members will be placed below a team of four members, with the same score for the best three riders. In the event of further equality the total Rider's Influence, Effectiveness, Position and Harmony marks will be considered in turn to resolve the tie. The scores of any riders who are not in teams must be disregarded.

Individuals

In the event of a tie for individual placings the Rider's influence, Effectiveness, Position and Harmony marks will be considered in turn to resolve the tie.

It is imperative that ties at Area Qualifiers be resolved wherever possible.

D3.11 AWARDS

See CR Appendix 10

D4: DRESSAGE TO MUSIC

BRC Dressage to Music classes is as follows:

- **Senior Novice Dressage to Music**, for senior individuals only, will be split into two sections. See CR Appendix 2 and 3 for more details on the sections.
- **Junior Prelim Dressage to Music**, for junior individuals only.
- **Junior Novice Dressage to Music**, for junior individuals only.
- **Novice Pairs Dressage to Music**, for a pair of riders made up of any combination of senior and junior members competing at Novice level.
- **Pairs Dressage to Music**, for a pair of riders made up of any combination of senior and junior members using Advanced Medium eligibility criteria with an Elementary level test.
- **Elementary Dressage to Music**, mixed class for senior and junior individuals.
- **Pick a Test Dressage to Music**, mixed class for senior and junior individuals competing at Medium and/or Advanced Medium.

Horses will only be permitted to compete in two individual championship classes (direct entry, warm up classes and pairs not included). Competitors that qualify the same horse in three individual championship classes will be required to choose which classes they will contest at the Championship. This must be declared to the Official Steward on the day of the area qualifier.

In the pairs dressage to music the horses and riders will be expected to ride together, side by side, for at least 80% of the test.

Dressage to Music will be run under dressage rules set out in section D1 unless superseded in this section.

D4.1: Eligibility

See CR Appendix 2 & 3 and G6.3

D4.2: Results

The winners are the competitor or pair with the highest percentage mark.

D4.3: Ties

In the event of a tie for any place the competitor or pair with the highest mark(s) for Artistic Presentation will be placed highest.

D4.4: Time Allowed

In Advanced Medium, Medium, Elementary and Pairs Dressage to Music the time allowed is 4½ to 5 minutes. In Novice and Prelim Dressage to Music the time allowed is 4 to 5 minutes. All DTM tests are timed from the first halt to the final halt.

If in Pairs Dressage competitors take more than the time allowed for the test it may have an adverse effect on the marks awarded for Artistic Merit.

All Dressage to Music tests will be executed in a 20m x 60m arena at the championships. At area qualifiers either 20m x 40m or 20m x 60m arenas may be used for any test.

D4.5: The Music

The music must be recorded on a standard CD or USB (at Championships). For qualifiers, this will be at the organiser's discretion. They must be labelled as follows:

On the CD or USB

Rider's name and competitor number, Horse/pony's name, Club.

On the container

- Rider's name and competitor number
- Indication of when to start the music (i.e. start music as I salute or start music as I reach D)
- If music is to be played during the exit indicate this on the container

The CD or USB must only contain the entire compilation of music that is to be played for that specific test. It is strongly recommended that each rider has at least one spare copy to hand in.

If the music fails in the beginning, the rider will be stopped and the backup disc will be used. If the music fails at any other time, the rider must keep going unless the judge at C signals for the rider to stop.

It is very important that a definite signal to start is given. No more than 20 seconds of introductory music may be played before the entry at A.

All competitors in DTM competitions must be current **club** members of BD unless in a pair where only one person needs to be a **club** member. **Competitors will then need to fill out the relevant licence form and return to BD. This allows you to use any music from the record labels listed on the Phonographic Performance Ltd (PPL) repertoire list. Tracks not listed cannot be used. It is the rider's responsibility to ensure they hold the relevant license and PPL stickers before competing.**

Music must be handed to the secretary at least 45 minutes before the scheduled time of their test. Competitors may provide their own technical adviser to be present in the commentator's box to supervise the playing of the music. It is recommended that they have a duplicate CD/USB readily available.

The test executed at the Championships, along with the music used should fundamentally be the same as that which was ridden at the qualifier.

D4.6: Judges

No judge should judge Dressage to Music competitions if they have assisted in the making of the music used in the competition.

Q: QUADRILLE

The Quadrille is a display of horsemanship that tells a story, set to music with a team of four riders wearing costume. The display need not necessarily be based on pure dressage movements, and the widest latitude is allowed in designing the patterns.

All riders must play an active part but one or two may show some movements not undertaken by the full team.

The Quadrille Championship will consist of a Selection Trial at the Dressage to Music Championships and a Final. The Quadrille is open to senior and juniors. The teams may be made up of any combination of rider age i.e. one senior and three juniors or vice versa; four juniors or seniors; two juniors and two seniors.

Q1: ELIGIBILITY OF RIDERS

Only one rider per team may have been placed first, second or third in a Dressage competition held under FEI Rules.

Q2: ENTRIES

Entries will be limited to a total of sixteen teams, and will be accepted on a first come first served basis. In the event of over subscription a wait list will be held. A minimum number of entries will be required in order for the competition to take place. If at the close of entry the minimum number is not met, unfortunately the competition will be cancelled.

Entries are to be made online and open midday on 2 January and close on the 2 February or when entries are full. All team and theme details must be submitted no later than 21 days before the Selection Trial.

Q3: NUMBERS TO QUALIFY

Four teams will be selected to compete at the Final. Only two members of the original team may be substituted with a reserve. If a selected team cannot then make it to the final then the next placed team will be invited.

Q4: THE COMPETITION

Each team will be required to perform a Quadrille, no jump or caveletti may be used. The movements will be designed by the team. All three paces (walk, trot and canter) must be clearly shown on both reins by all horses.

Q4.1: Size of the Arena

The Quadrille must be performed within an Arena of 20m x 60m and must be designed on the basis that the entrance will be at A. The 'field of play' includes any area around the arena that may be used with entrance music i.e. the entire indoor arena from the entrance door/ collecting ring.

Q4.2: Time Allowed

The maximum time allowed will be five minutes from the form up and salute at the beginning to the finish and salute at the end. The time allowed for the entrance music is 60 seconds, this will be timed from the moment the first horse enters the arena. Music may also be played as the team leaves the arena, again 60 seconds will be allowed. Teams will be severely penalised for going over the allotted time.

Q4.3: Props

Props may be carried in by the team and placed on the floor within the arena as part of

the routine but may not be placed there prior to the introduction. Any props used in this manner must also be removed by the team prior to the final exit. No Pyrotechnics or smoke effects are permitted.

Q4.4: The Script

A script of no more than 100 words describing the Quadrille must be sent to the BRC Office, to arrive 21 days before the competition date so that it can be distributed to officials. The script may be read out either before the team enter the arena or during their warm-up lap, at the discretion of the commentator.

Q4.5: The Music and Theme

The suitability of the music to the display will be taken into account. Teams must make copies and bring them to the competition with them. A CD/USB containing the music must be with the commentator at least one hour before the start of the competition. The CD/USB must be clearly marked with the team name and cued ready to start. It is good practice to also mark the case with the team name and any instructions for the commentator, such as whether there is music for an introduction, departure music etc. We recommend recording your music onto CD-ROM if possible. Do not use the re-writable type (CD-RW), as these often will only play back reliably on the machine on which they were recorded. The write-once type is cheaper and more reliable. It is advisable not to use DVD's or mini-disks as very few venues are able to play them.

One competitor in each Quadrille team must be a current club member of BD. The competitors will then need to fill out the relevant licence form and return to BD. This allows you to use any music from the record labels listed on the Phonographic Performance Ltd (PPL) repertoire list. Tracks not listed cannot be used. It is the rider's responsibility to ensure they hold the relevant license and PPL stickers before competing.

When choosing the theme of the Quadrille please be aware that when you are depicting a film/play and using the music along with costumes relating to that film/play, that the team will be required to seek permission from the licence owner. For example: Depicting a Disney film and dressing as the characters or using Abba Music and portraying the film Mamma Mia will require the relevant permissions.

Please note that some licence permissions may be difficult to obtain. It is the team's responsibility to comply and find the relevant licensing company. BRC will carry out spot checks to ensure compliance.

Q4.6: The Costume

Riders may wear modern or period costumes. Judges may inspect linings of jackets, skirts etc. Service dress, Period, or military costumes should look authentic throughout, including footwear, hats, wigs, gloves etc. However dress spurs will not be permitted. Hats must comply with the BRC accepted standards listed in G22.2 and must be correctly tagged. Any costumes or decoration added to riders' hats must be made of soft materials which will not impact on the hat's safety performance, and they must not be permanently fixed to the hat with glue, screws or other fixings. ***Suitable riding footwear must be worn.***

Horses' costumes must not affect their wellbeing in any way. This includes the horse becoming increasingly hot throughout the performance.

Q4.7: Fall of Rider

If a rider falls **after entering the arena at A, the team will incur elimination.** Provided that all competitors are mounted for both salutes, a competitor may dismount as part of the performance.

Q5: SELECTORS, JUDGES & JUDGING

There will be three selectors at the Selection Trial and three judges at the Final. All Selectors/ Judges will judge both parts of the competition, the turnout and the display. Unless otherwise stated, all salutes should be made facing C to the President of the Jury.

Part 1: Turnout (maximum of 20 marks)

This section encompasses:

- appearance of costume
- accuracy of theme
- fitting of saddlery (side saddles are allowed and all tack must be safe and fitted correctly, tack need not be identical on all team horses). (Judges will be asked to heavily penalise any item of tack that is poorly fitted)
- overall turnout of horses.

To be judged in a short inspection before the display in the arena, this may be in the collecting ring.

Part 2: Content and Display (maximum of 40 marks)

This section encompasses:

- the choice and pattern of the movements in the display
- the skill and ingenuity with which they are linked
- the ability of all horses to carry out the movements
- freedom and regularity of paces (all three paces must be clearly shown on both reins by all horses) – see also G24.1
- the standard of riding.

Part 3: General Artistic Impression (maximum of 60 marks)

This section encompasses:

- the Quadrille as a whole – as a display of horsemanship
- the music – its suitability and fitting into the theme
- the entertainment value.

Marks will be awarded as above and will be available on the score boards at the selection trials. Score sheets will be available to collect at the selection trial and the final.

Q6: RESULTS

The winners are the team with the highest total score. In the event of a tie, the team with the highest General Artistic Impression will be placed the highest.

SJ1: SHOW JUMPING

BRC organises several different show jumping competitions for both senior and junior riders.

- **70 Summer Show Jumping** for senior and junior teams of four riders and individuals.
- **80 Winter Show Jumping** for senior and junior teams of four riders only, **and individuals.**
- **80 Summer Show Jumping** for senior teams and junior teams of four riders and individuals.
- **90 Winter and Summer Show Jumping** for senior teams and junior teams of four riders and individuals.
- **100 Winter and Summer Show Jumping**, this is a mixed class open to senior and junior teams and individuals, teams may be any combination of senior and/or junior.
- **110 Winter and Summer Show Jumping**, this is a mixed class open to senior and junior teams and individuals, teams may be any combination of senior and/or junior.

Riders jump two rounds. All rounds are timed; the second round time is used to determine minor placings when faults cannot do this. If there is equality for first place after the second round then there will be a jump off against the clock. The best three scores in each round will count for the total score.

SJ1.1: ELIGIBILITY

See CR Appendix 2 & 3 and G6.3.

SJ1.2: NUMBERS TO QUALIFY

See CR Appendix 10

SJ1.3: DRESS, SADDLERY & TACK

See CR Appendices 4, 5, and 6

SJ1.4: THE COURSE

The course will consist of a designated number of obstacles (see CR Appendix 8) that are to BS/ SJA1 standard or above. A proportion of the fences should be built with fillers (brushes, walls etc.). The top pole of any fence must be wooden.

The maximum height of first round obstacles in Area competitions and at Championships is found in CR Appendix 8c. Should the exact heights specified in CR Appendix 8c not be achieved a 5cm tolerance on the maximum dimensions may be employed as a result of material used for construction and/or by position of the obstacle.

The second round course may be raised and/or altered at the discretion of the judge and the Official Steward.

Judges and course builders are reminded that although it is not necessary for fences to be set at maximum height or spread for qualifiers, courses will be built to height for Championships.

Safety cups, to FEI standard, must be used on the back and centre of spread fences. Safety cups must also be used on practice fences.

SJ1.5: WALKING THE COURSE

All competitors may be allowed to walk the course dismounted before the start of the competition. Competitors are allowed to walk the second round or jump-off course only if the track has been substantially altered by the re-siting of fences. If, after walking the course, a rider considers any aspect of the course contravenes the rules then they must make representation to the official steward. If the competitor is unable to obtain satisfaction they can then lodge a formal protest in accordance with G14.

SJ1.6 ORDER OF JUMPING

At the Championships the first member of each team will jump first followed by the second member and so on, whole teams will not jump in succession. The same system is recommended at Area qualifiers, but, it may be varied at the discretion of the organiser with the agreement of the Official Steward.

SJ1.7 TIME ALLOWED & TIME LIMIT

The distance of the measured course is divided by the optimum speed for all competitions (325mpm) to assess the time allowed. The time limit is twice the time allowed, exceeding this will incur elimination.

SJ1.8 RESULTS & TIES

SJ1.8.1: Teams

Each team will jump two rounds with the best three scores in each round to count for the team total. If a team member is eliminated in the first round they are permitted to compete in the second round, if two or more team members are eliminated in the first round or one team member from a team of three, then the team is eliminated and cannot continue into the second round. In competitions with individual awards the team members not eliminated may compete in the second round purely as individuals.

SJ1.8.2: Individuals

Competitor's scores in the team competition will also count as their individual score.

Individuals will jump two rounds, if an individual is eliminated in the first round they are not permitted to compete in the second round.

SJ1.8.3: Ties of Teams

In the event of equality for qualifying places at the end of the second round, there will be a jump-off against the clock over a shortened course which may be raised at the discretion of the judge and the Official Steward. The order in which teams will jump may be drawn. Every member of the tying team will take part in the jump-off irrespective of previous faults or eliminations in the first two rounds. Equality for non-qualifying or minor places will be decided on the aggregate times of the three scoring members of each tying team in the second round.

The places will be decided by the best three scores in each team and, if equality persists, by the aggregate times of the three scoring competitors in each team.

SJ1.8.4: Ties of Individuals

In the event of equality for qualifying places at the end of the second round, there will be a jump-off against the clock over a shortened course which may be raised at the discretion of the judge and the Official Steward. The order in which riders will jump may be drawn, however if the same jump off is used for the team and individual competitions, team

members must jump in the same order as the first two rounds. Equality for minor places will be decided on the second round times.

The rider with the least faults will be the winner, if equality persists, the jump-off times will be used to decide the winner.

At the Championships there will be two separate jump-offs, for teams and individuals, over different courses with the team jump-off first. The same system is recommended at Area Qualifiers, but, it may be varied at the discretion of the organiser and judge with the agreement of the Official Steward.

SJ1.9: AWARDS

See CR Appendix 10.

SJ1.10: COURSE INFORMATION

SJ1.10.1: Course Plan

A course plan indicating the course track, time allowed, time limit and jump off course must be displayed in the collecting ring at least 30 minutes before the start of the competition. An identical plan must be provided to the judge(s). A dotted line on the plan indicates an optional track that may be followed or left without penalty. A full line indicates a mandatory track that must be followed. The start and finish must also be displayed on the course plan.

SJ1.10.2: Start & Finish

The start and finish line must be a minimum of 6m and a maximum of 25m from the first/last fence. The start and finish lines must be defined by two flags or markers.

SJ1.10.3 Measuring the Course

The course must be measured by following the track that would be taken by a careful rider who would not wish to take chances by cutting corners. The jump-off course(s) must be separately measured in the same way.

SJ1.10.4: Checking the Course

It is the responsibility of the judge to check the course before the start of the competition and inspect all fences. Should they consider that any alteration is necessary they should instruct the course builder accordingly.

SJ1.10.5: Representations

If a competitor makes representations about the course they must make them to the judge, who should consult with the course builder and decide if any alteration is necessary. If any alterations are made all competitors must be informed and the course plans amended.

SJ1.10.6: Course Incorrectly Erected

If, once the signal to start is given, a competitor jumps the course as set their score is valid even though one or more fences may have been incorrectly erected.

SJ1.10.7: Re-siting Of Fences

Fences may be re-sited or removed during a competition if, in the opinion of the judge/official steward, a deterioration in the going or other special circumstances necessitates such action. Fences, which cannot be re-sited, such as a water jump, ditches or other permanent fences, must be taken out of the course. If removed the scores of all competitors penalised at such fences must be adjusted by cancelling the faults and time penalties incurred. All eliminations will still stand.

SJ1.10.8: Practice Fences

There must be a minimum of two practice fences in the collecting ring, one upright and one spread. All fences must be capable of being knocked down in the normal manner and must not be fixed, jammed or positioned in a manner that prevents them from falling.

One pole may be laid flat on the ground at the ground line or up to 1m from the ground line but parallel to the fence on the take-off side. At least one end of a pole or plank must be supported by a standard cup.

Sloping poles are permitted on vertical obstacles and may be placed on the front element only of spreads providing that the top end is not placed higher than the horizontal pole. Unsupported ends of sloping poles must rest at or in front of the ground line. Alternate sloping poles (i.e. Swedish Oxer, St Andrews Cross) are not allowed.

Practice fences must be flagged in order that they are jumped in one direction only. Red flags on the right, white flags on the left. False ground lines are not allowed. The height and spreads of practice fences must not exceed the maximum dimensions allowed for the competition in progress.

No pole or other articles of any kind are to be held by hand for the horse/pony to jump.

SJ1.10.9: Timing

Automatic timing equipment should be used in all competitions wherever possible. In addition the judge must operate a stopwatch. If electronic timing is not used at least two timekeepers with stopwatches shall be used.

If the judge considers that the course may have been incorrectly measured thus affecting the time allowed they may alter the time allowed. No competitor or other person has the right to demand the re-measurement of the course or alteration of the time allowed.

The clock should be started immediately as the competitor crosses the start line in the correct direction and is stopped immediately as the competitor crosses the finish line having jumped all fences. The clock may also be stopped and restarted under certain circumstances during the round. The period when the clock is stopped is known as "interrupted time". The competitor's time for the round is the elapsed time from starting to finishing minus interrupted time (if any) plus time penalties (if any). Every second commenced after the time allowed has elapsed will incur one time penalty.

SJ1.10.10: Entering the Arena

Competitors are only allowed to enter the arena in the following circumstances:

- to walk the course dismounted
- when called to commence their round
- when called to parade before or after a competition for ceremonial, prize giving etc
- publicity or other special purposes
- to lead another competitor into the arena
- to render authorised assistance
- with special permission of the judge.

Infringement of this rule may incur elimination at the discretion of the judge.

Competitors must enter the arena within one minute of being called to commence their round; failure to do so may incur elimination at the discretion of the judge. They must enter mounted and via the designated entrance, again failure to do so may incur elimination at the discretion of the judge. Competitors may be led into the arena by an assistant who may be mounted or on foot; the assistant must leave the arena immediately once the competitor is inside.

SJ1.10.11: Ringing the Bell

The arena bell is rung in the following circumstances:

- to instruct competitors walking the course to leave the arena
- to commence a competitor's round
- to stop a competitor after a refusal has disturbed a fence
- to stop a competitor if a fence is blown down or not re-erected in time
- to signal a competitor to re-commence a round
- to signify fall of a rider
- to eliminate a competitor
- to disqualify a competitor
- to retire a competitor.

If a competitor ignores the bell during their round and continues then the judge must decide if to eliminate them or not. If the competitor is not eliminated for ignoring the bell all faults and penalties incurred will be included in their score.

SJ1.10.12: Commencing the Round

Indoor Competitions: The starting line may be crossed and re-crossed while waiting for the starting bell without penalty, but, crossing the start line before the bell and attempting to jump the first fence will incur elimination.

Outdoor Competitions: Crossing the start line before the bell incurs elimination. Crossing the start line in the wrong direction is not penalised providing it is subsequently re-crossed before attempting the first fence in the direction of the course plan.

The round commences when, following the bell, the competitor first crosses the starting line in the direction of the course plan.

Failure to commence the round within 45 seconds of the bell may incur elimination at the discretion of the judge.

SJ1.10.13: Jumping the Wrong Course

Jumping a fence in the wrong order or in the wrong direction as indicated on the course plan will incur elimination.

Jumping a fence, which does not form part of the course whether before starting, after finishing or during a round, incurs elimination. The only exception is, in indoor competitions, if after crossing the finish line the competitor jumps an additional fence which is sited within 10m of the finish it is not penalised. The term fence includes passing over the site of a fence which has been knocked down or demolished.

SJ1.10.14: Failing to Jump Within 45 Seconds

Any competitor who fails to jump their next fence on the course within 45 seconds, excluding interrupted time, incurs elimination.

SJ1.10.15: Outside Assistance

Any time after the signal to start has been given any outside assistance to a competitor, whether solicited or not, which in the judge's opinion might improve the competitor's performance, incurs elimination at the judge's discretion.

SJ1.10.16: Stopping Voluntarily

A competitor who decides that they cannot continue their round because the course is obstructed or because a fence is incorrectly erected may stop voluntarily and signal to the judge by pointing clearly with their whip or hand at the obstruction, or fence concerned. The bell will be rung and the obstruction, if any, will be removed and/or the fence will be checked and if necessary re-erected. The competitor will not be penalised unless the judge decides that the course was not obstructed or that the fence was correctly erected, in which case the competitor will be penalised as for a disobedience.

A competitor who is stopped by a judge or who stops voluntarily in accordance with the above must not continue with their round until the bell is rung again. Continuing before the bell and/or continuing from a point nearer to the next fence or the finishing line than the point at which they pulled up incurs elimination. Circling after the bell to continue has rung constitutes disobedience and is penalised accordingly.

SJ1.10.17: Stopping & Restarting the Clock

The clock is stopped when the competitor pulls up and is restarted when the bell is rung to instruct the competitor to continue. When the clock is stopped the normal rules for interrupted time apply. When a competitor stops voluntarily (SJ1.10.16) the judge may deduct up to 6 seconds from a competitor's time to compensate for any delay in stopping the clock.

SJ1.10.18: Restarting the Whole Course

Only in very exceptional circumstances (i.e. the failure of both automatic timing and stopwatches) will a competitor who has been stopped be allowed or required to start the whole course again. In such circumstances they will start the whole course again, any faults incurred prior to being stopped will be discounted.

A competitor who has completed the course against the clock and who is required to restart because the timing has failed may elect not to do so and in this instance they will be placed immediately below a competitor with whom they would have been placed equal on faults alone.

SJ1.10.19: Finishing the Course

To complete the course, the competitor must cross the finish line mounted and in the correct direction. Failure to do so incurs elimination. Passing outside the finish line markers is penalised as a run out (see SJ1.11.7) and the competitor must return to finish correctly if not eliminated for a third disobedience. If the competitor passes outside the finish line markers and in doing so displaces a flag or marker will incur a 6 second time penalty.

SJ1.10.20: Leaving the Arena

Having completed the course competitors must leave the arena mounted and by the designated exit. Failure to do so incurs elimination, except in cases of injury to horse/pony and/or rider.

A competitor and/or horse/pony that leaves the arena before the completion of the round, including prior to starting, will be eliminated.

SJ1.11: SCORING

SJ1.11.1: Jumping and Timing Penalties

Jumping faults will be incurred as follows:

Knocking down any part of an obstacle including the wing.....	4 faults
First disobedience on the whole course	4 faults
Second disobedience on the whole course.....	8 faults
Third disobedience on the whole course.....	Elimination
Fall of rider on the whole course.....	Elimination
Second fall of rider on the whole course	Elimination
Fall of horse.....	Elimination
Every second commenced over the time allowed	1 time penalty

SJ1.11.2: Elimination

Elimination is a penalty for infringing specific rules as summarised below, it is not a punishment or sanction and does not necessarily preclude a competitor/team from being placed or from qualifying for further competitions. Unless otherwise stated in the competition schedule,

all eliminated competitors/teams are placed equal in the round or jump-off in which the elimination occurs immediately below competitors who completed the round or jump-off but, above competitors who retired.

An eliminated competitor must leave the arena and take no further part in the competition, unless otherwise stated in the competition schedule. Before leaving the arena after elimination for a refusal or run-out the competitor may take two attempts to jump a fence that they have already jumped, in the correct direction.

SJ1.11.3: Mandatory Elimination

- exceeding the time limit
- third disobedience during the round
- failure to re-attempt a fence after a run-out
- ***first fall of rider and/or horse/pony after entering the arena and before completing the course***
- ~~second fall of rider after entering the arena and before completing the course~~
- crossing the starting line before the bell
- after being stopped by the judge, or stopping voluntarily, continuing the round before bell and/or from a point nearer the next fence or finish
- re-attempting a fence, which has been disturbed, before the bell
- failing to re-attempt a fence following a first or second disobedience
- failure to re-attempt all fences in an open combination or leaving a closed combination by the wrong route
- jumping a fence in the wrong order or in the wrong direction

- jumping a fence that is not part of the course (but see SJ1.10.13)
- failing to jump a fence within 45 seconds
- knocking the timing equipment
- incorrectly leaving the arena
- failing to cross the finish line mounted
- failing to leave the arena mounted and by the designated exit, unless injured.

SJ1.11.4: Elimination at Judges Discretion

- unauthorised access to the arena
- failure to enter the arena mounted and through the designated entrance
- failure to enter the arena within 60 seconds of being called
- failure to commence the round within 45 seconds
- ignoring the bell when required to stop a round
- receiving outside assistance.

SJ1.11.5: Retiring

A competitor who has started their round may retire without completing the course for any of the following reasons:

- safety
- fitness of horse/pony or rider
- failure of saddlery or equipment
- severity of the fences
- deterioration of the going
- when they have no chance of winning a prize.

A competitor who decides to retire must signal their intention to the judge by raising their whip or hand.

SJ1.11.6: Knock Downs

A fence is considered to have been knocked down when, through the fault of horse/pony or rider:

- the whole or any part of it is lowered, even if the part that falls does not actually touch the ground
- at least one end no longer rests on a cup
- any item, including wing or support intended to maintain stability of the fence and forming an integral part of it falls
- the pillars or wings of a wall placed outside the flags (if used) falls.

When a fence, or part of the fence, is composed of several elements placed on top of one another in the same vertical plane, the knock down of the top element alone is penalised. A lower element is not deemed to be in the same vertical plane if the centre of the top element, when seen from the side, lies beyond the centre of the lower element in the direction of jumping.

Penalties for a knock down are only incurred in respect of fences which are knocked down as a direct result of being jumped in the correct order and providing the fence has started to fall before the competitor crosses the finish line.

Touches and displacements, in whatever direction, do not count. If the judge is in doubt they should give the benefit of the doubt to the competitor. A competitor cannot be

penalised for more than one knock down per attempt no matter how much of the fence is knocked down.

SJ1.11.7: Disobediences

The following are considered as disobediences and are penalised as such:

- a corrected deviation from the course
- a refusal
- a run-out (including jumping the wing)
- a resistance (including a halt)
- circles
- passing outside the flags or markers of the finishing line

The first disobedience incurs 4 faults, the second 8 faults and a third elimination. A refusal with a knockdown anywhere on the course incurs a 6 second time penalty.

Disobediences during interrupted time are not penalised.

The following are NOT considered disobediences:

- circling after a disobedience or failing to re-position to re-attempt the fence
- approaching a fence at an angle and/or turning sharply to attempt it without going past it

Refusal

It is a refusal when a horse/pony stops or fails to take off at a fence, whether or not the fence is knocked down or displaced or when stopping, the horse/pony slides through a fence and knocks it down.

It is not a refusal when a horse/pony stops in front of a fence without knocking it down and immediately does a standing jump over the fence. It is for the judge to decide if a refusal has occurred and if so to ring the bell and stop the clock. If the bell is not rung the competitor must continue having been penalised for a knock down only.

Run-out

It is a run-out when the horse/pony or part of the horse/pony passes to one side of a fence to be jumped and in doing so crosses an extended line of the fence's ground line the horse/pony jumps the wing of the fence, whether or not the wing is knocked down.

Following a run-out the rider must return and attempt the fence again, failure to do so incurs elimination.

Resistance

It is a resistance when a horse/pony, for whatever reason, ceases to go forward, halts, rears, turns on the spot or steps back, even if this occurs as a result of a deliberate action by the rider halting to adjust saddlery. Uninterrupted resistances are penalised as a single disobedience but, if after retaking the track the horse/pony resists again this is then penalised separately.

Circle

It is a circle if the competitor deviates from the planned course and in doing so crosses their previous track.

SJ1.11.8: Falls

See G28. A horse/pony is considered to have fallen when the shoulder and quarters on the same side touch the ground or touch a fence and ground simultaneously.

A rider is considered to have fallen when there is involuntary separation between them and their horse/ pony, which necessitates involuntary remounting or vaulting into the saddle.

The Official Steward and/or Judge retain the right to eliminate a rider if they feel the rider and/ or horse is unfit to continue following the first fall.

If a rider falls, the clock is stopped and re-started once the rider has remounted. A 6 second time penalty will be incurred by stopping the clock. If a fence is dislodged as a result of the fall, only one 6 second time penalty will be applied.

A fall of horse/pony and/or fall of rider after passing through the start and before completing the course will incur elimination.

SJ1.11.9: Penalties at Single Fences

A refusal which causes a fence to be dislodged anywhere on the course incurs a 6 second time penalty in addition to any faults or elimination incurred.

The bell is rung and the clock stopped immediately, when the fence is re-erected and/or checked the bell is rung again and the clock restarted when the horse is represented at the fence. The competitor must then re-attempt the fence, re-attempting the fence before the bell is rung incurs elimination. Circling after the bell to re-start is not penalised. Failing to re-attempt the fence incurs elimination unless the competitor indicates retiring (see SJ1.11.5).

SJ1.11.10: Penalties at Open Combinations

Each fence of an open combination is judged as a single fence, but following a disobedience all fences must be re-attempted in the correct order and faults and time penalties are cumulative over each element at each attempt. Failure to re-attempt all elements incurs elimination.

If there is a disobedience at elements B or C of a combination fence without disturbance but a previous element requires re-erection or checking then the bell will be rung and the clock stopped as per SJ1.10.17.

Time penalties in open combinations are as follows:

Error	Time Penalties
Fence A disturbed by disobedience	6 seconds
Fence A knocked down or disturbed followed by a disobedience at B without disturbing it	6 seconds
Fence B disturbed regardless of the state of A	6 seconds
Fences A and/or B knocked down or disturbed followed by a disobedience at C	6 seconds
Fence C disturbed regardless of the state of A and B	6 seconds
Similar errors with disobedience between further fences in the combination	6 seconds

SJ1.11.11: Penalties at Closed Combinations

If a closed combination is used then each element of the combination is judged as a single fence (see SJ1.11.9). If, having jumped the first element, the horse/pony and/or rider leave the closed combination by any route other than jumping the remaining elements in the correct order, they will incur elimination.

SJ1.11.12: Water Jumps

If a water jump is included in any course it shall be judged and faulted as laid down in the current edition of the BS Member Handbook.

SJ2: STYLE JUMPING

Style Jumping is for both senior and junior riders. It is open to teams of four riders and to individuals. Each team consists of two riders jumping a 75cm course and two riders jumping an 85cm course. Individuals may choose the height at which they jump. Riders jump one round and are judged on the style of their riding. Riders must salute the judge when entering the arena, and then canter a figure of eight until the signal to start is given; during this time, they will be judged for style on the flat.

When jumping, the rider is judged on how they ride the whole course, particular attention being given to how they ride the turns and present the horse at a fence. The rider needs to show balanced approaches to the fences and be able to maintain a good forward canter in a rhythm. The position of the rider at take-off, in the air, on landing and in the following strides is assessed along with the correct judgement of pace. It is assumed that the rider is aware of the correct leading leg and is able to change it if needed (a flying change correctly and quietly done is acceptable as is a simple change through trot).

Style Jumping will be run under the Show Jumping rules set out in section SJ1 unless superseded in this section.

SJ2.1: ELIGIBILITY

See CR Appendix 2 & 3 and G6.3

SJ2.2: NUMBERS TO QUALIFY

See CR Appendix 10

SJ2.3: DRESS, SADDLERY & TACK

See CR Appendices 4, 5, and 6

SJ2.4: THE COURSE

The course will have 8 to 12 obstacles, one of which should be a double. The course should be measured generously to encourage riders to ride forward, demonstrating the ability to ride positively in a maintained balance and rhythm on both reins. See CR Appendix 8c for dimensions of fences.

SJ2.5: TIME

The optimum speed for this competition is set at 325mpm. 0.4 penalties will be deducted for every second over the optimum time.

SJ2.6: COMMENCING & FINISHING THE ROUND

SJ2.6.1 Commencing

Having saluted the judges, the competitor must canter a simple figure of eight showing a change of leg.

SJ2.6.2 Finishing

The round will finish when the horse and rider jump the last fence and have passed through the finish.

SJ2.6.3 Leaving the arena

There is no need to salute before leaving the arena. A competitor/horse leaving the arena before the completion of their round, including prior to starting, will be eliminated.

SJ2.7: JUDGES AND JUDGING

Judges at Area Qualifiers and Championships should be a current Accredited Professional Coach with BHS Stage 3 Coach in Complete Horsemanship or above may be used, but will need to be provided with a judging guidelines sheet obtained from BRC. A judge found on the former Panel of BRC Style Judges List may also be used.

SJ2.7.1 Judging – Objectives

To encourage riders to adopt a correct jumping position and to ride their horses/ponies with sufficient impulsion to maintain balance and rhythmical pace. They will be expected to adjust the length of their horse's stride so as to be able to jump the whole course without undue shortening or lengthening in front of the fence.

SJ2.8: ORDER OF JUMPING

At the Championships the first member of each team will jump first followed by the second member, whole teams will not jump in succession. The same arrangement is recommended at Area competitions, but this may be varied at the discretion of the organiser with the consent of the Official Steward.

SJ2.9: SCORING

SJ2.9.1 Fence Marks

The scale of marks being:

10: Excellent	9: Very Good	8: Good	7: Fairly Good
6: Satisfactory	5: Sufficient	4: Insufficient	3: Fairly Bad
2: Bad	1: Very Bad	0: Not Executed	

Marks 0 and 10 must be awarded when performances warrant their use. Not Executed means that no aspect of the movement was performed and would subsequently incur elimination.

SJ2.9.2 General Aspects Marks

The judge will watch the rider continuously and give marks for each general aspects:

- Assessment of the rider before commencing the round, riding a simple figure of eight in canter showing a change of leg 20 marks
- Equestrian feel and skill, ability to present the horse correctly at the fence and ride accurate lines. Be able to maintain a clear rhythm and correct pace. Confidence. Ability to influence the horse correctly 30 marks
- Riders leg position, balance and ability to follow the horses movement over the fence. Security of the lower leg. Independence of the rein 20 marks
- Horse balance and rhythm. Desire to move forward, attention and confidence, harmony, lightness and ease of movement, acceptance of the bridle, calmness of the jump 30 marks

The scale of marks will be as for the fence marks. The scorers will apply the relevant multiplication factor to give the bonus marks as above, the maximum bonus marks available being 100.

SJ2.9.3 Total Marks

The total good marks for the round is the sum of Fence Marks and General Aspect marks.

SJ2.9.4 Penalties

From the marks described in SJ2.9.2 the following penalties will be deducted to give the total score:

For every second or part thereof over the optimum time.....	0.4 penalties
Knocking down any part of an obstacle including the wing.....	2 penalties
First refusal on the whole course	3 penalties
Second refusal on the whole course.....	6 penalties
Fall of rider	Elimination
Third refusal on the whole course	Elimination
Fall of horse and/or second fall of rider.....	Elimination
Taking the wrong course	Elimination
Failing to salute the judges	Elimination
Commencing the course before the signal.....	Elimination

SJ2.10: RESULTS

SJ2.10.1 Teams

The total scores of the best three riders will count towards the team total. The team penalties for each member of a team are calculated as in CR Appendix 11b. The team penalties for best three team members will be added and the team with the lowest total score shall be the winners. Team results can therefore only be calculated when all team members in each phase have been judged.

SJ2.10.2 Individuals

The competitor with the highest total score shall be placed first in each section.

SJ2.10.3 Ties of Teams

In the event of equality, the fourth riders score shall count. Therefore a team of only three members will be placed below a team of four members, with the same score for the best three riders. If there is still equality the total good marks will be taken into account. If further equality the total rider's equestrian feel and skill, total horses' balance and rhythm and total rider's position and balance marks will be considered in turn to resolve the tie. A team of three riders must be at a disadvantage if equality with a team of four arises.

SJ2.10.4 Ties of Individuals

In the event of equality for individual places, the competitor with the highest total good marks will be placed highest. If there is still equality the competitor's equestrian feel and skill, horses' balance and rhythm and rider's position and balance marks will be considered in turn to resolve the tie.

SJ2.11: AWARDS

See CR Appendix 10.

BRC runs Horse Trials competitions for Junior and Senior competitors:

Open HT 100+ is a mixed class open to senior and junior teams and individuals, teams may be any combination of senior and/or junior. The best three scores to count. At Championships this will be a three day event.

Senior HT 100 for teams of four riders, the best three scores to count and individuals. At Championships this will be a three day event.

Senior HT 90 for teams of four riders, the best three scores to count and individuals. At Championships this is a two day event.

Senior HT 80 for teams of four riders, the best three scores to count and individuals. At the Championships this will be a one day event.

Junior HT 100 for teams of four riders, the best three scores to count and individuals. At the Championships this will be a three day event.

Junior HT 90 for teams of four riders, the best three scores to count and individuals. At Championships this will be a two day event.

Junior HT 80 for teams of four riders, the best three scores to count and individuals. At Championships this will be a one day event.

Open HT 80 for senior and junior individuals. At the Championships this will be a two day event.

HT1: ELIGIBILITY

See CR Appendix 2 & 3 and G6.1 and G6.3.

For 100+ junior competitors must be 12 years old and over on 1 January.

BE Tickets: Competitors on a ticket with BE are eligible to gain points, unless the entry to BE is HC. Therefore the use of tickets will re-activate downgraded winnings.

Reserves: A reserve for a Horse Trials Championship must have completed a cross-country course to the required standard within two years prior to the Championships. This must be certified by a club official on the entry form.

~~Horses practicing over obstacles: in the interest of fairness to all competitors, courses used for Area Qualifier and Championships would ideally only be used for those events, but since it may not be practicable to enforce this, these rules attempt to set a minimum restriction on practising over official courses. It cannot be over-emphasised that any riding over obstacles which are subsequently used for an official competition is against the spirit of the rules, if not against the letter.~~

~~No pony or horse may have been ridden over or through any cross-country fences, elements, obstacles, ditches, steps or water jumps at the same venue as the Area Qualifier during the five days prior to the cross-country phase of the qualifier.~~

~~Any pony or horse, which competes at the Championships, may not have been ridden over or through any cross-country fences, elements, obstacles, ditches, steps or water jumps at the same venue as the Championship course during ten days prior to the cross-country phase of the Championships.~~

HT1.2.1: Numbers to Qualify

See CR Appendix 10. The number of highest placed individual riders qualifying for the Championships will be governed by the number of arenas required (see Rule G8.3).

HT1.3: DRESSAGE PHASE**HT1.3.1: Dressage Rules**

The Dressage phase of the Horse Trials competition will be run under the Dressage rules set out in section D1 unless superseded in this section. ~~If a rider falls during a test where they will not be eliminated. They will be penalised by the effect of the fall on the execution of the movement concerned and in the collective marks.~~

HT1.3.2: Saddlery, Tack and Dress

Full details are at CR Appendices 4, 5, 6 and 7.

HT1.3.3: Tests

Test information is found in Appendix CR1 and the tests are available to download on the BRC website.

HT1.3.4: Scoring

The good marks from 0 to 10 awarded to a competitor for each numbered movement of the Dressage Test are added together with the collective marks. Then any error of course is deducted. Half marks may be awarded.

The percentage of the maximum possible good marks obtainable is then calculated. This percentage is obtained by dividing the total good marks of the judge (minus any error of course or test) by the maximum possible good marks obtainable, then multiplying by 100 and rounding the result to one decimal place. In order to convert average percentage into penalty points, this must be subtracted from 100, with the resulting figure being rounded to one decimal point. The result is the score in penalty points for the test.

HT1.3.5: Commanders

Dressage tests at Area Qualifiers may be commanded, but not at the Championships. Commanders should be courteous when multiple arenas are running and position themselves to avoid disturbing other riders. Commanders should only read out the printed text or extracts for each movement and must not use any other words or emphasis to prompt the rider.

HT1.4: SHOW JUMPING PHASE

HT1.4.1: The Show Jumping phase of the Horse Trials competition will be run under the Show Jumping rules set out in section SJ1 unless superseded in this section.

HT1.4.2: Saddlery, Tack and Dress

Full details are at CR Appendices 4, 5, and 6.

HT1.4.3: The Course

The course will consist of a designated number of obstacles (see CR Appendix 8) that are to BS/ SJAI standard or above. A proportion of the fences should be built with fillers (brushes, walls etc). Safety cups, to FEI standard, must be used on the back and centre of spread fences. Safety cups must also be used for practice fences.

The maximum height of any obstacle in Area competitions and at Championships will be as per CR Appendix 8.

HT1.4.4: Order of Jumping

At all competitions the order of jumping will be at the discretion of the organiser, but, if possible riders from the same team should not follow each other in succession.

HT1.4.5: Time Allowed & Penalties

The Time Allowed will be based on a speed of 325mpm. Every commenced period of 1 second in excess of time allowed will be penalised by 1 time penalty.

HT1.4.6: Jumping Penalties

Jumping penalties will be incurred as follows:

Knocking down any part of an obstacle including the wing	4 penalties
First disobedience on the whole course	4 penalties
Second disobedience on the whole course.....	8 penalties
Third disobedience on the whole course.....	Elimination
Fall of rider	Elimination
Fall of horse	Elimination
Second fall of rider.....	Elimination
Exceeding 24 penalties (excluding time penalties)	Compulsory Retirement

HT1.4.7: Scoring

The jumping penalties are added to the time penalties incurred to calculate the total penalties for this phase

HT1.5: CROSS-COUNTRY PHASE**HT1.5.1: Saddlery, Tack and Dress**

Full details are at CR Appendices 4, 5, and 6.

HT1.5.2: Heights

The maximum height of any obstacle in Area competitions and at Championships will be as per CR Appendix 8.

HT1.5.3: Plan

A plan of the course shall be displayed by the time it is open for inspection. It must include:

- the course to be followed and its length
- the optimum time and the time limit
- the numbering of the fences
- any compulsory turning points
- fences with alternatives.

HT1.5.4: Inspection of the Course

The cross-country course must be completed and ready for inspection by competitors no less than an hour before the first class is due to commence and at least ten minutes before subsequent classes are due to commence. Competitors may view the course on foot only, after 2pm on the day preceding the competition but the course will not be finalised until an hour before the first class. Unauthorised alteration to or tampering with fences or direction markers on the course is strictly forbidden and may be penalised by elimination.

HT1.5.5: Marking the Course

Red or white boundary markers are used to mark the start and finish and compulsory sections of the course, to define fences and indicate compulsory changes of direction. They are placed in such a way that a rider must leave a red marker on the right and a white marker on the left, failure to do so will incur elimination.

Direction markers or signs may vary in colour and are intended merely to show the general direction to be taken and to help the rider find their way. Passing close to them is not obligatory.

Boundary and direction markers will be large and placed in a conspicuous position. All fences, boundary and direction markers which have to be observed by riders must be exactly positioned by the time the course is open for inspection by riders and any variations in the course for different classes clearly marked.

HT1.5.6: Modifications to the Course

After the course is open for inspection by riders no alteration may be made, except that, where exceptional circumstances (such as heavy rain) make one or more fences unfair or dangerous, the organisers, or Official Steward is authorised to reduce the severity of or to bypass such fences. In such cases the chief cross-country steward and every rider must be officially and personally informed of the proposed alteration before the start of the test. An official may be stationed at the place where the alteration has been made, in order to warn riders.

If it is necessary, in the interests of safety, to order a fence to be by-passed during the competition, all jumping faults previously incurred at that fence shall be cancelled with the exception of elimination. A competitor who had been eliminated shall not be re-instated in the competition. Once taken out, the fence shall not be re-introduced. The Official Steward will decide what arbitrary adjustment shall be made to competitors' times.

HT1.5.7: Alternative Fences

Alternative fences or elements may be flagged separately and must be identified by the same number/letter as on the direct route. In this case both sets of flags must be marked with a black line. Such "black flag" alternatives are to be judged as separate fences or elements, only one of which has to be jumped. A competitor is permitted to change, without penalty, from one black flag line to another (e.g. jumping 6A left hand route and 6B right hand route) provided they have not presented their pony/horse at the next element of the original line.

HT1.5.8: Fences

As with BE, BRC count the number of jumping efforts rather than the number of fences in the cross-country course. The number is counted by taking the direct route at combination fences. All fences must be solid and fixed. Where natural hedges are used they must be reinforced as necessary, so that they present as far as possible the same problem throughout the competition. All fences must be flagged and numbered.

Any fence at which a pony/horse, in falling, is liable to be trapped or to injure itself, must be secured by cord in such a way that parts of the fence can be quickly dismantled and rebuilt exactly as before.

HT1.5.9: Measurement of Fences

Fences are measured from the point from which the average pony/horse would normally take off. In the case of a fence where the height cannot be clearly defined (e.g. natural hedge, brush fence) the measurement is taken to the fixed and solid part of the fence, through which the pony/horse cannot pass with impunity.

The overall height of a natural hedge or brush fence may not exceed the maximum height by more than 20cm; however the brush or hedge above the normal maximum height must be brushable through and must not be likely to injure a horse. (A conventional birch steeplechase type fence does normally meet these criteria, provided the top has only thin branches).

There is no limit to the overall height of a bullfinch, provided that the average pony/horse can reasonably be expected to pass through and the fixed and solid part is clearly defined. In the case of a fence with a spread only (e.g. dry ditch, water jump), a guardrail or hedge not exceeding 50cm, which facilitates jumping, is permitted in front, but must be included in the measurement of the spread.

Drop Fences: The depth of a drop is measured from the highest point of the obstacle, including from the top of the brush, to where the average pony/horse would normally land. The maximum depth of the drop must not exceed the following:

HT 80 and 90.....	1.2m
HT 100.....	1.4m
Open 100+	1.6m

Water: Where a pony/horse is required to jump a fence in or out of water, or where there is a fence in the water, the depth of the water is measured from firm ground where the pony/horse would normally take off or land. Elsewhere the water should not greatly exceed the maximum depth. In order to discourage a pony/horse from attempting to jump over it, any water crossing ought to be as long as possible and should ideally be not less than 6m from point of entry to point of exit. The maximum depth of the water in a drop in/out of water fence must not exceed the following:

HT 80, 90 and 100.....	0.2m
Open HT 100+.....	0.3m

Overhead Obstructions: Any roof or other fixed and solid barrier over a fence must be not less than 3.36m above ground level.

HT1.5.10: Dimensions of Fences:

Details of the dimensions of cross-country fences are at CR Appendix 8. Fences do not have to be uniform in terms of height, spread etc. throughout their length, or that these dimensions may never be exceeded anywhere between the red and white flags marking the extent of the fence. It is sufficient if all parts of the fence, where the average pony/horse and rider could reasonably and conveniently be expected to jump; do not exceed the maximum permitted dimensions.

HT1.6: ONE, TWO & THREE DAY EVENTS**HT1.6.1: Order of Phases**

The Horse Trials Championships are a combination of one, two and three day events, and, as such will have the following phases:

Senior and Junior HT 80 – One Day Event

Day 1 Dressage, Show Jumping, Cross-country

Open HT 80 - Two Day Event

Day 1 Dressage and Show Jumping

Day 2 Cross-Country

Senior and Junior HT 90 – Two Day Event

Day 1 Dressage and Show Jumping

Day 2 Roads & Tracks, Steeplechase and Cross-country

Senior and Junior HT 100 and HT Open 100+ – Three Day Events

Day 1 Vet Inspection and Dressage

Day 2 Roads & Tracks, Steeplechase and Cross-country

Day 3 Vet Inspection and Show Jumping

The HT90, HT100 and Open 100+ events include two Road & Tracks (Phases A and C) a Steeplechase (Phase B) and a Cross-country phase (Phase D). Except for the compulsory 1 minute halt before Phase B and the 10 minute halt before Phase D all the phases will follow one another without interruption in the order. A course plan will be displayed giving distance, optimum time and time allowed for each phase, based on the speeds in CR Appendix 8.

Phases A & C: In addition to directional signs there will be markers at 1km intervals from the start. Competitors may dismount at any time on the Roads & Tracks and walk beside their pony/horse but they must be mounted to pass through the finish of each phase. Exceeding the optimum time per phase will incur 1 penalty point per second, exceeding the time limit (one fifth more than the optimum time) per phase will incur elimination.

Phase B: There is a compulsory 1 minute halt between the end of Phase A and the start of Phase B. Exceeding the optimum time per phase will incur 0.8 penalty points per second, exceeding the time limit (four times optimum time) will incur elimination. Faults at Steeplechase fences will be penalised as per Rule HT1.8.1.

Phase D: There is a compulsory 10 minute halt between the end of Phase C and the start of Phase D. During this halt a panel of a veterinary surgeon and officials will inspect each pony/ horse; this panel has the right to eliminate any pony/horse that is unfit to continue onto Phase C. Exceeding the optimum time per phase will incur 0.4 penalty points per second; exceeding the time limit (twice the optimum time) will incur elimination. For every second in excess of 15 seconds under the optimum time will incur 0.4 penalty points per second.

The same pony/horse and rider must complete all phases mounted; spot checks will be carried out to ensure compliance. ***Elimination from one phase precludes further participation in the competition. For the purposes of falls the 1 minute compulsory halt before Phase B and once passed through Phase C finish, the 10 minute box will be considered as warm up, any fall of rider must be checked by a doctor or paramedic before continuing.***

HT1.6.2: Independence of Phases

The four phases are independent of each other. Loss of time in one phase cannot be made up in another.

HT1.6.3: Vet Inspection Horse Trials Trot-up:

As the Senior and Junior HT 100 and HT 100+ are three day events, competitors will have to attend three veterinary inspections or trot ups as they are more commonly known; one prior to the start of the competition the second takes place in the ten minute box after phase C and before the start of cross country, and the third on day three before the show jumping phase.

Officials:

The trot ups are officiated by an appointed BRC Ground Jury of two assisted by a vet, with a second vet for referrals, and a steward. These inspections are held so as to ensure the welfare and future competitiveness of your horse is not jeopardised.

Tack:

The following is required:

- bridle, preferably with a snaffle bit (with a bridle tag for a stallion)
- no saddle or other tack
- no head collars
- no bandages or boots
- no studs
- horses should be plaited where applicable.

Dress:

The following is required:

- as for dressage (day 1) or show jumping (day 3) or
- smart casual dress (remember suitable and safe shoes for leading a horse in hand no wellington boots except in wet weather, or high heels)
- competition number or bridle number (on both sides of the horse)
- horses should be plaited where applicable
- protective headwear must be worn (see G22.2).

Procedure:

Competitors should report to the steward ahead of your allocated time, the steward will call you forward in order and you will be asked to stand your horse square in front of the jury and then after a static inspection asked to trot up on a hard surface. Once the horse is in trot, let them have a loose rein. The Ground Jury will confer with the vet, if necessary, you may be asked to trot up several times, and you will be told that your horse has either:

Been accepted – your horse has passed the inspection and you may return to the stabling area or go to the appropriate area for your next phase.

Been referred – you will be asked to go to the holding area; there you will be asked to report to the second vet for a further check. The vet will discuss any apparent problem with you. You will then be asked to represent to the Ground Jury for a re-assessment or you may choose to withdraw from the competition. After the second assessment the Ground Jury will advise you that your horse has been accepted or will advise you that your horse will not be allowed to proceed to the next phase.

Appeals:

There can be no appeal against the decision of the Ground Jury however, if requested, the Chairman of the jury must give a reason for the decision after the whole of the inspection has been completed.

HT1.7: METHOD OF STARTING

Competitors must start from within a simple enclosure which must be erected at the start, measuring approximately 5m square, with an open front marked with a red and white flag. Alternatively, a similar sized enclosure may be used with an open front and a gap of approximately 2m in one or both sides from which ponies/horses will enter, provide that the sides of the side opening are padded or otherwise constructed to ensure that neither pony/horse nor rider entering through the side can be injured. The starter will count down from five before giving the signal to start and the competitor may move around the enclosure.

Cantering through a side entrance may be considered inappropriate or dangerous riding and, as such, may be eliminated at the discretion of the Official Steward.

If a pony/horse fails to cross the start line within 60 seconds of the signal being given the competitor will be eliminated.

The order of starting will be for the first rider of each team will go first followed by the second rider of each team and so on. No team will ride in succession.

HT1.8: SCORING

HT1.8.1 Penalties

These penalties are cumulative:

First disobedience at a jump.....	20 penalties
Second disobedience at the same jump	40 penalties
Third disobedience at the same jump.....	Elimination
Fourth disobedience on the whole course.....	Elimination
Fall of rider at a fence	65 penalties
Second Fall of rider on the course	Elimination
Fall of rider during Phase A,B and/or C	Elimination
Fall of pony/horse at a fence.....	Elimination
Every commenced period of 1 second in excess of the optimum time	0.4 penalties
Every commenced period of 1 second in excess of 15 seconds under the optimum time	0.4 penalties
Exceeding the time limit (cross-country).....	Elimination
Error of course (omission of jump, boundary flag, not rectified, retaking an obstacle already jumped).....	Elimination
Jumping an obstacle in the wrong order.....	Elimination
Jumping an obstacle with crossed flags.....	Elimination
Trapped pony/horse	Elimination
Dangerous riding.....	Discretionary 25 penalties
Inappropriate riding.....	Discretionary 25 penalties
Riding improperly dressed.....	Discretionary Elimination
Starting early	Discretionary Elimination
Breaking/dislodge of frangible pin/mims clip	11 penalties

There will be no marked penalty zones. Faults (refusals, run-outs, circling and falls) will be penalised only, if, in the opinion of the judge concerned, they are connected with the negotiation of one of the numbered fences. Jumping penalties will be added to any time penalties to calculate the total cross-country penalties.

HT1.8.2: Pace

Competitors are free to choose their pace whilst on the course, but should be aware that any sudden slowing down in the final third of the course may be categorised as inappropriate riding and penalised accordingly.

HT1.8.3: Definition of Faults

Refusals: A pony/horse is considered to have refused if it stops in front a fence to be jumped and that fence exceeds 30cm. A stop is defined as lack/ceasing of forward momentum. A stop at fences of 30cm or less in height followed immediately by a standing jump is not penalised. A pony/horse may step sideways, but if the pony/horse steps back, even a single pace, voluntarily or not, or if the halt is prolonged, this constitutes a refusal. If a pony/horse that has already stepped back once is re-presented at the fence and halts or steps back a second time, or if the halt is prolonged and the rider redoubles or changes their effort, still without success, this constitutes a second refusal and so on. After the fourth cumulative refusal the competitor is eliminated.

Run-Outs: A pony/horse is considered to have run out if it avoids a fence to be jumped and runs out to one side or the other.

Circles: A pony/horse is considered to have circled if it crosses its original track, from whichever direction, while negotiating or attempting to negotiate a fence or part thereof. If a pony/horse completes a circle while being re-presented at a fence after a refusal, run-out or a fall, it will only be penalised for the disobedience or fall. A competitor may circle without penalty between fences even if they are quite close together, provided they clearly do not present their pony/horse in an attempt to negotiate the second fence after jumping the first and they are separately numbered. However, if two or more elements of a fence are lettered A, B or C i.e.: are designed to be a combination, circles will be penalised.

Fall of Rider: A rider is considered to have fallen when they are separated from their pony/horse, which has not fallen, in such a way as to necessitate remounting or vaulting into the saddle.

Fall of Pony/Horse: A pony or horse is considered to have fallen when the shoulder and the quarters have touched either the ground or the fence and the ground.

Fences not on the course:

There is no penalty for jumping a fence that is not on the course unless it has crossed flag/s

Dangerous Riding: A competitor who at any stage of the competition rides in a way which may adversely affect the safety of themselves, the horse or any third party. The following are some examples of dangerous riding:

- iding out of control
- riding fences too fast for the fence in question
- riding fences too slowly for the fence in question (including jumping from a standstill or the horse has slowed down so much that the loss of momentum will seriously reduce

- the prospects of jumping the fence safely
- repeatedly standing off fences
 - riding the horse with excessive force to the foot of the fence
 - riding an unresponsive horse
 - repeatedly being ahead/or behind the horses movement when jumping
 - riding without regard for rules.

Inappropriate Riding: A competitor who rides in an unsuitable manner, which may not constitute dangerous riding. For example: slowing down in the final third of the course so as not to gain time penalties.

HT1.8.4: Double, Treble or Multiple Fences

If two or more fences, although sited close together, are designed as separate problems, each will be numbered and judged independently. A competitor may circle between them without penalty, provided that this is not as a result of attempting to negotiate a fence that they have already jumped.

If however, a fence is formed of several elements such as banks or steps, a normal or an angled combination, each part will be flagged and marked with a different letter (A, B or C etc) but only the first need be numbered and it will be judged as one fence. A competitor may refuse only twice in all without incurring elimination and any circle is penalised as for a refusal but, if a competitor refuses at any part, they are at liberty to retake the complete obstacle.

HT1.8.5: Elimination & Retiring

Competitors eliminated or retiring from any part of the course for any reason whatsoever shall leave the course at a walk and shall take every precaution to avoid disturbing other competitors. They shall not jump fences after elimination or retiring. At the discretion of the Official Steward disciplinary action may be taken for contravention of this rule. Any competitor eliminated as a result of a fall must not remount until checked by a doctor or paramedic as G28.

HT1.8.6: Medical Suspension

Any competitor who has had a fall must see the doctor and be passed fit to ride before remounting, riding a different horse or leaving the site.

See also G28.

HT1.9: COMPETITOR IN DIFFICULTY

Any competitor who has refused at a fence must, under penalty of elimination at the discretion of the Official Steward, quickly clear the way for a following competitor and must await the instructions of the fence judge before making another attempt. The time they are delayed is not recorded.

If a fence is completely obstructed by a competitor in difficulty, or is in need of repair, subsequent competitors must be halted. In such a case, the fence judge must record the length of time the competitor was held. Whenever competitors are held by fence judges, permission to restart must be co-ordinated with cross-country control.

If, in attempting to negotiate a fence, a pony/horse becomes trapped in such a way that it is liable to injure itself or be unable to proceed without assistance, the fence judge shall decide if parts of the fence shall be dismantled or if any other assistance shall be given

to extricate the pony/horse. In such a case the fence judge will first instruct the competitor to dismount. The competitor will be eliminated from the competition.

HT1.10: OUTSIDE ASSISTANCE

Outside assistance is forbidden, under penalty of elimination. Any intervention by a third party, whether solicited or not, with the object of facilitating the task of the rider or helping their horse is considered outside assistance. Similarly it is forbidden for a competitor to join or accept a lead from another competitor. Examples of outside assistance include:

- joining another competitor and continuing with them
- following or in any other way being accompanied by another person while on the course
- arranging for associates to provide signals or encouragement
- tampering with an obstacle or its marker flags
- the use of any electronic equipment by riders (unless expressly permitted)
- spectators who draw attention to a competitor to any deviation from the course
- a fence judge or official assisting a competitor by directions to rectify an error of course.

Assistance within the starting enclosure is permitted, provided it ceases immediately when the start signal is given. From that instant the competitor is considered to be on the course and thus any further assistance is forbidden.

The following forms of assistance are allowed:

- whips, headgear or spectacles may be handed to a competitor without dismounting.
- fence judges are allowed to call first or second refusal etc. A competitor may receive clarification of jumping penalties from the fence judge (e.g. after knocking a flag at the corner of a fence).

The Official Steward will decide whether or not a competitor has received outside assistance. Fence judges should record the details on the fence score sheets if they consider outside assistance has been given with full details.

HT1.11: OVERTAKING

HT1.11.1: Between Fences

A competitor catching up another may overtake but only at a safe and suitable place. In such circumstances the leading competitor must give way. It is forbidden, under penalty of elimination at the discretion of the Official Steward, for either competitor to wilfully obstruct or cause any damage to the other.

HT1.11.2: At any Fence

When the leading competitor is committed to jumping a fence, a following competitor may jump that fence only in such a way that will cause no interference to another; if interference occurs they may be eliminated, at the discretion of the Official Steward.

HT1.12: TIME KEEPING

Time is counted from the signal to start until when the pony's/horse's nose passes the finish. Time is counted in whole seconds, fractions being taken to the next second (i.e. 30.4 seconds is recorded as 31 seconds). Periods when a competitor has been held by a fence judge or an official will be deducted from the total time on the course in order to give the actual time for completing the course.

In the event of a timing error the Official Steward is allowed to make an accurate estimate of a competitor's time utilising official times taken around the course.

HT1.13: SCORING

HT1.13.1: Total Score

The total score for an individual is obtained by adding the Dressage, Show Jumping and Cross-country penalties together. The team total is obtained by adding together the three lowest individual penalty scores.

HT1.13.2 Ties

In the event of a tie for any place in a team one day event, the score of the fourth rider will be taken into consideration. Therefore a team of only three members will be placed below a team of four members, with the same score for the best three riders. If there is still equality the total marks for all the riders in the tying teams will be considered in the following order:

- lowest total cross-country penalties (jumping and time)
- lowest total deviation from the cross-country optimum time
- highest total good dressage marks.

In the event of a tie for any place in an individual one day event, the riders will be placed by considering their marks in the following order:

- lowest total cross-country penalties (jumping and time)
- nearest the cross-country optimum time
- highest good dressage marks.

In the event of a tie for any place in a team two or three day event, the score of the fourth rider will be taken into consideration. Therefore a team of only three members will be placed below a team of four members, with the same score for the best three riders. If there is still equality the total marks for all the riders in the tying teams will be considered in the following order:

- lowest total cross-country penalties (jumping and time)
- best steeplechase score
- lowest total deviation from the cross-country optimum time.

In the event that the competition has to revert to short format the following will apply.

In the event of a tie for any place in a team short format event, the score of the fourth rider will be taken into consideration. Therefore a team of only three members will be placed below a team of four members, with the same score for the best three riders. If there is still equality the total marks for all the riders in the tying teams will be considered in the following order:

- ***lowest total cross-country penalties (jumping and time)***
- ***lowest total deviation from the cross-country optimum time***
- ***highest total good dressage marks***

In the event of a tie for any place in an individual short format event, the riders will be placed by considering their marks in the following order:

- *lowest total cross-country penalties (jumping and time)*
- *nearest the cross-country optimum time*
- *highest good dressage marks*

HT1.14: AWARDS

See CR Appendix 10.

CH: CHALLENGE

The Festival of the Horse Challenge (FOTH Challenge) is a test of the ability of a pony/horse and rider to negotiate a show jumping course together with a cross-country course. BRC run six Challenge competitions for junior and senior riders:

Senior Challenge 80, Challenge 90 and Challenge 100 for teams of four riders, (the best three scores to count) and individuals.

Junior Challenge 80, Challenge 90 and Challenge 100 for teams of four riders, (the best three scores to count) and individuals.

Open Challenge 80, for individuals (senior or junior) with open eligibility.

Challenge will be run under Horse Trials rules set out in HT unless superseded by this section.

CH1: ELIGIBILITY OF PONIES/HORSES

See CR Appendix 2 & 3 and G6.1 and G6.3.

BE Tickets: Competitors on a ticket for BE are eligible to gain points unless the entry to BE is HC, therefore the use of tickets will re-activate downgraded winnings.

~~**Horses practicing over obstacles:** in the interest of fairness to all competitors, courses used for Area Qualifier and Championships would ideally only be used for those events; but since it may not be practicable to enforce this, these rules attempt to set a minimum restriction on practising over official courses. It cannot be over emphasised that any riding over obstacles which are subsequently used for an official competition is against the spirit of the rules, if not against the letter.~~

Reserves: A reserve for the FOTH Championship must have completed a cross-country or a FOTH Challenge course to the required standard within two years prior to the Championships. This must be verified by a club official on the championship entry form.

CH1.1.1 ELIGIBILITY OF RIDERS

See CR Appendix 2 & 3.

Any rider, who competes at the Championships, may not have ridden over or through any cross-country fences, elements, obstacles, ditches, steps or water at the same venue as the Championship course during the ten days prior to the day of the Championships.

CH1.2: NUMBERS TO QUALIFY

See CR Appendix 10.

CH1.3: SADDLERY, TACK AND DRESS

Full details are in CR Appendices 4, 5, and 6 and 7.

CH1.4: THE COURSE

Consists of 7-10 show jumping obstacles followed by 15 – 25 cross-country jumping efforts.

CH1.4.1: Heights

Full details are in CR Appendix 8.

CH1.4.2: Plan

A plan of the entire course shall be displayed by the time it is open for inspection. It must include:

- the course to be followed and its length
- which fences are show jumps which are cross-country jumps
- the numbering of the fences
- any compulsory turning points
- fences with alternatives

CH1.4.3: Inspection of the Course

See SJ1.5 and HT1.5.4

CH1.4.4: Marking the Course

See HT1.5.5

CH1.4.5: Modifications to the Course

See HT1.5.6

CH1.4.6: Alternative Fences

See HT1.5.7

CH1.4.7: Fences

Show Jumping:

The show jumping course will:

- consist of 7 – 10 show jumps, including at least one double (at least two doubles at the Championships), and include a proportion with fillers (brushes, walls etc)
- be built to BS standards
- have safety cups, to FEI standard on the back and centre of spread fences including practice fences
- black flag alternatives may be used
- offset doubles may be used.

Cross-country:

The FOTH Challenge course:

- will consist of 15 – 25 jumping efforts
- will be strongly built with a good ground line and should look imposing
- will have all fences flagged and numbered
- will have any fence at which a pony/horse, in falling, is liable to be trapped or to injure itself, secured by cord in such a way that parts of the fence can be quickly dismantled and rebuilt exactly as before.

CH1.4.8: Measurement of Fences

See HT1.5.9

CH1.4.9: Dimensions of Fences:

See HT1.5.10 and CR Appendix 8

CH1.5: METHOD OF STARTING**CH1.5.1: Team & Individual competitions:**

The rider will, when instructed by the judge to do so, commence their show jumping round, once they have completed show jumping they will then go directly onto the cross-country course, they must go through the show jumping finish and the cross-country start

lines, these may be combined if necessary.

CH1.6: SCORING

CH1.6.1 Penalties

Show Jumping Phase:

Jumping penalties will be incurred as follows

Knocking down any part of an obstacle including the wing.....	4 penalties
First disobedience on the whole course.....	4 penalties
Second disobedience on the whole course.....	8 penalties
Third disobedience on the whole course.....	Elimination
First fall of rider.....	8 penalties
First fall of horse.....	Elimination
Fall of rider.....	Elimination
Exceeding 24 jumping penalties.....	Compulsory retirement (Therefore not allowed to continue on the cross country course)

Cross-country Phase:

Penalties will be incurred as follows, these penalties are cumulative:

First disobedience at a jump.....	20 penalties
Second disobedience at the same jump.....	40 penalties
Third disobedience at the same jump.....	Elimination
Fourth disobedience on the whole course.....	Elimination
Fall of rider at a fence.....	65 penalties
Second Fall of rider on the whole course.....	Elimination
Fall of pony/horse at a fence.....	Elimination
Error of course (omission of jump, jumping a fence in the wrong direction, jumping a fence with crossed flags, jumping the boundary flag etc) not rectified, retaking an obstacle already jumped.....	Elimination
Trapped pony/horse.....	Elimination
Inappropriate riding.....	Discretionary 25 penalties
Dangerous riding.....	Discretionary 25 penalties

CH1.6.2: Time

Show Jumping Phase:

The Time allowed will be based on a speed of 325mpm. Every commenced period of 1 second in excess of time allowed will be penalised by 1 time penalty.

Cross-country Phase:

The Optimum Time will be based on a speed of 435mpm (Challenge 80), 450mpm (Challenge 90), or 475mpm (Challenge 100).

CH1.6.3: Definition of Faults

See SJ1.11 and HT1.8.3

CH1.6.4: Double, Treble or Multiple Fences

See HT1.8.4

CH1.6.5: Elimination & Retiring

See SJ1.11.2 and HT1.8.5

CH1.7: COMPETITOR IN DIFFICULTY

See HT1.9

CH1.8: OUTSIDE ASSISTANCE

See SJ1.10.15 and HT1.10

CH1.9: OVERTAKING

See HT1.11

CH1.10: TIME KEEPING

The entire competition will be timed. The show jumping and cross country phases will be separately timed. Manual time is counted in whole seconds, fractions being taken to the next second (i.e.

30.4 seconds is recorded as 31 seconds). Automatic time is counted to fractions of a second.

Periods when a cross-country fence judge or an official has held a competitor will be deducted from the total time on the course in order to give the actual time for completing the course.

CH1.11: SCORING**CH1.11.1: Total Score**

The total score is obtained by adding together show jumping and cross-country penalties.

CH1.11.2: Individuals

The individual with the lowest total score will win.

CH1.11.3: Teams

The team total is obtained by adding together the three lowest individual penalty scores per team.

CH1.11.4 Ties

In the event of a tie for any team place in a competition, the score of the fourth rider will be taken into consideration. If there is still equality the total marks for all the riders in the tying teams will be considered in the following order:

- fastest show jumping times
- nearest to cross-country optimum time (if still equal preference will be given to the nearest OVER the time allowed).

In the event of a tie for any place in an individual competition, the riders will be placed by considering their marks in the following order:

- fastest show jumping time
- nearest to cross-country optimum time (if still equal preference will be given to the nearest OVER the time allowed).

CH1.12: AWARDS

See CR Appendix 10.

CT: COMBINED TRAINING

BRC run two FOTH Combined Training competitions as follows:

Seniors for teams of four with the best three scores to count and individuals. Two team members compete in the Prelim/75 section and two in the Novice/85 section.

Juniors for teams of four with the best three scores to count and individuals. Two team members to compete in the Prelim/75 section and two in the Novice/85 section.

CT1: ELIGIBILITY

See CR Appendix 2 & 3 and G6

CT2: ORDER OF TESTS

Combined Training consists of two phases, Dressage and Show Jumping and they must be taken in that order. The same horse and rider must complete both phases and elimination from one phase will result in elimination from the competition.

CT2.1: DRESSAGE PHASE

CT2.1.1: Dressage Rules

The Dressage Phase of the Combined Training competition will be run under the Dressage rules set out in section D.

CT2.1.2: Saddlery, Tack and Dress

Full details are at CR Appendices 4, 5, 6 and 7. Refer to Horse Trials tack and dress.

CT2.1.3: Commanders

Dressage tests at Area Qualifier may be commanded, but not at the Championships. Commanders should be courteous when multiple arenas are running and position themselves to avoid disturbing other riders. Commanders should only read out the printed text or extracts for each movement and must not use any other words or emphasis to prompt the rider.

CT2.1.4: Scoring

The good marks from 0 to 10 awarded to a competitor for each numbered movement of the Dressage Test are added together with the collective marks. Then any error of course is deducted. Half marks may be awarded.

The percentage of the maximum possible good marks obtainable is then calculated. This percentage is obtained by dividing the total good marks of the judge (minus any error of course or test) by the maximum possible good marks obtainable, then multiplying by 100 and rounding the result to one decimal place. In order to convert average percentage into penalty points, this must be subtracted from 100, with the resulting figure being rounded to one decimal point. The result is the score in penalty points for the test.

CT2.2: SHOW JUMPING PHASE

CT2.2.1: Show Jumping Rules

The Show Jumping phase of the Combined Training competition will be run under the Show Jumping rules set out in section SJ1 unless superseded in this section.

CT2.2.2: Saddlery, Tack and Dress

Full details are at CR Appendices 4, 5, 6 and 7. Refer to Horse Trials tack and dress for the relevant phase.

CT2.2.3: The Course

The course will consist of a designated number of obstacles (see CR Appendix 8) that are to BS/ SJAI standard or above. A proportion of the fences should be built with fillers (brushes, walls etc.). Safety cups, to FEI standard, must be used on the back and centre of spread fences including practice obstacles.

The maximum height of any obstacle in Area competitions and at Championships will be as per CR Appendix 8.

CT2.2.4: Order of Jumping

At all competitions the order of jumping will be at the discretion of the organiser, but if possible, riders from the same team should not follow each other in succession.

CT2.2.5: Time Allowed & Penalties

The time allowed will be based on a speed of 325mpm. Every commenced period of 1 second in excess of time allowed will be penalised by 1 time penalty.

CT2.2.6: Jumping Penalties

Jumping penalties will be incurred as follows:

Knock down.....	4 penalties
First disobedience.....	4 penalties
Second disobedience	8 penalties
Third disobedience	Elimination
Fall of rider.....	Elimination
Second fall of rider.....	Elimination
Fall of horse.....	Elimination
Every second commenced over the time allowed	1 penalty

CT2.2.7: Scoring

The jumping penalties are added to the time penalties incurred to calculate the total penalties for this phase.

CT3: RESULTS**CT3. 1: Total Score**

The total score for an individual is obtained by adding the Dressage and Show Jumping penalties together.

CT3. 2: Individuals

The individual with the lowest total score will win.

CT3. 3: Teams

In calculating the team total, the best three scores will count.

The team penalties for each member of a team are calculated as in CR Appendix 11b.

The team penalties for best three team members will be added and the team with the lowest total score shall be the winners.

Team results can, therefore, only be calculated when all team members in each phase have been judged.

CT3.4: Ties CT3.4.1: Teams

In the event of a tie for any team placing the fourth rider's penalties will count. Therefore, a team of only three members will be placed below a team of four members, with the same score for the best three riders. In the event of further equality the dressage penalties for all team members shall be added together and the team with the lowest total shall take the higher place. If equality still remains the fastest aggregate time of all team members in the show jumping phase shall be the deciding factor.

CT3.4.2: Individuals

In the event of equality of individuals for any place, then the lowest dressage penalties shall be the deciding factor. If equality still remains the fastest time in the show jumping phase shall be the deciding factor.

CT4: Awards & Numbers to Qualify

See CR Appendix 10. The number of highest placed individual riders qualifying for the Championships will be governed by the number of arenas required (see G8.3).

GR: GRASSROOTS LEAGUE

BRC run a Grassroots League for members that wish to take part in Show Jumping or Dressage at lower levels. There will be two separate leagues, one for show jumping and one for dressage. Classes in show jumping will count towards the league when the starting height is 60cm or 70cm and dressage classes at Intro or Prelim will be counted. The aim of these leagues is to target the real grassroots rider and encourage them to compete.

GR1.1 ELIGIBILITY

GR1.1.1: Horse Eligibility

Dressage – No BD points at any level.

Show jumping – No BE points (foundation or full) No BS club points at 80 or above, no BS full points.

NB. Horses may be downgraded as per G6.2.

GR1.1.2: Riders

No discipline specific affiliated form or to have ridden at a championship in that discipline in the current or previous calendar year. In addition riders must not have ridden at BE 100/ BRC HT100/ BRC Challenge 100 in the current or previous calendar year.

GR1.2: DRESS, SADDLERY AND TACK

See CR Appendix 4, 5, and 6 for the relevant discipline.

GR1.3: SHOW JUMPING

See SJ1 rules in relation to individuals only (note classes do not have to be run over 2 rounds they can be run as one round with a jump off or two phase as per BS rules).

GR1.4: DRESSAGE

See D1 rules in relation to individuals only.

GR1.4.1: Tests

Tests to be any BD test. For Introductory tests, BRC Walk and Trot Test 1 (2014) may also be used.

GR1.5: COMPETITORS

Individuals can compete in both the show jumping and the dressage. Points will be allocated per combination.

GR1.6: THE LEAGUE

The leagues commence on 1st January and closes on 31st October each year.

GR1.6.1: Gaining Points

Points can be gained at any affiliated British Riding Club or Area holding dressage and/ or show jumping classes. Competitors can compete across all Clubs and Areas. It is not necessary to organise any separate shows or classes for riders to gain points. However, a qualifying class for a BRC Championship may not be used to gain points for these leagues.

GR1.6.2: Points

Points will be awarded according to your place in the class for horse and rider combination.

The points will be as follows:

1st place	6 points
2nd place	5 points
3rd place	4 points
4th place	3 points
5th place	2 points
6th place	1 point

GR1.7: SCORE CARDS

Competitors can download and print the record card from the BRC website, this will then need to be taken by the competitor to any participating competition and be signed by the Secretary should the competitor place in the top 6.

It is the competitors' responsibility to download and print the card and produce it at every relevant competition to gain the signature of the Secretary. The Secretary's signature must be completed on the day of competition. Back dating points will not be permitted.

If the card is not filled out correctly, the results will be void. Checks will be carried out by BRC to ensure that the information provided is correct. BRC may contact organisers to provide full results for random checks.

Completed points cards must be returned to BRC Head Office no later than the 7th of the following month. Results on cards received after this time will not count.

GR1.8: TIES

In the event of a tie for any place in either league, the riders will be placed by considering the following:

- lowest number of events
- number of highest placings starting at 1st

GR1.9: AWARDS

Prizes will be awarded for 1st place. Rosettes will be awarded to 10th place. Prizes will be provided in kind.

BRC run Arena Eventing competitions for Junior and Senior competitors as follows:

AE 100, is a mixed class open to senior and junior teams and individuals, teams may be any combination of senior and/or junior. The best three scores to count.

Senior AE 90, for teams of four riders, the best three scores to count and individuals.

Senior AE 80, for teams of four riders, the best three scores to count and individuals.

Junior AE 90, for teams of four riders, the best three scores to count and individuals.

Junior AE 80, for teams of four riders, the best three scores to count and individuals.

AE 70, is a mixed class open to senior and junior teams and individuals, teams may be any combination of senior and/or junior. The best three scores to count.

AE1.1: COMPETITION RULES

AE1.1.1: Show Jumping

The show jumping part of the Arena Eventing competition will be run under the Show Jumping rules set out in section SJ1 unless superseded in this section.

AE1.1.2: Cross-Country

The cross-country part of the Arena Eventing competition will be run under the Horse Trials rules set out in section HT unless superseded in this section.

AE1.2: ELIGIBILITY OF HORSES AND RIDERS

See Appendix 2 & 3 and G6.1 and G6.3.

AE1.3: NUMBERS TO QUALIFY

See Appendix 10.

AE1.4: SADDLERY, TACK AND DRESS

Full details are in Appendices 4, 5, 6 and 7.

AE1.5: THE COURSE

Consists of a course of show jumps immediately followed by cross-country fences, and will finish with the last fence as a show jump, the joker fence, which will be set at a discretionary 10cm higher than the rest of the course. There will be a maximum of 20 jumping efforts, 9 show jumping, 10 XC fences and the joker SJ fence. ***The Joker fence is a compulsory fence and must be jumped, failure to jump before passing through the finish will be classed as an error of course and penalised as per AE1.6.1.*** The course to be built by BE or a BS course builder provided they have been given a copy of the BE document on securing portable fences.

AE1.5.1: Heights

See Appendix 8c, except the joker fence which will be set at a discretionary 10cm higher than the rest of the course.

AE1.5.2: Fences

Show Jumping:

The show jumping fences will:

- be built to BS standards

- have safety cups, to FEI standard on the back and centre of spread fences including practice fences
- black flag alternatives may be used
- offset doubles may be used

Cross-country:

The XC fences:

- will be fixed in accordance with BE guidelines
- will be strongly built with a good ground line and should look imposing
- will have all fences flagged and numbered
- will have any fence at which a pony/horse, in falling, is liable to be trapped or to injure itself, secured by cord in such a way that parts of the fence can be quickly dismantled and rebuilt exactly as before

AE1.6: SCORING

AE1.6.1 Penalties

Jumping penalties will be incurred as follows:

	Show Jump	Cross-Country
First disobedience	4 penalties	20 penalties
Second disobedience at same fence	8 penalties	40 penalties
Third disobedience	Elimination	Elimination
Knock down of obstacle	4 penalties	10 penalties (where top pole is used)
Knock down of Joker fence	6 penalties	N/A
Fall of horse	Elimination	Elimination
Fall of rider	Elimination	Elimination
Second fall of rider	Elimination	Elimination
Every commenced period of 1 second in excess of the optimum time	0.4 penalties	
Every commenced period of 1 second in excess of 5 seconds under the optimum time	0.4 penalties	
Exceeding time limit	Elimination	Elimination
Error of course	Elimination	Elimination
Retaking obstacle already jumped	Elimination	Elimination

AE1.6.2: Time

The Time allowed will be based the class and is found in Appendix 8c. Every commenced period of 1 second in excess of optimum time will be penalised by 0.4 time penalty. **Every commenced period of 1 second in excess of 5 seconds under the optimum time will be penalised by 0.4 time penalty.** The competition is timed as a whole.

AE1.7: SCORING**AE1.7.1: Total Score**

The team total is obtained by adding together the three lowest individual penalty scores per team.

AE1.7.2: Individuals

The individual with the lowest total score will win.

AE1.7.3: Teams

The team total is obtained by adding together the three lowest individual penalty scores per team.

AE1.7.2 Ties

In the event of a tie for any team place in a competition, the score of the fourth rider will be taken into consideration. Therefore, a team of only three members will be placed below a team of four members, with the same score for the best three riders. If there is still equality the total marks for all the riders in the tying teams will be considered in the following order:

- clear rounds take precedence over jumping faults i.e. a rider with 4 time faults would be placed above a rider with 4 jumping faults
- nearest to the optimum time.

In the event of a tie for any place in an individual competition, the riders will be placed by considering their marks in the following order:

- clear rounds take precedence over jumping faults
- nearest to the optimum time.

AE1.8: AWARDS

See Appendix 10.

BE: BE LEAGUES

BRC run in accordance with BE the following leagues. The aim of these leagues is to target members who compete at the higher levels and are no longer able to compete at BRC Championships. The competitions are at the following levels:

- Novice
- Intermediate

BE1.1: ELIGIBILITY

Any member of an affiliated club competing at the above heights with BE.

BE1.2: DRESS, SADDLERY AND TACK

As BE rules.

BE1.3: THE LEAGUE

The leagues will run in accordance with the BE season. There will be two separate sections in each league. One for riders with multiple horses and another for horse and rider combinations. Should a rider be placed 1 – 10 in the multiple horse section, they will be excluded from the combination section.

BE1.4: Gaining Points

The top 15 competitors in each section will be allocated 15 – 1 in points. E.g. a BRC member that is placed second in their section will receive 14 points. If a BRC member came 14th in their section they would gain two points etc.

Any BRC member that completes but is placed lower than 15th in a section shall receive one point.

The points table will be published at regular intervals throughout the season.

BE1.9: AWARDS

There will rosettes and prizes in kind for each section of the leagues. Rosettes will be awarded to 10th place.

BE1.10: TIES

In the event of a tie for any place in any section, the riders will be placed by considering the following:

- lowest number of events (combination)
- lowest number of horses (multiple horse)
- number of highest placings starting at 1st

DRESSAGE & RIDING TESTS (Including dressage phase of Horse Trials and Combined Training)

Hats (Must be worn to at least this standard with a harness properly adjusted and fastened – Skull caps must be worn with a silk). All Hats must be BRC, PC or BE tagged	British	PAS 015: 1998 or 2011 provided they are BSI Kitemarked or Inspec IC Marked VG1 01.040: 2014-12 provided they are BSI Kitemarked or Inspec IC Marked
	European	VG1 01.040: 2014-12 provided they are BSI Kitemarked or Inspec IC Marked
	American	ASTM F1163: 2004a or 04a onwards provided they are SEI marked SNELL E2001 and SNELL E2016
	Australian and New Zealand	AS/NZS 3838: 2006 onwards provided they are SAI global marked
Jodhpurs & Breeches	White, cream or beige breeches or jodhpurs.	
Boots	Long riding boots designed for riding are to be worn. Short riding boots with gaiters of the same leather and colour may be worn. Suede half chaps may be worn providing they are of identical colour to the boots and have no decoration or tassels of any sort.	
Jackets, Shirts & Body Protectors	Jackets <i>or smart fitted waistcoats</i> may be any conservative colours in muted tones; they may not be multi coloured or boldly pinstriped. Subtle pinstripes are permitted, as are colours and contrast piping to collar, lapels, pockets and vents. Service dress is permitted as is a tweed jacket with coloured stock or collar and tie. White stocks, white american collar or white shirts with collar and tie may be worn. Body protectors may be worn – if worn; it should be fitted and worn as per the manufacturers' guidelines. Hybrid Air- jackets and air jackets incorporated into a blouson style jacket are permitted. Plain, dark coloured waterproof coats may be worn in wet weather.	
Hair & Jewellery	Hair must be neatly secured and MUST not hang lower than the shoulder line when standing normally. Any item of jewellery or alternative medical treatment wrist bands must be covered up by clothing or gloves, if they cannot be removed, at the riders own risk.	
Gloves	Gloves must be worn.	
Whips	One whip of any length is permitted for all BRC dressage. Whips must not be used in a way or be of a length that disturbs other riders and may not be picked up if dropped during a test.	
Spurs	The band around the heel must be smooth and spurs must be made of smooth metal, be blunt and be incapable of wounding a horse. Comb, tines and 'spursader' style spurs are not permitted. Spur designs which include necks set to the inside of the heel, roughened/ cutting edges or serrated spurs with or without necks are not permitted. Spurs with smooth rowels not exceeding 1cm are permitted. Spurs must be made of metal, although spurs with a smooth rotating rubber, metal or plastic ball on the shank or 'impulse spurs' are permitted. Dummy spurs are permitted and if there is a shank it must not exceed 3cm for seniors or 2.5cm for juniors; for Horse Trials, spurs must not exceed 4cm. Spurs may only be worn in the traditional manner, with the curve, if any, pointing downwards with the shank pointing to the rear and the end clearly horizontal to the ground or pointing downwards. All spurs are measured from the back of the boot/inside of the spur.	

At the discretion of the Official Steward and judge, competitors may be permitted to ride without jackets or waistcoats in excessively hot weather. An American collar, correctly fastened stock or a suitable shirt that fastens at the neck (not bright or multi- coloured) with a tie must be worn. Short sleeved shirts may be worn at the discretion of the Official Steward and judge.

CR APPENDIX 4: DRESS GUIDELINES - SHOW JUMPING INCLUDING STYLE JUMPING, COMBINED TRAINING AND HORSE TRIALS SHOW JUMPING

SHOW & STYLE JUMPING
(Including show jumping phase of Horse Trials and Combined Training)

Hats (Must be worn to at least this standard with a harness properly adjusted and fastened – Skull caps must be worn with a silk). All Hats must be BRC, PC or BE tagged	British	PAS 015: 1998 or 2011 provided they are BSI Kitemarked or Inspec IC Marked VG1 01.040: 2014-12 provided they are BSI Kitemarked or Inspec IC Marked
	European	VG1 01.040: 2014-12 provided they are BSI Kitemarked or Inspec IC Marked
	America	ASTM F1163: 2004a or 04a onwards provided they are SEI marked SNELL E2001 and SNELL E2016
	Australian and New Zealand	AS/NZS 3838: 2006 onwards provided they are SAI global marked
Jodhpurs & Breeches	White, cream or beige breeches or jodhpurs	
Boots	Long riding boots designed for riding are to be worn. Short riding boots with gaiters of the same leather and colour may be worn. Suede half chaps may be worn providing they are of identical colour to the boots and have no decoration of any sort.	
Jackets, Shirts & Body Protectors	Traditional Style fitted show/hacking jackets in any colour are allowed. Show jumping shirts, white stocks, white American collar or white shirts with collar and tie may be worn. Body protectors may be worn and should be fitted and worn as per the manufacturers' guidelines. Hybrid Air- jackets and air jackets incorporated into a blouson style jacket are permitted. Service Dress is permitted. Plain, dark coloured waterproof coats may be worn in wet weather.	
Hair & Jewellery	Hair must be neatly secured and must not hang lower than the shoulder line when standing normally. Any item of jewellery or alternative medical treatment wrist bands must be covered up by clothing or gloves, if they cannot be removed, at the riders own risk.	
Gloves	Gloves are optional.	
Whips	One whip is permitted and must be between 45cm and 75cm and must not be weighted or with a hard point at the end.	
Spurs	The band around the heel must be smooth and spurs must be made of smooth metal, be blunt and be incapable of wounding a horse. Comb, tines and 'spursader' style spurs are not permitted. Spur designs which include necks set to the inside of the heel, roughened/cutting edges or serrated spurs with or without necks are not permitted. Spurs with smooth rowels not exceeding 1cm are permitted. Spurs must be made of metal, although spurs with a smooth rotating rubber, metal or plastic ball on the shank or 'impulse spurs' are permitted. Dummy spurs are permitted and if there is a shank it must not exceed 3cm for seniors or 2.5cm for juniors; for Horse Trials, spurs must not exceed 4cm. Spurs may only be worn in the traditional manner, with the curve, if any, pointing downwards with the shank pointing to the rear and the end clearly horizontal to the ground or pointing downwards. All spurs are measured from the back of the boot/inside of the spur.	

At the discretion of the Official Steward and judge, competitors may be permitted to ride without jackets in excessively hot weather. An American collar, correctly fastened stock or a suitable shirt that fastens at the neck (not bright or multi-coloured) with a tie must be worn. Short sleeved shirts may be worn at the discretion of the Official Steward and judge.

CR APPENDIX 4: DRESS GUIDELINES - HORSE TRIALS AND FOTH CHALLENGE AND ARENA EVENTING

HORSE TRIALS & FOTH CHALLENGE

Hats (Must be worn to at least this standard with a harness properly adjusted and fastened – Skull caps must be worn with a silk). All Hats must be BRC, PC or BE tagged	British	PAS 015: 1998 or 2011 provided they are BSI Kitemarked or Inspec IC Marked VG1 01.040: 2014-12 provided they are BSI Kitemarked or Inspec IC Marked
	European	VG1 01.040: 2014-12 provided they are BSI Kitemarked or Inspec IC Marked
	America	ASTM F1163: 2004a or 04a onwards provided they are SEI marked SNELL E2001 and SNELL E2016
	Australian and New Zealand	AS/NZS 3838: 2006 onwards provided they are SAI global marked
Jodhpurs & Breeches	White, cream or beige breeches or jodhpurs	
Boots	Long riding boots designed for riding are to be worn. Short riding boots with gaiters of the same leather and colour may be worn. Suede half chaps may be worn providing they are of identical colour to the boots and have no decoration of any sort.	
Jackets, Shirts & Body Protectors	Sweatshirt or shirt. Short sleeved shirts may be worn at the discretion of the organiser. Stocks should be properly tied. A body protector Level 3 2009 or after purple label or a blue 2018 label or after should be fitted and worn as per the manufacturers' guidelines. See also G22.3. Hybrid Air- jackets and air jackets incorporated into a blouson style jacket are permitted. Service Dress is permitted. Exo Body Cages are permitted with a Level 3 2000 purple label.	
Hair & Jewellery	Hair must be neatly secured and must not hang lower than the shoulder line when standing normally. Any item of jewellery or alternative medical treatment wrist bands must be covered up by clothing or gloves, if they cannot be removed, they are worn at the riders own risk.	
Gloves	Gloves are recommended.	
Whips	One whip is permitted and MUST be between 45cm and 75cm and must not be weighted or with a hard point at the end.	
Spurs	The band around the heel must be smooth and spurs must be made of smooth metal, be blunt and be incapable of wounding a horse. Comb, tines and 'spursader' style spurs are not permitted. Spur designs which include necks set to the inside of the heel, roughened/cutting edges or serrated spurs with or without necks are not permitted. Spurs must be made of metal, although spurs with a smooth rotating rubber, metal or plastic ball on the shank or 'impulse spurs' are permitted. Dummy spurs are permitted and if there is a shank it must not exceed 4cm. Spurs may only be worn in the traditional manner, with the curve, if any, pointing downwards with the shank pointing to the rear and the end clearly horizontal to the ground or pointing downwards. All spurs are measured from the back of the boot/inside of the spur and may not exceed 4cm.	
Medical Armbands	Medical armbands are compulsory and must be properly completed with the relevant competitor's details and worn on the arm.	
Watches	Stop watches are permitted in BRC Horse Trials at all levels but are forbidden in any FOTH Challenge and Arena Eventing classes. Competitors are not permitted to take mobile phones onto the course when competing.	

TACK: The following ARE permitted:

- English and continental type saddles
- Preliminary, Novice, Teams of Four and Riding Tests – snaffle bridles only
- Miklem Bridles are allowed as snaffle bridles with permitted bits only at any level
- Elementary and above tests – ordinary snaffle or double bridles
- Nosebands are compulsory (drop, flash, crossed (including grackles) or cavesson) with a snaffle. For double bridles a cavesson noseband only
- Discreet padding of the bridle at the poll or noseband
- Nose nets & Equilibrium Net Relief Riding Masks or similar that are discreet and cover the nose only, leaving the mouth and bit visible
- Breastplates, cruppers and balancing straps
- Neckstraps at any level
- Ear covers and fly hoods are permitted for all competitions, and may also provide noise reduction. Ear covers/fly hoods must not cover the horse's eyes and should be discreet in colour and design.
- A gel pad, memory foam or sheepskin seat saver provided it is unobtrusive and matches the colour of the saddle
- Anti-fly impregnated brow-bands or fly repellent discs
- Numnahs and saddle cloths
- Sponsors logos on clothing (see relevant discipline)
- A stallion disc **MUST** be displayed on each side of a stallions bridle at all times
- Side saddles (Pure Dressage only)
- Diamanté plaiting bands
- Bridle/saddle pad number (if worn, must be shown on both sides)
- Quarter marks, if used, must be simple with no glitter or colouring.

The following ARE NOT permitted:

- Martingales
- Double bridle (except pure Dressage at Elementary and above)
- Bit guards, tongue guards and tongue straps or tying down the horses tongue
- Boots and bandages except in warm up
- Substitutes for conventional shoes, except in warm up
- Elasticated reins
- Side saddles (except pure Dressage)
- Saddle covers
- Market Harborough, side, draw, check or running reins
- Hackamores and other bitless bridles
- Blinkers or hoods
- Ear plugs (Spot checks may be carried out – evidence of use for sound muffling may incur elimination)
- Fine wire, twine or cord around the horse's mouth
- Full faced fly shields
- Sheepskin cheek pieces or any other attachment that may affect the horse's vision.

You may not warm up in equipment not permitted in the actual test except for boots or bandages on the horse.

The following ARE permitted:

- English type saddles
- Hackamores and other bitless bridles
- Micklem bridles with permitted bits
- A stallion disc **MUST** be displayed on each side of a stallions bridle at all times
- Breastplates
- Neckstraps at any level
- Nose nets that are discreet and cover the nose only, leaving the mouth and bit visible
- Leather, sheepskin or similar material may be used on each cheek piece of the bridle providing the material does not exceed 3cms in diameter measured from the horse's cheek
- Only one martingale (standing, Irish or running) standing **MUST** be attached to the cavesson part of the noseband fitted above the bit, running **MUST** have rein stops.
- ***Combination martingales (standing and running in one martingale) are permitted only for pure Show Jumping and Style Jumping***
- More than one noseband may be worn at a time
- Tongue guards that are properly made and detached from the reins and bits
- Bitguards provided that they are made of rubber and are smooth on both sides
- Boots and bandages
- Discreet fly fringes, gauzes
- Ear covers and fly hoods are permitted for all competitions, and may also provide noise reduction. Ear covers/fly hoods must not cover the horse's eyes and should be discreet in colour and design
- Anti-fly impregnated browbands or fly repellent discs
- Numnahs and saddle cloths
- Sponsors logos on clothing (see discipline rules)
- Leather, sheepskin or similar material may be used on each cheek piece of the bridle ***providing the material does not exceed 3cm in diameter measured from the horses cheek (pure SJ and Style only).***

The following ARE NOT permitted:

- Side saddles
- Saddle covers and seat savers, except an unobtrusive saddle coloured gel pad seat saver, unless the rider has dispensation from BRC office
- Market Harborough
- ***Combination Martingales for Horse Trials, Combined Training Show Jumping and Arena Eventing***
- Side, draw, check or running reins
- Blinkers or hoods which impede the horses vision
- Fine wire, twine or cord around the horse's mouth
- Full faced fly shields
- Tongue straps or tying down the horses tongue
- Substitutes for conventional shoes, except in warm up.

TACK:

The following ARE permitted:

- English type saddles
- **A noseband is compulsory**
- More than one noseband may be worn at a time
- Only one martingale (Irish or running) running MUST have rein stops
- Tongue guards that are properly made and detached from the reins and bit
- Hackamores and other bitless bridles
- Micklem Bridles with permitted bits
- A stallion disc MUST be displayed on each side of a stallions bridle at all times
- Nose nets that are discreet and cover the nose only, leaving the mouth and bit visible
- Ear covers and fly hoods are permitted for all competitions, and may also provide noise reduction. Ear covers/fly hoods must not cover the horse's eyes and should be discreet in colour and design
- Fly Fringes
- Bitguards provided that they are made of rubber and are smooth on both sides
- Breastplate
- Neckstraps at any level
- Anti-fly impregnated browbands or fly repellent disc
- Numnahs and saddle cloths
- Boots and bandages
- Sponsors logos on clothing (see discipline rules)
- Medical armbands must be worn on the arm **& filled out with up-to-date information**
- Stopwatches are allowed at all levels of BRC HT but are not permitted in BRC Challenge & Arena Eventing.

The following ARE NOT permitted:

- Side saddles and Racing saddles
- Saddle covers and seat savers, except an unobtrusive saddle coloured gel pad seat saver, unless the rider has dispensation from BRC office
- Market Harborough
- Side, draw, check or running reins
- Standing martingales and **combination martingales**
- Blinkers or hoods which impede the horses vision
- Fine wire, twine or cord around the horse's mouth
- Full faced fly shields
- Sheepskin cheek pieces or any other attachment that may affect the horse's vision
- Tongue strap
- Substitutes for conventional shoes, except in warm up
- Electronic devices or head cams.

Yes = optional

No = not permitted

NOTES: For further details on each item please see Appendices 4 and 5

CR APPENDIX 7: PERMITTED BITS; DRESSAGE ALL TESTS INCLUDING HORSE TRIALS AND COMBINED TRAINING

For Dressage (incl. Horse Trials and Combined Training Dressage) & RT BRC follows BD in their accepted bits. Bits must be used in their manufactured condition without any addition to/on any part.

Please see the BD Approved Tack Guide for a pictorial guide on permitted bits available on the BD website. <https://www.britishdressage.co.uk/rules>

Permitted:

Bits of rubber, nylon or other synthetic materials

A mix of metals in the mouth

Snaffles are permitted for all tests

Double bridles at Elementary and above only

Combinations of mouthpieces may be used with any of the permitted cheeks or rings

Not Permitted:

Bitguards

Mouthpieces less than 10mm in diameter

Rainbow bits

Bitless Bridles or no bit

Double Bridles:

All permitted snaffle bits may be used with the exception of any mouthpiece with full cheeks.

Rigid bits coated in plastic are permissible for a double bridle; however flexible rubber bits are not permitted.

Curbs:

Curbs may have straight or s-shaped cheeks, they may have fixed, rotating or sliding mouthpieces. The lever arm of the curb is limited to 10cm in length (length below the mouthpiece). The upper cheek must not be longer than the lower cheek. The ring of the bradoon bit must not exceed 8cm in diameter. If the curb has a sliding mouthpiece, the lever arm of the curb bit below the mouthpiece should not measure more than 10cm when the mouthpiece is at the uppermost position. The diameter of the mouthpiece of the bradoon and/or curb must be such as not to hurt the horse.

The curb chain (including its cover) may be made of leather, metal, neoprene or rubber or a combination thereof and must be fitted in the conventional way.

BRC Novice Pairs Freestyle to Music	30	20 x 60	6 & 7
BRC Pairs Freestyle to Music	30	20 x 60	6 & 7

The maximum number of riders per arena should be adhered to at all area qualifiers and championships.

The numbers to qualify (relating to 'highest placed individual' per arena) will be based on the number of actual prelim entries being split into the correct number of arenas as per this table.

For the Dressage to Music all tests will be executed in a 20 x 60m arena at the championships. The organiser may use a 20 x 40m arena at the area qualifiers at their discretion.

CR APPENDIX 10A: SUMMARY OF AWARDS AND NUMBERS TO QUALIFY – SENIORS

COMPETITION	NO. TO QUALIFY		AWARDS			
			TEAM		INDIVIDUAL	
	TEAM	IND	AREA	CHAM	AREA	CHAM
Novice Winter Dressage	1 to 20: 1 21 to 30: 2 31 to 40: 3 40 or more : 4	Highest placed rider in each arena not part of the qualifying team	1 to 6	1 to 10	1 to 6 per test	1 to 10 per arena (a)
Intermediate Winter Dressage	1 to 20: 1 21 to 30: 2 31 to 40: 3 40 or more : 4	Highest placed rider in each arena not part of the qualifying team	1 to 6	1 to 10	1 to 6 per test	1 to 10 per arena (a)

Open HT 100+, Open HT 80 & Open Challenge 80	Mixed Class – See Senior Numbers to qualify Appendix 10A					

(a): Plus best overall score calculated mathematically by the Chief Scorer

(b): Additional prize at Championships for best team with all four scores counting

Wild cards may be offered if space permits.

Examples of evaluating overall individual awards

1. Calculate the average percentage score for each arena (for horse trials and combined training only use the dressage penalties) after discarding the highest and lowest score from each arena.
2. Decide which is the best scoring arena (highest average percentage for dressage or riding test, lowest average penalties for horse trials and combined training)
3. Assess the difference between the average of each arena and the average of the best arena
4. Add (or subtract for horse trials and combined training) the difference to/from the score of each competitor in each other arena
5. Now assess the best overall mark

Dressage Example

Arena 1	Average 49%
Arena 2	Average 45%
Arena 3	Average 47%
Arena 4	Average 50%

So, the best marked Arena is Arena 4 at 50%, therefore, we would need to add 1 to Arena 1 competitors scores, 5 to Arena 2 scores and 3 to Arena 3 scores.

Horse Trials / Combined Training Example

Arena 1	Average 35 penalties
Arena 2	Average 32 penalties
Arena 3	Average 37 penalties
Arena 4	Average 33 penalties

So, the best marked Arena is Arena 2 at 32 penalties, therefore, we would need to deduct 3 from the Arena 1 competitors scores, 5 from Arena 3 scores and 1 from Arena 4 scores.

If as a result of these calculations a rider's dressage % is more than 100 or their horse trial penalties is less than 0, the calculation needs to be reversed to take the percentages down or penalties up.

CR APPENDIX 11B: EVALUATING TEAM PENALTIES

For competitions where a team's score is decided by the positions of its team members in their respective arenas.

Once the placings for an arena have been calculated, the team penalties for all team riders in that arena can be worked out.

This is done as follows:-

The individual positions of each team rider in the arena, discounting non team members, are converted to penalties as follows:- 1st = 1 penalty; 2nd = 2 penalties, 3rd = 3 penalties and so on.

Example

Rider Number	Position in Arena	Team Penalties
123	1st	Non Team Member
134	2nd	1
156	3rd	2
132	4th	3
140	5th	Non Team Member
170	6th	4
168	7th	5
157	8th	Non Team Member
180	=9th	6
181	=9th	6
182	11th	8

AREA 1 (Southern Scotland)

Almond Riding Club of West Lothian
 Argyll Riding Club
 Arran Riding Club
 Ayr Riding Club
 Barrhead Riding Club
 Dunedin Combined Training Group
 Edinburgh & District Riding Club

30-Jun	21-Jul	30-Sep	27-Nov	31-Jan	31-Dec	21-Jan	02-Apr	30-May	03-Aug

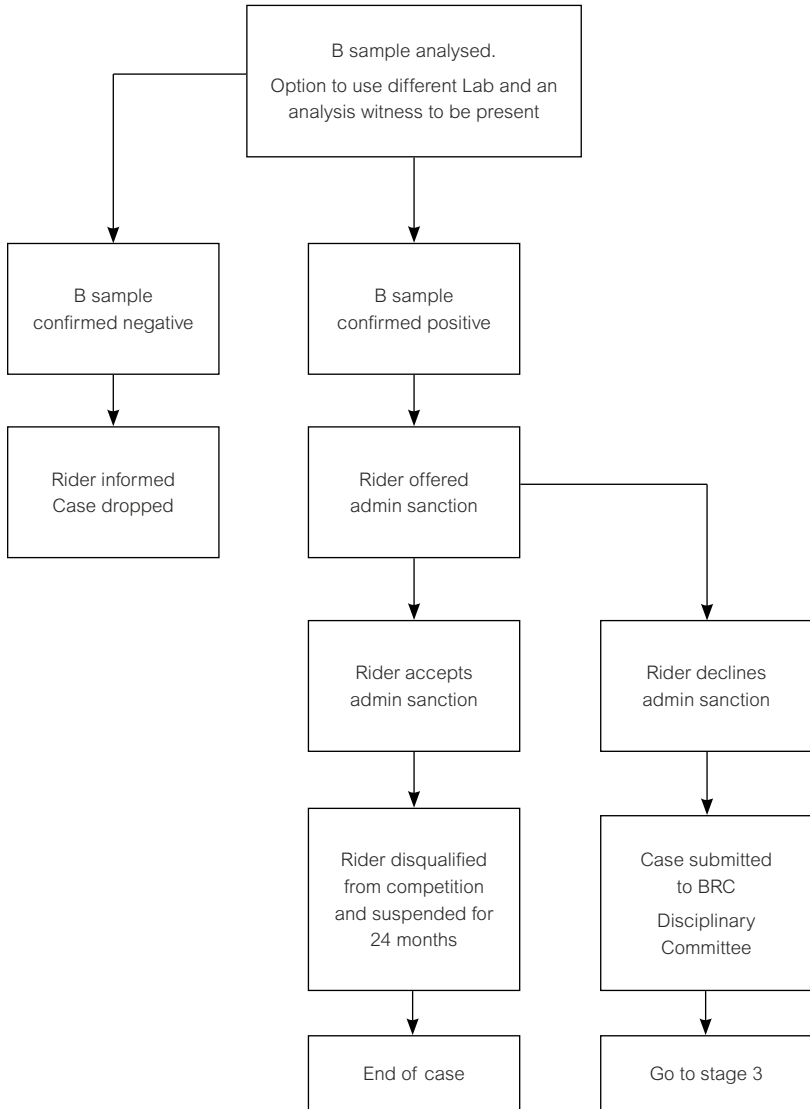

Example above: If the first date in your horse's programme is 1 January, then your second injection must fall within the following dates in the next two columns (shown in light grey). Let's say the second jab was on 22 Jan, which is fine, you must then find that date in the first column again in order to find out when it is permitted to administer the first booster (third injection). In this case it must be given between the two dates shown in dark grey. (If the date of your horse's first jab was on 3 Jan, then the second jab must be given between 24 Jan and 5 April. Third must be given between 23 Jun and 27 Aug).

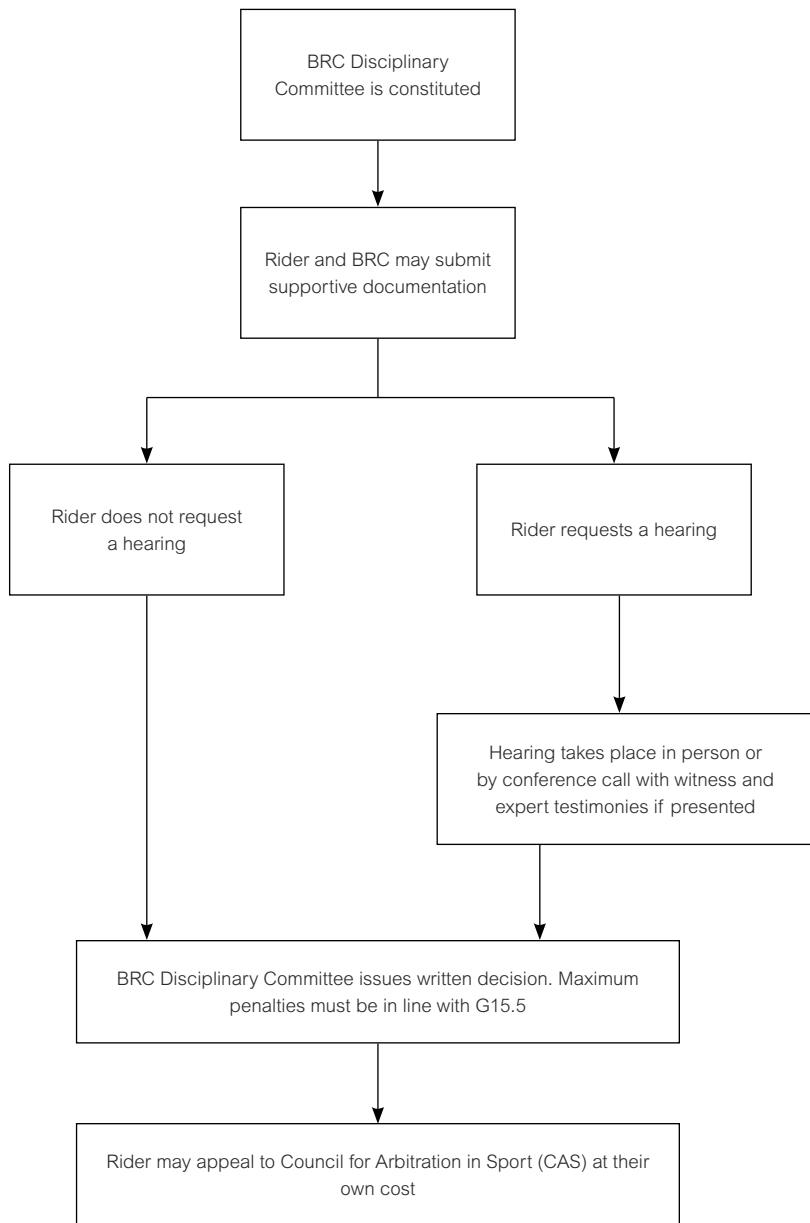

Leap years would be ignored for an annual booster, but for the two primary injections and first booster injections, the days must be counted and therefore a leap year would interfere with the correct number of days between injections. Please take this into account when using the chart. Relevant leap years: 1996, 2000, 2004, 2008, 2012, 2016, 2020.

1: INTRODUCTION

These guidelines have been prepared for Area Reps, Official Stewards and Organisers of all BRC Area qualifying competitions, but they may assist any club officials who have to organise a club event. It is strongly recommended that where a competition is not an official BRC or affiliated competition a specific set of rules are applied and advertised in the event schedule. However, all Health and Safety, medical and vet cover, hats and body protector rules are mandatory for all club activities.

These guidelines should be read in conjunction with the current BRC Competition Rules and, if there is any discrepancy, between them then the BRC Competition Rules will take precedence.

It is recommended that the organiser has a current copy of the relevant rulebook for appropriate competition from the relevant organisation, BD, BE or BS. Copies of which may be obtained through the relevant organisation.

It is also recommended that organisers provide a copy of the current BRC Handbook and the relevant discipline rule book to their judges. Organisers with any specific problems not covered in these guidelines or rules should contact the BRC Competitions Department or their local Area Representative for further advice.

2: ROLE OF THE OFFICIAL STEWARD

The Area Representative is normally the Official Steward, unless they are unable to attend the event, it is their responsibility to nominate a qualified replacement from the BRC Official Stewards list. If there is no Official Steward present, then the Qualifier cannot go ahead, they must be present for the duration of the event.

The Official Stewards responsibilities are as follows:

Before the event:

- support the event secretary
- ensure the organiser has filled out the relevant sections on the Qualifier Report Form
- review the schedule
- advise on the specific competition rules
- ensure that all flu vaccination procedures are complied with
- advise on layouts of the show ground and, in particular, the cross-country course (this may entail a number of site visits)
- ensure that the appropriate medical and veterinary services have been arranged
- ensure that the appropriate judges and officials have been appointed
- ensure that all Health & Safety rules are applied, and that a Health & Safety Adviser is appointed for each event and that they fully understand their duties prior to, during and after the event
- ensure that a risk assessment has been undertaken and documented
- review Serious Incident Plan.

At the event:

- support the event secretary
- ensure that all officials are fully aware of the rules

- check the layout and safety of the event, especially cross-country and show jumping courses
- brief fence judges at cross-country events (this can be delegated to the Chief Cross-Country Steward)
- ensure that radio and other PA equipment is working and that the appropriate officials are on the radio net, especially for cross-country events
- ensure that the appropriate medical and veterinary services are on-site before commencing the event
- ensure that the competition is run in accordance with the rules
- monitor check and agree results
- act as the Disciplinary Steward
- investigate any objections lodged
- head the Serious Incident Team and manage any fatal incidents
- ensure that the welfare of the horse is paramount throughout the event.

After the event:

- **complete the Area Qualifier Report Form**
- confirm all results, sending Results and Declaration Sheets to the BRC Competitions Department immediately after the event and no more than three working days after the event
- forward any supplementary reports (objections, horse fall reports, disciplinary reports etc.) to the BRC Office with the results
- review the event and makes notes on lessons learned and feed back to the Organiser.

The Official Steward should not be directly involved in the judging or running of the event. It is vital that they remain impartial to deal with any complaints or objections received.

The Official Steward has the authority to stop a Qualifier if, for example, the medical cover is insufficient. Their decision is final.

The Official Steward should not advise competitors that they have qualified for a Championship

– an invitation will be sent from the BRC Competitions Department. Incorrect information on the day leads to acute disappointment. Official Stewards will be asked to assist at BRC Championships when required. The Official Steward must have current copies of the following:

- BRC Handbook
- BE Guidelines for Fence Judges
- BS Rule Book
- BD Rule Book
- BE Rule Book
- BE Cross Country Guidelines
- BE Frangible Pin System

Details of all current Official Stewards can be gained from BRC. An Official Stewards and Organisers Check List can be found in ER Appendix 5.

3: GENERAL GUIDANCE FOR ALL COMPETITIONS

3.1: Show Committee

An efficient organiser and secretary can probably do most of the planning work between them; however, on the day it is impossible for them to deal with everything so it's advisable to involve others from the start by forming a small show committee. The committee members can take responsibility for specific elements of the show i.e. entries, finding judges and stewards, catering, car parking, etc.

3.2: Planning

Fix the date in good time, checking for date clashes with other competitions in your area. Plan the event well in advance and in as much detail as you can, for example:

- plan a budget for the event
- produce an outline programme for the day
- keep checklists of services, helpers and officials
- produce an outline timetable for the event (see ER appendix 1) set an entry fee and a close of entries date
- establish a withdrawals process produce an outline schedule
- advertise and distribute schedules to clubs.

3.3: Finances

Preparing the budget for an event is not a difficult task. It provides you with a financial guide as to the feasibility of the event, for the basis to set entry fees, and as a checklist for services etc. required. The budget may include:

Expenditure

Hire of venue

Hire of other equipment (show jumps, dressage markers, PA systems etc.) Officials expenses (judges, course builder, doctors, vets etc.)

Hire of other services (paramedics, horse ambulance, farrier etc.)

Hire of other facilities (toilets, skips, tents etc.)

Catering

Rosettes (where not supplied by BRC)

Printing, postage, telephone calls and signs for publicity

Income

Entry fees, Sponsorship, Programme sales

Advertising in programme

4: GENERAL CONSIDERATIONS FOR ALL COMPETITIONS

The Organiser must provide, and the Official Steward must check, that the following facilities are available on the show ground.

- Parking: adequate parking for horse boxes and trailers, and for spectators' and Officials' cars. Horse boxes and trailers take up a lot of space – competitors rarely park in an orderly manner. Entrances and exits to all parking areas need particular attention in case of wet weather. Where possible the provision of separate parking areas for horse boxes/trailers and cars is an advantage.
- Layout: The show ground needs to be laid out in a manner to provide easy access to all

competition areas, facilities etc. Where possible horses and the public should be kept apart. The show ground should be attractive and convenient, allowing for easy control of the event. Spaces for trade stands, secretary's tent, scoreboards, catering etc need to be considered.

- Toilets: It is essential that there are sufficient toilets for the numbers planned to attend and that they are to a reasonable standard. Consideration must be given for disabled facilities as well.
- PA System: An audible PA system which covers all of the main areas including the horse box park is necessary.
- Scoreboard: The scoreboards must be in a prominent place, not necessarily adjacent to the scorers but within easy reach.
- Medical and Veterinary Cover. As per Section 7.
- Catering: There must be adequate catering for judges, officials, competitors and spectators. If possible try to provide separate catering area for judges and officials.
- Communication: A telephone or radio net is advisable for dressage and show jumping and vital for cross-country events. Key people on the net would include Secretary Official Steward, Vet, Medical Staff, Scorers, Cross-Country Control, Fence Repair Team, and Fence Judges. Access to a telephone for emergencies is essential. A communications plan detailing all radio nets and a list of officials should be produced.
- Timing Equipment: Will be required for show and style jumping. Timing clocks and watches will be required for cross-country events.
- Signposting: All approach routes should be signposted. The AA or RAC will do this for you but they charge and will require two to three months' notice, please check with the local council to ensure that they allow signposting.
- Tractors: If there is a possibility of bad weather it is advisable to have tractors available to tow vehicles in and out.
- GDPR: Ensure that all documents with personal information such as entry forms is disposed of accordingly.

5: JUDGES, OFFICIALS AND STEWARDS

- a. Invite judges and officials as soon as possible and confirm, preferably in writing, the terms of their engagement including the rate of mileage to be paid, if any.

Make sure they know the date of the competition, the time it starts, the duration of the competition (half day or full day), the time you require them to report to the Secretary, the venue (enclose a map if necessary) and what it is they are required to judge (a copy of the test is useful for Dressage and Riding Test judges).

Don't forget to enclose, if required, car passes/lunch tickets etc. and a Rule Book for the relevant discipline. This is particularly important when running Area Qualifiers.

- b. Check whether they charge expenses and/or fees and be prepared to offer the agreed amount on the day of the competition. Enter this into your budget.

- c. Dressage Judges, Style Jumping Judges and Riding Test judges should be asked whether or not they require a writer. Some wish to provide their own, if not, it is the organiser's responsibility to provide them.

Make sure you have enough stewards to cover all your arenas and rings. You will also require a large enough arena party for jumping competitions.

It may be advisable to provide an additional tack steward for certain events.

- d. Ask all judges, officials and stewards to present themselves well before the competition so that writers can be introduced to judges, scoring material can be handed out well in advance together with arena orders and any potential problems solved in advance of the start of the competition. Stewards and arena parties should be briefed at this point.
- e. Look after your judges and officials on the day. Do not over work them. Give them adequate breaks with refreshments. If they enjoy their day, they may volunteer their services for the following year.
- f. Always write and thank all officials and helpers after the event.

5.1: Appointment of Officials

The following officials are necessary for the smooth running of any event. It is essential that all stewards are easily recognised, tabards or high visibility vests are extremely useful.

Dressage and Riding Tests

- Dressage judge
- Riding Test judge
- One writer per judge
- One steward per arena or per two arenas
- Tack Steward
- Chief Scorer
- Scorers (several depending on the number of arenas being run)
- Scoreboard Writer
- Score Sheet Co-ordinator
- Score Sheet Collectors (one for every two arenas)

Show and Style Jumping

- Show jumping judge
- Style jumping judges
- Writer, one per judge for Style Jumping
- Course builder, preferably from the current BS/SJAI Course Builders Panel
- Collecting Ring Steward
- Tack Steward
- Commentator
- Arena party

Cross-country

- Course builder
- Chief Cross-country Steward
- Cross-Country Control (two people minimum)
- Collecting Ring Steward

- Tack Steward
- Cross-Country Starter
- Time Keepers for both start and finish
- Fence Judges, preferably two per fence
- Commentator
- Fence Repair Team
- Refreshment Steward
- Chief Scorer
- Scorers (three people)
- Scoreboard Writer
- Score Sheet Co-ordinator
- Score Sheet Collectors (two to three people)

Other

- Secretary and assistant
- Parking Stewards
- Catering Co-ordinator

6: ADMINISTRATION

The following items should not be overlooked:

- Entry Forms
- Schedule
- Results Sheets and scoreboard
- Competitors Numbers or Bibs
- Tack Guidelines for Tack Stewards (see CR Appendix 5)
- Telephone Book (with details of all show contacts)
- Secretary's Box (with pens, pencils, rulers, calculators, marker pens, sellotape, stapler, scissors, string, rubber bands etc.)
- Safety file

6.1: Programme

A programme may be provided for sale to spectators and competitors. It should give name of club, competitors name and number, name of pony/horse. Columns for writing in scores are appreciated by many spectators. The names of all officials should also be included together with details of any sponsors. Additional space may be devoted to a brief description of the event, details of BRC etc.

It is worth mentioning in the programme the consequences of assisting a competitor (outside assistance). Also provide details of the Championship dates and venue that the event is a qualifier for. Advertisements from local firms, sponsors etc. are a valuable source of additional income. Additional space may be devoted to a brief description of the event, details of BRC etc.

Programmes may contain a disclaimer of liability, suitable wording would be:

“Save for death or personal injury caused by negligence of the organisers or anyone for whom they are in law responsible, neither the organisers of the event, nor the British Horse Society, nor any agent, employee or representative of these bodies accepts any liability for any accident, loss, damage, injury or illness to horses, owners, riders spectators, land

or any other person whatsoever, whether caused by their negligence, breach of contract or in any other way whatsoever.”

The programme MUST contain a Health and Safety Policy Statement, which is provided in Section 9, Health and Safety, of this Guide

6.2: Notes for Commentators

Always provide notes for your commentator that gives details of:

- The event, what it is a qualifier for etc.
- The sponsor and a short description of their business, products etc.
- The BRC Sponsor for the Qualifiers and Championships.
- The consequences of assisting a competitor (outside assistance).
- Any other information that would be helpful to competitors and spectators.

Always ensure that if commentators are announcing scores that they always state that they are provisional scores.

6.3: Starting Times

The timetable for the event should be carefully worked out. Approximate starting times of the competitions (including time for lunch intervals, and other breaks) should be given to each club and to all relevant stewards. Where possible, competitor's times should be supplied to clubs in advance of the event. At Area Qualifiers where more than one discipline is being held, check carefully for clashes of times between rings and arenas, many competitors will enter more than one competition or class.

Competitors taking part in two dressage classes, riding test or style jumping sections on the same day judged by the same judge, should not have access to their judging/score sheets before competing in the second class/section where possible.

6.4: Supplies from BRC

For any Area Qualifying competition BRC will provide the following:

- Entry Forms which can be downloaded from www.britishridingclubs.org.uk

BRC will provide the following items via your Area Representative:

- sufficient scoring materials for each qualifying competition
- sufficient rosettes for each qualifying competition
- notes for Cross-Country Fence Judges (for Horse Trials and FOTH Challenge qualifiers)

NB: Accident and Fall Forms are available to download from the BRC website.

When you receive your box of materials you should open it immediately to ensure that all is correct, any discrepancies must be reported to the BRC Competitions Department. If you require additional materials because you are running additional competitions then these must be purchased from the BHS Shop. Please remember that all scoring materials are copyright and as such must not be photocopied, Official Stewards should report cases where this is being ignored.

A more detailed breakdown of the material provided by BRC can be found in ER Appendix 2. BRC will send by email or post the results sheets (to be handed to the Official Steward) and the breakdown of preliminary entries for that competition approximately two weeks before the qualifying competition.

7: HEALTH AND SAFETY

7.1: Introduction

The detailed requirements of the law on Health and Safety Standards are extensive.

Health and safety at an event is dependent upon the organisers of that event taking reasonable precautions and, just as important, upon those participating in, or attending an event, preventing accidents and abiding by the instructions given by officials and helpers at events.

The Health and Safety at Work Act (HASAW) 1974 places responsibility for safety on every person involved. Although these rules refer to shows, organisers of any event – instructional rides, lectures and demonstrations, training days, barbeques etc. should also be aware of the implications of this Act.

7.2: Health and Safety Standards

Health and Safety Standards and requirements vary enormously from event to event. Whilst at a small event, the requirements may be met relatively easily; the same would not apply at a major event with numerous trade stands, sizeable crowds and contractors on site.

Compliance with Health and Safety Standards is as important during the preparation before an event and the clear-up afterwards as it is during the actual event. We must always remember that our shows are attended by parents with young families, people with dogs, many of whom have no knowledge of horses, or how to behave when close to them.

Organisers, trade stand personnel, contractors and their respective employees as well as those who have, to any extent, control of the premises, or site on which the event is being held, are responsible for ensuring that:

- everything reasonably practicable is done to ensure health, safety and welfare of those attending the event
- they conduct themselves so that they do not put themselves or anyone else at risk
- the access to and egress from the site is safe and unobstructed
- members of the public and competitors are equally responsible for ensuring that they do not put other persons at risk, and that they co-operate with the organisers in complying with health and safety legislation

7.3: Health and Safety Statement

Organisers are required, where there are five or more employees at an event, and advised where there are fewer than five employees, to prepare a policy statement in respect of the overall safety of the event. The policy should include procedures to be followed in an emergency and should be included in the programme, where appropriate.

An example of a statement:

HEALTH and SAFETY POLICY FOR (Name of event)

- 1: The organiser has overall responsibility for Health and Safety.
- 2: The event is organised in accordance with Health and Safety Legislation and all who have, to any extent, control of the premises, or site on which the event are responsible

for ensuring that:

- Everything reasonably practicable is done to ensure health, safety and welfare of those attending the event
- They conduct themselves so that they do not put themselves or anyone else at risk
- The access to and egress from the site is safe and unobstructed.

3: Emergencies

- Emergency services must have access to all parts of the event site at all times and members of the public must not park vehicles so as to obstruct access.
- First aid points are clearly marked.
- In the case of an emergency, members of the public should contact the nearest official or dial 999 on the nearest telephone. Telephones are located at (enter location).

4: Horses

Horses can easily be frightened and can be dangerous. Members of the public are requested to keep clear from horse areas/lanes and to avoid behaviour that might alarm horses.

5: Dogs

Dogs should be kept under close control and on a short lead. The dangerous dogs act now covers private land (Nov 2014).

7.4: Health and Safety Adviser

A competent and knowledgeable person must be appointed as the Safety Adviser for the event, regardless of the size of the event, this should be someone involved with the organisation of the event. The Health and Safety Adviser must attend the event but can delegate specific tasks to appropriate individuals whilst retaining overall responsibility themselves.

Everyone involved with the event, all officials, judges, stewards etc. must know the name of the Safety Adviser and a communication chain must be established between all involved in the organisation and running of the event. All must be fully briefed on their respective health and safety responsibilities and must understand their role in any emergency situations. This information is normally contained in the Event Safety File (see 7.5).

7.5: Event Safety File

Organisers should have an Event Safety File, compiled by the Health and Safety Adviser for all competitions and where appropriate other BRC events.

For small events this will be quite a small document consisting of:

- health and safety policy statement
- emergency telephone numbers
- an event risk assessment
- notes for safety briefing.

For Horse Trials and other larger events the file will consist of the following elements:

- health and safety policy statement (see 7.3)
- event organisation – officials and stewards, timetables
- emergency telephone numbers, including all officials and main stewards mobile numbers

- any special conditions imposed by the land or premises owner
- safety plan including site plans, vehicular routes, emergency meeting points etc.
- safety checklist (see 7.9)
- notes for safety briefing
- communication, including radio procedures and a communications plan
- risk assessment – basic information (i.e. type of event, numbers of competitors, spectators, officials etc., access and exit details, parking areas, signs etc.)
- event risk assessment – detailed information (i.e. the activity, the hazards, risk severity, risk potential and control measures)
- serious incident protocol.

For more information on Event Safety Files please contact BRC Competitions Department.

7.6: Medical and Veterinary Cover

It is the responsibility of the organiser of any equestrian event to ensure that adequate medical and veterinary provision is provided. In order to ascertain what level of cover is required a risk assessment should be carried out which looks at the types of activity taking place, the number of competitors involved, the accessibility of the site, including the ability of the medics and vets to access all areas of the site, and the proximity of the emergency services to the venue. The minimum requirements can be found below. Any deviation from these minimum requirements may affect your insurance cover. For activities where no minimum requirements are stated, it is up to the organiser to use their risk assessment to ascertain what level of cover they feel would be suitable.

7.6.1 Minimum Medical Cover for BRC Events

All events and activities must have undergone a medical and veterinary risk assessment documented to establish appropriate levels and control measures in place prior to the event or activity and must take into account nature and number of persons attending, location environment, and type of activity and proximity of external medical and veterinary services.

(This list is not exhaustive). **Multiple phase events (such as horse trials) should treat each phase separately when establishing medical / veterinary cover.**

Club or Open Show, Dressage, Riding Test	First Aider(s) holding one of the following: 1) FAW Certificated Qualification accredited by Training Organisation Regulator or Voluntary Aid Society 2) BHS first aid course presented by Skillbase and booked through the BHS All first aiders must have a suitable first aid kit. (See Notes)
Club or Open Show, Show & Style Jumping (Includes Working Hunter and Arena Eventing (SJ Phase) Classes	First Aider(s) holding one of the following: 1) FAW Certificated Qualification accredited by Training Organisation Regulator or Voluntary Aid Society 2) BHS first aid course presented by Skillbase and booked through the BHS All first aiders must have a suitable first aid kit. (See Notes)
Cross-Country – Cross- Country Phase	Registered and qualified Paramedic and/or Trauma Trained Doctor plus 4WD ambulance capable of moving a casualty from remote site using approved medical rescue equipment as deemed medically appropriate by attending medical staff.
Horse Trials – Cross-Country in addition to other phases	Registered and qualified Paramedic and/or Trauma Trained Doctor plus 4WD ambulance capable of moving a casualty from remote site using approved medical rescue equipment as deemed medically appropriate by attending medical staff.

7.6.2 Minimum Medical Cover for BRC Area Qualifiers

Dressage & Riding Test	First Aider(s) holding one of the following: 1) FAW Certificated Qualification accredited by Training Organisation Regulator or Voluntary Aid Society 2) BHS first aid course presented by Skillbase and booked through the BHS All first aiders must have a suitable first aid kit. (See Notes)
Show & Style Jumping and Arena Eventing	Registered and Qualified Paramedic and/or Trauma trained Doctor plus ambulance or treatment room/ area.
Cross-Country – Cross- Country Phase	Registered and qualified Paramedic and/or Trauma Trained Doctor plus 4WD ambulance capable of moving a casualty from remote site using approved medical rescue equipment as deemed medically appropriate by attending medical staff.
Horse Trials – Cross-Country in addition to other phases	Registered and qualified Paramedic and/or Trauma Trained Doctor plus 4WD ambulance capable of moving a casualty from remote site using approved medical rescue equipment as deemed medically appropriate by attending medical staff.

Notes:

1. Training Organisation Regulator (Ofqual, SQA or the Welsh Government).
2. Voluntary Aid Societies (St. John's, St Andrew's First Aid or British Red Cross).
3. FAW – First Aid at Work Certificate (3 day initial or 2 day refresher).
4. All events and activities must have undergone a medical and veterinary risk assessment
5. BHS First Aid Certificate presented by Skillbase and booked through the BHS (2 day initial or 1 day refresher) BHS first aid courses are presented by CHS training in Scotland and jointly issued by the BHS and Browne McKee partnership in Ireland.
6. All events and activities must have undergone a medical and veterinary risk assessment documented to establish appropriate levels and control measures in place prior to the event or activity taking into account; nature and number of persons attending, location environment, type of activity and proximity of external medical and veterinary services (This list is not exhaustive).
7. An open show is classed as a competition where non-BRC members are allowed to compete or participate.
8. Useful links: www.skillsforhealth.org.uk www.hse.gov.uk/firstaid HSE Ref L74 (2013).
9. For insurance purposes, any first aiders used must be voluntary (paying expenses is acceptable) or an employee of the Riding Club. If a fee is paid, then the first aider becomes a contractor who would need their own insurance.
10. Any organiser wanting to use a professional with a 'higher qualification' than a FAW / BHS first aid, as the first aider, should contact the BRC office for further details.
11. It is the organiser's responsibility to ensure that the nominated first aider has the relevant qualifications.

7.6.3 Minimum Veterinary Cover for BRC Events

Multiple phase events (such as horse trials) should treat each phase separately when establishing medical / veterinary cover.

Club or Open Dressage & Showing Classes	Vet on Call*
Club or Open Show & Style Jumping & Working Hunter and Arena Eventing	Vet on Call*
Cross-Country – Cross-Country Phase (FOTH / Hunter Trials)	<ul style="list-style-type: none">• Qualified Veterinary Surgeon in attendance on site.• Facility to transport injured horse.• Equipment for humane destruction of a horse and means for removal of the body.
Horse Trials – Cross- Country in addition to other phases	<ul style="list-style-type: none">• Qualified Veterinary Surgeon in attendance on site.• Facility to transport injured horse.• Equipment for humane destruction of a horse and means for removal of the body.• Screens

* If a veterinary surgeon is on call and not in attendance an appropriate risk assessment must be carried out to ascertain the time taken for the vet to arrive on site and whether the vet will be readily available. A direct means of call-out must be in place. The schedule must indicate that the veterinary cover is not in attendance but on call.

An Open Show is classed as a competition where non- BRC members are allowed to compete.

7.6.4 Minimum Veterinary Cover for BRC Area Qualifiers

Dressage	Vet on Call*
Club or Open Show & Style Jumping & Working Hunter and Arena Eventing	Vet on Call*
Cross-Country – Cross-Country Phase (FOTH / Hunter Trials)	<ul style="list-style-type: none"> • Qualified Veterinary Surgeon in attendance on site • Facility to transport injured horse. • Equipment for humane destruction of a horse and means for removal of the body. • Screens
Horse Trials – Cross-Country in addition to other phases	<ul style="list-style-type: none"> • Qualified Veterinary Surgeon in attendance on site. • Facility to transport injured horse. • Equipment for humane destruction of a horse and means for removal of the body. • Screens

If medical & veterinary personnel are deployed to an incident consideration must be given to suspending the event until minimum cover can be re-established prior to the event restarting..

7.6.5 Medical and Veterinary Cover

- The organiser should confirm all bookings for medics and vets in writing.
- The organiser should confirm all final arrangements two weeks prior to the event. A telephone reminder two days prior to the event should act as a final confirmation of attendance.
- The organiser should alert the local accident and emergency department of any forthcoming competition.
- The organiser should provide the doctor, paramedic and first aider with the post code and OS grid reference for the competition venue. These will prove invaluable when advising the county ambulance or air ambulance of the location of the casualty.
- The medical or veterinary cover should not be allowed to leave the competition until 30 minutes after the last horse has finished competing or 30 minutes after the last prize giving if it is a mounted prize giving.
- The organiser should have available the details of the veterinary surgery which will be used in the case of any equine referrals.
- The organiser should have available the details of the person to be contacted in the event of an equine fatality where disposal of the body will be necessary.
- Event schedules must include medical & veterinary provisions that are in place and how

this assistance can be obtained with point of contact for assistance.

- Organisers and Official Stewards must note that the above are minimum requirements and good planning and care may mean that enhanced medical and veterinary cover is more appropriate for the particular event.
- Cost of provision should not be the overriding factor.
- If medical and veterinary personnel are deployed to an incident consideration must be given to suspending the event until minimum cover can be re-established prior to the event restarting.

7.6.6 Falls and Suspensions

Falls – Any competitor who has had a fall or sustains a serious injury anywhere at a BRC competition must see the Doctor / Paramedic, if in attendance and be passed fit to ride before continuing the competition with that pony/horse or before riding another pony/horse. Suitable emergency help should be sought if any doubt exists as to the fitness or injury for a rider to continue.

Suspensions – The Doctor/Paramedic may decide that a competitor should be medically suspended. Any suspension will either be for a specified or unspecified duration and details must be recorded in the rider's medical card and reported to BRC Competitions Department.

In the case of a head injury, or other injury likely to cause concussion, the following applies:

- a) no loss of consciousness and no sign of concussion = No mandatory suspension
- b) no loss of consciousness but with brief symptoms of concussion (symptoms resolving within 15 minutes) = Minimum of seven days mandatory suspension
- c) any loss of consciousness, however brief, or symptoms of concussion persisting after 15 minutes = Minimum 21 days mandatory suspension

The day of injury counts as the first day of the suspension period. If a rider is taken to hospital from an event without having their medical card completed by the doctor, a minimum of 21 days mandatory suspension shall automatically apply.

Once a rider is suspended, they may not compete in any BRC competition until the period of suspension has elapsed AND the rider has written confirmation from a registered medical practitioner that they are fit to compete in events, and this information has been passed to the BRC office.

7.7: Horses and Other Animals

All warm-up areas and routes by which horses move in and out the arena or course should be kept separate or designed to avoid routes used by the public or vehicles. Horses must not be allowed into the trade stand area or the secretary's area.

Dogs should be kept under close control and on a short lead, with an appropriate ID tag. The Dangerous Dogs Act now covers private land (Nov 2014)

7.8: Construction of Rings

It is suggested that rings are made of permanent post and rail fencing where possible or temporary post and rope fencing using either wooden or plastic posts but never metal posts. Rope should be divided into sections and joined by an easily breakable connection so that in the event of a horse or pony running through the rope it will break.

Always provide secure fencing, barrier tape is not sufficient.

7.9: Other Health and Safety Considerations

In order to make these guidelines manageable, other considerations are listed below with appropriate points for checking. If you require a more detailed explanation to any of the following points please contact BRC on 02476 840 518.

- **Alcoholic Refreshments:** licences are required if alcohol is on sale (one months' notice required); must not be sold to under 18's.
- **ATV's and Motorcycles:** remember that ATV's (All Terrain Vehicles) are inherently unstable; only event officials over 17 who have received correct training and hold appropriate licences with no serious convictions should ride/drive these machines. Passengers should not be carried unless the vehicle is designed or adapted for that purpose except in an emergency. Drivers/riders must wear motorcycle helmets to BS536 specification. The vehicles must be roadworthy and maintained in a good condition and are only to be used for purposes directly connected to the event. If they have to travel on or across a public road they must have current motor insurance.
- **Children are not permitted to operate machinery.**
- **Access Routes:** Pedestrian and vehicle access routes to and from the car parks must be safe and clearly signed; if possible, have a one-way system; police should be consulted on traffic problems with public roads.
- **Buildings and Structures:** Adequate lighting; safety of buildings and their contents.
- **Children:** Additional precautions are required to ensure the safety of children.
- **Electricity:** position and routes of overhead and underground electric cables and distribution systems; avoidance of danger from overhead electric lines and metal structures (i.e. flag poles); evidence of recent examination and test certificates for electrical installations; low voltage system trunking and cables; earthing and earth leakage protection; inspection and testing of electrical apparatus; disconnection and removal of temporary installations.
- **Fire Precautions:** the local fire service should be consulted concerning emergency access for their appliances; emergency exits and suitable signs; adequate emergency fire fighting equipment and extinguishers, fire precautions in temporary structures; no smoking areas (stables, grandstands, all enclosed public spaces). Fire extinguishers should be provided in stable and secretarial areas.
- **Food Hygiene:** Caterers must comply with the local Environmental Health Department legislation.
- **Gas (Mains and LPG):** position and routes of mains gas pipelines underneath or near the site; trade stand staff and caterers with LPG appliances must have them examined and tested by a competent person, and stored in a safe position.
- **Generators:** position well clear of tents, straw bales etc. which can easily catch fire. All generators must be correctly earthed.
- **Machinery:** can only be used by competent people who have received the correct training. Loaned equipment must be fully serviceable. Plant and machinery must only be

operated after adequate safety precautions have been taken. Chainsaw operators must be correctly clothed and equipped (PPE). Tow ropes and chains must be of adequate strength and attached to the towing tractor below the axle.

- PA Equipment: this may cause nuisance to households close to the event, care should be taken to keep noise to a minimum.
- Safety Information: Prominently displayed warning notices and signs; first aid sites clearly signed.
- Toilets and Washing Facilities: adequate provision for the expected number of visitors.
- Vehicles: provide sufficient parking for visitors' cars and horse boxes/trailers; limit the number of vehicles that can move around the site. It is advisable to have an officials car park.

Depending on the size of the event it is always advisable to notify the police, fire service, ambulance, including air ambulance (who will need the OS Grid Reference) and local hospitals.

7.10 Reporting of Injuries and Dangerous Occurrences (Oct 2013) to HSE and BRC

- There are certain incidents which you are required to report to the Health and Safety Executive.
- For England, Wales and Scotland, the Reporting of Injuries, Diseases and Dangerous Occurrences Regulations 2013 apply. A report can be submitted online here: <http://www.hse.gov.uk/riddor/report.htm>
- For Northern Ireland the the Reporting of Injuries, Diseases and Dangerous Occurrences Regulations 1997 apply. A report can be submitted online here: <http://www.hseni.gov.uk/contact-us/report-an-incident.htm>
- BRC have been advised that the incidents which must be reported are as follows:
 - Accidents to members of the public or others who are 'not at work' must be reported if they result in any injury and the person is taken directly from the scene of the accident to hospital for treatment to that injury. Examinations and diagnostic tests do not constitute 'treatment' in such circumstances.
 - Injuries by an animal are reportable if the person is taken straight to hospital for treatment.
 - Other sporting injuries are not reportable if the injury arose out of the normal participation of the activity. Injuries should be reported if they were due to defective equipment or failings in the organisation and management of an event.
 - Once an incident has been reported, you will receive a reference number as confirmation. This should be submitted to the BRC as part of the follow-up paperwork, and also kept for your records.

British Riding Clubs must also be notified of any RIDDOR reportable incidents on 02476 840518.

It is recommended that any incident/accident or dangerous occurrence outside of the reportable incidents be documented at the time in order that if future reference is required an accurate record is available. Such records must be retained for three years from the

date of incident. If involving a fatality or young person 17 years or under reports are kept indefinitely.

A written record should be made using HSE approved accident book and BRC Horse Fall reports/accident reports forms and include written statements if appropriate and contact details for those involved including any witnesses.

Ensure that accident and incident forms are filled out and sent to BRC office.

REMEMBER: the event organiser is ultimately responsible for the Health and Safety of all those who attend an event and all reasonable precautions must be taken to ensure this. If the aforementioned points are considered and sensible steps taken to prevent accidents it is unlikely that you will encounter problems.

An Environment Health Officer may close the event at any time if they are dissatisfied with the way it is being run.

7.11: Risk Assessments

Every Area Qualifier will have a risk assessment undertaken regardless of the type of event. It will normally be the responsibility of the Health and Safety Adviser (see section 7.4) but the Official Steward may be asked for advice on the completion of the assessment. The risk assessment will normally be contained in the Event Safety File (see section 7.5).

The Official Steward must ensure that:

- a competent and knowledgeable person has been appointed as the Health & Safety Adviser for the event, regardless of the size of the event, this should be someone involved with the organisation of the event.
- a risk assessment has been undertaken in line with normal procedures.
- the Health and Safety Adviser attends the event (they may delegate specific tasks to appropriate individuals whilst retaining overall responsibility themselves).
- everyone involved with the event, all officials, judges, stewards etc. are fully briefed on their respective health and safety responsibilities and that they understand their role in any emergency situations, this briefing should be done by the Health and Safety Adviser or suitably nominated official.
- the organisers have an Event Safety File.

An example Risk Assessment can be found on the BRC website downloads page.

8: SERIOUS INCIDENT PROTOCOL

8.1: Handling Rider Fatalities

The Official Steward is in charge and should hand over the responsibility for the continued running of the event to a pre-nominated Assistant Official Steward.

8.2: Official Stewards Responsibilities

The Official Steward's continuing responsibilities for dealing with a Rider Fatality are: – The Official Steward should immediately inform:

- The Event Organiser and/or Venue Manager/Owner
- The Police

The Serious Incident Team (SIT)

It maybe that some or all of the above are already aware but it is better they are told twice than not at all. Remember that transmitting and receiving radio or mobile phone calls can easily be overheard – therefore, to avoid sensitive messages being compromised, volume controls should be sensibly set and crowded conditions avoided. Alternatively you may consider introducing code words for security reasons and to prevent misunderstanding which MUST be known by all members of the SIT.

- The Official Steward must ensure that key witnesses are identified and that they remain at the site of the incident or nearby and are available to make statements to the Police or Health & Safety Executive (HSE). They should be encouraged not to start formulating opinions on what happened as this can contaminate verbal accounts when overheard by other witnesses. Instead they should be asked to make notes of their recollection. These notes should be made available to the Police on request.
- The police will notify the next of kin of the fatality once confirmed by the attending doctor.

If the casualty has not been pronounced life extinct they should be told that the casualty has been taken to hospital with serious injuries. At all times any information relating to the casualty next of kin must be passed onto the police. The police may well appoint an officer to act as a Family Liaison Officer (FLO). It is worth considering asking the police to be present when the next of kin are informed. In the event of the next of kin not being present the police should be asked to take responsibility for tracing them as they will have the resources to do this away from the event.

- It is more likely that the casualty will be taken to hospital and pronounced dead on arrival, or soon after. In this case, consideration must be given to send a responsible person (Area Representative or Area Committee Member or Club Official) to accompany the family if necessary to the hospital and act as a point of contact and to report back to the Official Steward.
- Removal of deceased person can only be authorised by the HM Coroner, however this will not stop medical teams transferring potential deceased to ambulance for life extinct assessment under the control of the senior medical official present.
- The Official Steward should liaise closely with all attending medical personnel and other event officials to maintain control of information and welfare issues. All Medical personnel will have to make statements to the police, especially the doctor and senior paramedic.
- The casualty's club Chef d'Equipe or a Club Official should be utilised to help arrange support for family and fellow club members affected by the incident. They can also arrange for the casualty's horse, vehicle etc. to be looked after if appropriate.
- Remember that different people will react to this incident in different ways. Some may become irrational or hysterical and none should be allowed to drive home unescorted. It should also be borne in mind that others involved may react and suffer from shock. This includes you.
- The Official Steward should arrange for the fence judges or any other stewards, officials where the incident occurred to be replaced and taken care of, if necessary medical advice should be considered.

- As per FEI and BE policy the fence where the incident took place should be taken out of the competition with no criticism implied against the event. The Police may well insist on this as part of their investigation.

8.3: Dealing with the Press & Media

- There will be an enormous amount of pressure and information on the Official Steward as the incident picks up momentum. The Official Steward should try and take time out to consider how things are developing and what course of action is appropriate. Consider directing someone to start a log of actions taken and decisions carried out. This could be invaluable later on in the investigation process. One area that will quickly develop and should not be ignored is the presence of the press and general media interest.
- The Official Steward should appoint someone to deal with the press, this is something that can be agreed as part of the event planning and included within the SIP. It is suggested that you appoint a Press Liaison Officer such as a serving or retired police officer or media spokesperson to deal with the press. The Official Steward must maintain control of what is being released and why. The press may well attend or already be present at the event and have access to instant broadcasting.
- The Official Steward should brief all key event staff on what to do if approached and that they should make no comment but refer the media to the Official Steward or dedicated Press Liaison Officer. This should form part of your briefing to all Stewards, Secretary and Judges prior to the event.
- Releasing details of Casualty to the press must be discussed with the police and any next of kin present at the event. Reporters may well find this information out from other sources but it should not be confirmed or denied until sanctioned by the Official Steward in consultation with the police.
- The following format for press release is suggested. It will generally be accepted by the press/media that:

“A rider suffered a fatal injury but no further information will be released until the next of kin have been informed. British Riding Clubs are currently working with the Police and the HSE in trying to establish what has happened”.

In addition to the above, or in place of it, the following should be briefed to the press. The information should be released at a pre-arranged time and place so as to avoid duplication. Again consultation with the Police is essential. They should be requested to attend with you at the press conference.

“It is with the deepest regret that we announce that Mr/Mrs/Miss/Ms
 (First Name) (Surname)
 died as a result of a fatal incident whilst competing at
 (Type of Event) (Venue)
 The incident took place at about am/pm today
 the (Date)
 (First Name) was aged
 From (Home Town) 's.
 (First Name) horse, (Horse's Name), a
 (Age) year old gelding/mare/stallion.”

Do not pre-judge any police findings or apportion any blame on rider / horse or third party. If asked as to liability then reference should be made to:

“British Riding Clubs will be working with the Police and/or HSE to establish how this tragic incident occurred. It would not be appropriate to comment on any cause before an HM Coroners Inquest.”

“No further details are available at this time but we will of course update you as and when we can.”

Pre-write your press release and if possible voice record all dealings with the media. Do not be drawn into “Off the record remarks” or speculation. A typed press release can be very useful as many press agencies will request by phone any information available; this can then be faxed or emailed. Do not be afraid of asking reporters to produce their press cards and note down who you have spoken to.

Press conferences should be held away from public gaze and away from where the incident occurred. Requests to photograph the scene should be allowed only after consultation with the police. If allowed the area should be sanitised of any discarded medical or police scene material. If contaminated with body fluid then decline request. Photographs of dead horses under covers should be avoided. The police can provide assistance if the press start to trespass in order to gain photographs.

Social Media – prior to event brief event officials, stewards and helpers against negative or speculative use of social media during serious incidents or accidents.

8.4 Assisting Police & HSE

It is important that the Official Steward ensures that the police recognise that they are an experienced and well informed official. If you have competed at a high level or been an event organiser for several years or an experienced judge/official tell them so and make the point that you are in a position of authority.

The Official Steward should be available to liaise with the Police’s Senior Investigating Officer (SIO) and must agree any information that is likely to enter the public domain either via the press or other means.

If the Health & Safety Executive did not attend they must be informed within 24 hours of the incident. The HM Coroner will be notified by the police but it is good practice to contact the Coroner’s Officer to introduce yourself and provide contact details.

8.5: Liaison with BRC

The Official Steward should as soon as possible contact the following British Riding Club Officials:

- BRC Number 02476 840518

An out of hour’s number has been made available to all Area Reps and Official Stewards.

8.6 Action by BRC

BRC should appoint a board of enquiry to assist and support the Official Steward in the forthcoming investigation. If practical a neighbouring area Official Steward should attend to back up the Official Steward at the event. This will of course be subject to distance and availability. If this cannot be done in person telephone support should be considered.

The Head of BRC will arrange for the Insurers to be notified along with the relevant sections within the British Horse Society.

The Official Steward must confirm before leaving the site that they are fully in possession of relevant facts about the competition and any documents/site plans/ course plans not seized by the police are collected and retained by them. They should be in possession of fence dimensions and if possible a photograph of the scene. Entry forms, declaration sheets along with Accident Forms, and the completed Accident Book should also be retained. This will make making a statement at a later date a lot more accurate.

8.7: Handling Horse Fatalities

The Official Steward is in charge and should hand over the responsibility for the continued running of the event to a pre-nominated Assistant Official Steward. The protocol for handling Rider Fatalities should be followed as well as the following additional information.

Official Steward should immediately inform:

The Event Organiser and/or Venue Manager/owner
The Serious Incident Team
Senior Attending Veterinary Surgeon.

It maybe that some or all of the above are already aware but it is better they are told twice than not at all. Remember that transmitting and receiving radio or mobile phone calls can always be overheard – therefore, to avoid sensitive messages being compromised, volume controls should be sensibly set and crowded conditions avoided. Alternatively you may consider introducing code words for security reasons and to prevent misunderstanding which MUST be known by all members of the Serious Incident Team (SIT).

- Official Steward must ensure that any key witnesses are identified and that they remain at the scene or nearby. In conjunction with the attending vet, the Official Steward must conduct an immediate a thorough enquiry, establishing the cause of the incident and death.
- Official Steward must confirm that the rider, unless known to be seriously injured or receiving immediate medical attention, be informed that the horse has been confirmed as deceased by the attending vet. Every effort must be made to trace the horse owner, Club
- Chef d'Equipe or Club Official in order that they can be advised as well or instead of the rider.
- Arrangements should have been made prior to the event, and documented in the Serious Incident Plan (SIP), for handling and subsequent removal of remains and for the final disposal of the carcass. Every effort should be made to establish the owner's wishes and where possible co-operate with their wishes. However, carcass should not be left in situ. Suggested equipment on hand:

Horse Ambulance
Winch
Tarpaulin
Personal Protective Equipment for personnel dealing with remains.
Lifting Equipment (Tractor Front Loader or Telehandler)
Tractor

The carcass should be moved to a pre-arranged temporary store area.

- The Official Steward should ask the Vet to provide a death certificate in case the owner requires one for insurance purposes. In some circumstances the owner/vet may wish a post mortem examination to establish the cause of death. In order not to further distress the owner, they should not be asked to pay any charges incurred in the removal/disposal of the carcass. On production of a written quote/invoice the Area will be reimbursed by British Riding Clubs Head Office.

8.8: Press & Media, Liaison with BRC and Action by BRC

The protocol for handling Rider Fatalities should be followed.

8.9: Serious Incident Plan

Producing a Serious Incident Plan has three main benefits:

1. Identifies risks or potential risks.
2. Identifies what measures need to be put in place for the protection and well-being of competitors, members of the public, volunteers, officials and contractors.
3. Identifies the roles and responsibilities of individuals, groups or organisations.

Remember when formulating your plan to do so in consultation with other members of your event team and any other groups or individuals that have a role to play regarding the safety and control of the public.

Keep the plan simple and to the point, but most of all user friendly. When the plan is complete, it is essential to brief all of those involved in implementing it. They must fully understand their roles and responsibilities. Remember no one has time to read a plan when an incident occurs.

Remember to familiarise yourself with the following when considering your plan:

- Insurance Cover and requirements (Public Liability)
- Legislation such as Health & Safety, Food Preparation, Fire Regulations
- Local Authority Guidelines and requirements
- BRC Handbook
- BRC Datasheets.

Your plan should not only include the event itself but also the preparation, execution and clear-up phases when the SIT is on site. These can be broken down and identified using either direct reference or phase titles A, B, C or 1, 2, 3 etc.

Other factors must also be planned for and suitable protocols produced:

- non-competitor fatality, serious injury or sudden illness and the affect using any medical services on site will have on the continued running of your event
- adverse weather or other natural disasters
- incident outside your event – Road Traffic Accident closing local roads
- protesters either at event or outside of event
- criminal activity at the event
- cancellation or postponement
- key management or officials no longer available
- receiving outside emergency assistance

- helicopter and Air Ambulance reception
- media relations
- aggressive competitors or incidents of assault etc.
- reporting of accidents and incidents see Section 7.9 of the Guide
- accident Investigation and documentation

Serious Incident Team – decide who should be in this group and ensure they know their role and responsibilities. The SIT should be led by the Official Steward and it would be normal for the following to also be included as a minimum:

- the event secretary or organiser
- a representative from the medical team the vet the Health & Safety Adviser the Press Liaison Officer.

The venue owner may need to be included. Remember that there may be expertise available from within the host club or the area – police officers, paramedics, other emergency services personnel etc. that are used to managing such incidents.

Set up robust communication for this team and coded response messages to prevent unnecessary disclosure of information leading to compromise, remember that radio and mobile phone calls can be overheard by third parties.

The plan should be both proactive and reactive, they should also be achievable and within the capabilities of those involved. Break down key actions to agreed protocols.

There is no generic contingency or serious incident plan that can be supplied “off the shelf” that will fit every event but basic planning will assist you the next time you come to run an event.

An example Serious Incident Plan can be found in ER Appendix 3.

9: GUIDANCE REGARDING DISABLED VISITORS TO EVENTS

9.1 The Equality Act

The Equality Act became law in October, 2010. It replaced previous legislation (such as the Race Relations Act 1976 and the Disability Discrimination Act 1995) and provides a legal framework to protect the rights of individuals, and advance equality of opportunity for all.

The Equality Act 2010 outlines the following:

Discrimination is defined as ‘Where a disabled person is treated less favourably than an able bodied person as a result of their disability, or is subject to a substantial disadvantage in accessing premises, services or events’.

Discrimination may not necessarily be unlawful if the actions taken are proportionate in achieving a legitimate objective, such as maintaining health and safety. However, reasonable adjustments to your standard policies and arrangements should be made to accommodate the needs of people with disabilities. This means anticipating their needs in advance when arranging events and also responding reasonably on the day to requests for adjustments to policies or practices or for additional assistance.

9.2 Organiser Considerations

With this in mind, the following steps should be considered by Organisers, in order to accommodate disabled visitors to events:

- A designated disabled parking area, clearly marked and as close to the main areas of the event as possible
- Designated disabled toilets, easily accessible and clearly marked on any site maps
- Designated viewing areas for any dressage or SJ phases, which are accessible to wheelchair users and other mobility vehicles / aids
- Include the above considerations in your event planning and risk assessments and health & safety documentation
- Refer to the use of all-terrain vehicles (ATV's) in any health and safety guidance
- It is common practice for equine events to stipulate that ATV's or motorcycles are not allowed. However, consideration should be given to identifying a suitable area where disabled visitors using ATV's or wheelchairs can access and view
- It is usual for events to stipulate that ATVs are not allowed on the XC course. However, consideration should be given to identifying a suitable viewing point that disabled visitors using ATVs or wheelchairs can access, in order to view some of the course.
- If ATV's are allowed on some or all of the XC course, this must be documented in the event risk assessment to ensure the drivers of those ATV's are provided with route maps giving safe areas for them to travel.

The following statements can be helpful if posted at the event in the Secretary's or disabled parking areas:

Visitors with mobility restrictions should contact the secretary's office for information and assistance regarding accessibility at this event, including access to the cross country course.

For safety reasons, no motorised vehicles including ATV's are permitted on the cross country course other than officials vehicles. Visitors with mobility restrictions who would otherwise use motorised vehicles should contact the secretary's office for information and assistance. Where possible, alternative arrangements will be made for you to access the cross country course. [Indicate any viewing areas in which ATVs are permitted]

- <https://www.equalityhumanrights.com/en/equality-act-2010/what-equality-act>
- Datasheet DS19 – Carrying out a Risk Assessment
- Datasheet DS34 – Role of an Event Organiser
- BRC Handbook – Event Rules and Regulations

10: DRESSAGE COMPETITIONS

10.1: Judges

All dressage judges must be current members of the BD or DI Judges Panel. See also D1 Dressage Rules.

10.2: Layout

The dressage arenas must be on level ground, whilst it need not be flat, a gradual fall

is acceptable, and it must not have humps and bumps. Always ensure that each arena is free of man-hole covers, drains, stand pipes etc.; they may not be visible so walk the whole area carefully.

The going should be “good” with adequate grass cover, short grass is not always safe and it can be slippery.

The arenas, either 20m x 40m or 20m x 60m must be properly erected with markers correctly positioned as per Appendix 4. There should be sufficient space between the arenas, adjacent arenas should be a minimum of 5m apart and preferably 10m, and they should be positioned well away from disturbance from external sources. Make sure that they are not positioned next to a hedge which may be next to cattle, next to a road etc.

The arena should be marked either by:

- a continuous surround or white boards,
- intermittent white boards placed at each corner and opposite each marker
- painted white lines on the ground with white posts 90cm high in the corners of the arena.

The outer markers must be clearly visible with the letters displayed in either black or white and may be placed up to 50cm from the edge of the arena. Pegs not less than 30cm and no more than 60cm may be placed next to the arena boards with no more than 15cm showing above them, opposite each outside marker. When the arena is delineated only by a white line the pegs must be placed 15cm outside this line. A gap of one metre each side of the centre line must be left at A to form an entrance and the A marker placed far enough back (10 metres) to allow the horse to enter the arena on a straight track. When the arena is marked by white lines only two posts should be placed one metre each side of the centre line at A to mark the entrance.

It is also important to provide a level exercising area where competitors can warm-up without interfering with any part of the competition. This area must be of a suitable size for the numbers of entries in the competition.

10.3: Equipment

The following equipment will be required for each arena:

- a suitable vehicle or building for each judge and writer, this will need to be centred opposite the centre line and its front should be approximately 5m from the arena at ‘C’ where possible
- a bell, whistle or car horn (ensure that they are varied if arenas are close to one another)
- stop watch or watch to time any resistance of pony or horse
- clipboard and pen for the writer
- sufficient quantity of the relevant judges score sheets
- lists of competitors and their times for that arena for the judge, tack steward, arena steward etc.

10.4: Number of Arenas

In the BRC Competition Rules section there is a guide to the maximum number of competitors that a judge may reasonably be asked to judge, working on the recommended limit of four hours judging, which should include a break of at least 30 minutes. You should not exceed the numbers stated without prior discussion with the judge.

10.5: Allocation of Arenas

The number of arenas used should reflect the number of tests specified in the competition. For example the Senior Open Dressage uses four tests and one member from each team rides one test therefore four arenas are required.

Four arenas should be used where possible, unless you have a large number of entries. For example if the maximum number of riders is 32 for Novice 21 and you have 40 entries, then if 20 of these riders are in teams, they should run in one arena with the other 20 individuals in the second arena. This should only happen when you exceed the maximum number of riders.

You will receive rosettes and result sheets for the minimum number of arenas to be used for qualifiers. If you use more arenas than necessary, it will affect qualifications to the Championships. If you are unclear on how many arenas to use please contact the BRC Competitions Department.

10.6: Competitors Times

Competitor's times should be allocated using the information in CR Appendix 9. Where the interval is shown as being six and seven minutes, competitors times should be calculated accordingly i.e. 0900, 0907, 0913, 0920, 0926 etc.; where the interval is shown as seven minutes the times would be 0900, 0907, 0914, 0921 etc.

10.7: Order of Starting

There should be a drawn order for all Qualifying competitions. Where possible, members of the same team should not perform their tests at the same time, thus allowing supporters, team managers and other team members the chance to watch each individual i.e. Team Member one at 0900, Team Member two at 0930 etc.

11: RIDING TEST COMPETITIONS

11.1 Judges

Judges must be a current Accredited Professional Coach with BHS Stage 3 Coach in Complete Horsemanship or above, a BD judge or a judge found on the former Panel of Riding Test Judges may be used.

Judging guidelines can be obtained from BRC.

11.2 Layout

The requirements for Riding Test arenas are exactly the same as for dressage arenas see 9: Dressage.

11.3 Equipment

The following equipment will be required for each arena:

- a suitable vehicle or building for each judge and writer, this will need to be centred opposite the centre line and its front should be approximately five metres from the arena at "C"
- a bell, whistle or car horn (ensure that they are varied if arenas are close to one another)
- stop watch or watch to time any resistance of pony or horse
- board and pen for the writer
- sufficient quantity of the relevant judges score sheets

- lists of competitors and their times for that arena for the judge, tack steward, arena steward etc.

11.4 Number of Arenas

In the BRC Competition Rules section there is a guide to the maximum number of competitors that a judge may reasonably be asked to judge, working on the recommended limit of four hours judging, which should include a break of at least 30 minutes. You should not exceed the numbers stated without prior discussion with the judge.

11.5 Rosettes and Score Sheets

You will receive rosettes and result sheets for the minimum number of arenas to be used for qualifiers. If you use more arenas than necessary the numbers to qualify will be recalculated in accordance with BRC rules pertaining to the numbers to qualify. If you are unclear on how many arenas to use please contact the BRC Competitions Department.

11.6 Competitors Times

Competitor's times should be allocated using the information in CR Appendix 9. Where the interval is shown as being six and seven minutes, competitors times should be calculated accordingly i.e. 0900, 0907, 0913, 0920, 0926 etc.; where the interval is shown as seven and

11.7 Order of Starting

There should be a drawn order for all Qualifying competitions. Where possible, members of the same team should not perform their tests at the same time, thus allowing supporters, team managers and other team members the chance to watch each individual i.e. Team Member one at 0900, Team Member two at 0930 etc.

12: SHOW JUMPING COMPETITIONS

12.1: Judges and Course Builders

There should be two Show Jumping judges at least one of whom must be a current member of the BS or SJA I Panel of Judges. A separate time judge could be appointed. A writer may also be required; this should be confirmed with the judges prior to the competition. It is highly desirable that the course builder is a current member of the BS or SJA I Course Builders Panel. For BS judges and course builders see the BS website. <http://www.britishshowjumping.co.uk/page/Officials>

12.2: Layout

The arenas should be a roped arena about 60m x 80m or larger if possible. Use the flattest ground available. The ring should be roped and staked with the facility to close the entrance/ exit during the round. Always ensure that each arena is free of man-hole covers, drains, stand pipes etc.; they may not be visible so walk the whole area carefully.

The course should be designed to provide for a flowing performance, sharp turns and abrupt changes of direction should be avoided and it is undesirable to have too many changes of direction in the course.

The course will consist of a designated number of fences, details can be found in the BRC Handbook that is to BS or SJA I standard or above. A proportion of the fences should be built with fillers e.g. hanging fillers, brushes etc.

Fences should be a mixture of true upright fences, spreads and triple bars. They should

not be the same height and spread throughout the course but should vary. Dimensions must remain within the specifications for the class.

The top pole of any fence must be wooden.

Fences should not be less than **2m** wide and may be painted in any colour. They should be numbered with numbers on the right of the fence. The first fence should be an inviting one.

Distance in doubles should be those for horses as described in the BS Rule Book. Safety cups, to FEI standard, must be used on the back and centre of spread fences including all Working Hunter jumps/courses and practice fences.

The second round course may be raised and/or altered at the discretion of the judge and the Official Steward. The start and finish line must be a minimum of 6m and a maximum of 25m from the first/last fence. The start and finish lines must be defined by two flags or markers.

The length of the course should be measured and the Time Allowed and Time Limit calculated. A course plan indicating the course track, time allowed, time limit and jump off course must be displayed in the collecting ring at least 30 minutes before the start of the competition. An identical plan must be provided to the judge. A dotted line on the plan indicates an optional track that may be followed or left without penalty. A full line indicates a mandatory track that must be followed.

There must be a minimum of two practice fences in the collecting ring, one upright and one spread which must be flagged with red and white flags or wing tops to denote the direction in which the fences are to be jumped. The collecting ring should be fenced to provide a safe enclosed area.

The course must be ready for inspection by competitors at a reasonable time before the start of the competition and after the judges' agreement to the course.

12.3: Equipment

The following equipment will be required for each arena:

- judges box with chairs and table if possible
- a bell, whistle or horn (ensure that they are varied if rings are close to one another)
- electronic timing with stop watch as a back up
- clipboard and pen for the writer
- sufficient quantity of the relevant judges score sheets
- collecting ring steward with white board and pen for displaying competitor numbers
- lists of competitors and their starting times for the judge, tack steward, collecting ring steward etc.
- sufficient spare pole and wings in case of breakages

12.4: Competitors Times

Competitor's times should be allocated at two minute intervals.

12.5: Order of Starting

There should be a drawn order for all Qualifying competitions. Ideally, the first team member in each team jumps, followed by the second in each team, then the third in each team and finally the fourth. In certain cases, with the Official Stewards consent, to ease scoring, each team members may jump one after the other.

Individuals may be scheduled to jump whenever convenient.

13: STYLE JUMPING COMPETITION

13.1: Judges and Course Builders

There must be a judge who must be a current Accredited Professional Coach with BHS Stage 3 Coach in Complete Horsemanship or above or a judge found on the former Panel of Style Jumping Judges may be used.

Judging guidelines can be obtained from BRC. A separate time judge should be appointed. It is highly desirable, but not essential, that the course builder is a current member of the BS Course Builders Panel.

13.2: Layout

The arenas should be a roped arena about 60m x 80m or larger if possible. Use the flattest ground available. The ring should be roped and staked with the facility to close the entrance/ exit during the round. Always ensure that each arena is free of man-hole covers, drains, stand pipes etc.; they may not be visible so walk the whole area carefully.

The course will consist of eight to twelve obstacles (preferably coloured, to BS/SJAI standard or above), one of which should be a double and there should be no water jump. Fences should be made to look as solid as possible and should have good ground lines; flimsy-looking fences should be avoided. Fences should not be less than 3.05m wide and may be painted in any colour. They should be numbered with numbers on the right of the fence. The first fence should be an inviting one and preferably jumped towards the collecting ring. Judge and course builders are reminded that it is not necessary for fences to be set at maximum height or spread.

Distance in doubles should be those for horses as described in the BS Rulebook. Safety cups, to FEI standard, must be used on the back and centre of spread fences.

The starting line must be between 6m and 25m from the first fence. The finish line must be between 15m and 20m from the last fence, the start and finish lines must be defined by red and white flags or start and finish markers.

The length of the course should be measured and the Time Allowed and Time Limit calculated. A course plan indicating the course track, time allowed, time limit must be displayed in the

collecting ring at least 30 minutes before the start of the competition. An identical plan must be provided to the judge.

There must be a minimum of two practice fences in the collecting ring, one upright and one spread. The collecting ring should be roped off if necessary.

The course must be ready for inspection by competitors at a reasonable time before the start of the competition and the following the judges agreement to the course.

13.3: Equipment

The following equipment will be required for each arena:

- Judges box with chairs and table if possible
- a bell, whistle or horn (ensure that they are varied if rings are close to one another)
- electronic timing with stop watch as a back up

- clipboard and pen for the writer
- sufficient quantity of the relevant judges score sheets
- collecting ring steward with white board and pen for displaying competitor numbers
- lists of competitors and their starting times for the judge, tack steward, collecting ring steward etc.
- sufficient spare poles and wings in case of breakages.

13.4: Competitors Times

Competitor's times should be allocated as per CR Appendix 9.

13.5: Order of Starting

There should be a drawn order for all Qualifying competitions. Ideally, the first team member in each team jumps, followed by the second in each team, then the third in each team and finally the fourth. In certain cases, with the Official Stewards consent, to ease scoring, each team members may jump one after the other. Individuals may be scheduled to jump whenever convenient.

14: HORSE TRIALS COMPETITIONS

14.1: Judges And Course Builders Dressage:

All dressage judges must be current members of the BD or DI Judges Panel.

Show Jumping:

There should be two Show Jumping judges at least one of whom must be a current member of the BS/SJAI Panel of Judges. A separate time judge could be appointed. It is highly desirable, but not essential, that the course builder is a current member of the BS/SJAI Course Builders Panel.

Cross-Country:

Fence judges must be appointed for all fences on the course, ideally two per fence, however one judge or pair may look after more than one fence providing that they are all clearly visible to them and they are in a position to maintain control. It is advisable to provide a relief judge who can circulate around the course to provide short comfort breaks.

Cross-Country course builders and designers: Ideally a course which has been designed and built by a reputable person should be used. BE publish a panel list of designers and builders.

14.2: Layout Dressage:

See 9: Dressage

Show Jumping:

See 11: Show Jumping

Cross-Country:

A cross county course is between 1600m and 2800m in length with 18 to 25 jumping efforts (for more details see HT1 rules. Care should be taken that the first three or four fences are inviting. Organisers can design their course how they wish providing that it is within the rules of the competition and should make as much use as possible of natural features.

Timber and other materials for fences must be strong and resilient. Brush fences that can be knocked over should not be used. Fences which a pony/horse is expected to jump through must never have a solid rail behind them, unless there is a clearly defined substantial rail at the same height or higher on the take-off side. The width of an island fence and/or open water i.e. the distance between red and white flags should not be less than 4.5m unless it is specifically designed to be a narrow obstacle asking an accuracy question. Ditches must have sound edges and the jump must be as long as possible to avoid poaching. Where artificial ditches are dug, the take-off edge must be reinforced with timber such as sleepers, otherwise the edge may break down. Riveting or reinforcement on the landing side should be kept below ground level.

It is essential for time keeping purposes that the start and finish of the cross-country are adjacent to one another. The Start and Finish must be marked with flags and boards marked "Start" and "Finish".

Compulsory turning flags must be used only if absolutely necessary and must be of the appropriate colour. Yellow or orange direction flags can be used to help riders follow the course.

Fence numbers should be bold and either placed in the ground in close proximity to the fence or attached to a flagpole.

At least one inviting, solid fence, flagged with red and white flags, should be provided near the start as a practice fence.

The length of the course should be measured and the Optimum Time and Time Allowed calculated. A copy of the course plan to be followed and its length, Optimum Time, Time Allowed, numbering of fences, alternative fences, compulsory turning points etc. should be displayed in a prominent place, ideally in Secretary's and in the Collecting Ring.

The Organiser must arrange for the Official Steward to undertake the course inspections. Ideally the Official Steward should first see the course several weeks before the event so that there is time for changes to be made if necessary. The course should be fully numbered, flagged etc. before the Official Steward's final inspection prior to it being open to competitors.

14.3: Cross-Country Fence Design and Safety

Refer to BE cross country guidelines booklet

14.3.1 Basic Principles

Whenever the Official Steward or competition Organiser is inspecting a course for suitability for a competition the following basic principles should always be borne in mind;

- never try to trick the horse or rider
- there is no need to be an innovator, tried and tested design concepts are invariably the best options
- only use cross-country fences which you believe to be suitable for the level of competition
- follow the BRC Rules and Guidelines for Stewards and Organisers
- if you have any doubt about a fence do not use it
- the good horse, well ridden, should make the course look easy
- always consider what will happen with a bad rider

- what is the object of the course as a whole; Is it an educational step for horse and rider; Is it to test the best and will the worst get round safely; Is it difficult or easy enough to have the correct influence on the competition and result.

14.3.2: General Guidance

The most important single factor enabling a pony/horse to judge a fence correctly is a really solid and impressive top line to the fence – which is why the increase in the size of timber now normally used has been beneficial. The next most important factor is a good ground line, or the avoidance of a false ground line i.e. material that is further away from the line directly below the top of the fence causing the horse or pony to misjudge the point of take-off and potentially hitting the top of the fence.

At all levels of event, fences with a spread, whether solid or open, are easier for ponies or horses to judge if the top is not completely horizontal i.e. if they are an ascending spread. The precise location and dimensions of a fence will determine whether it is necessary to make it ascending. It is believed that ponies and horses aim at or focus on the top line of a fence. If for any reason they cannot see the back rail of the fence clearly, they may not realise that they have to jump it and may bank it.

Timber and other materials for fences must be strong and resilient. Brush fences that can be knocked over should not be used. Fences which a pony/horse is expected to jump through must never have a solid rail behind them, unless there is a clearly defined substantial rail at the same height or higher on the take-off side. The width of an island fence and/or open water i.e. the distance between red and white flags should not be less than 4.5m unless it is specifically designed to be a narrow obstacle asking an accuracy question.

Ditches must have sound edges and the jump must be as long as possible to avoid poaching. Where artificial ditches are dug, the take-off edge must be reinforced with timber such as sleepers, otherwise the edge may break down. Riveting or reinforcement on the landing side should be kept below ground level.

14.3.3: Securing Of Portable Cross-Country Fences and Fitting of Pins and Reverse Pins

Please see BE related documents.

14.4: Equipment Dressage:

See 9: Dressage

Show Jumping: See 11: Show Jumping Cross-Country:

The following equipment will be required for the starter and timekeepers

- timing clock. Time clocks and watches are available from the BRC Area Rep
- whistle
- radio
- clip board and pen
- running order
- time cards and back up timing sheets.

The following equipment will be required for each fence judge:

- sufficient quantity of fence judge pads
- radio

- stop watch
- whistle
- radio (may be restricted to certain fence judges)
- clip board and pen
- copy of leaflet “Notes for fence judges”.

Ideally every fence judge should be in radio communication with cross-country control. A red flag only is required for stopping a horse on course. If there is no radio a full set of emergency flags (Red, Blue, White and Orange) will be required.

The following equipment will be needed for cross country-control:

- commentary unit sited to provide maximum visibility of the whole course
- plot board with details of cross-country course, fence numbers and names and course length
- commentary slip for each competitor
- radio communication with fence judges, emergency services, organisers and steward
- PA system and commentator
- synchronised timing clock or stop watch
- copy of communications plan.

The following equipment will be required for the chief cross-country steward:

- radio
- lists of competitors and their starting times
- copy of the course plan to be followed and its length, optimum time, time limit, numbering of fences, alternative fences, compulsory turning points etc.
- copy of communications plan.

The following equipment will be required for the collecting ring steward:

- radio
- lists of competitors and their starting times
- copy of the course plan to be followed and its length, optimum time, time limit, numbering of fences, alternative fences, compulsory turning points etc.

The following equipment will be required for the fence repair team:

- radio
- lists of competitors and their starting times
- copy of the course plan to be followed and its length, optimum time, time limit, numbering of fences, alternative fences, compulsory turning points etc.
- spare poles, a supply of fence-building materials and equipment etc.

14.5: Competitors Times Dressage:

See 9: Dressage

Show Jumping:

See 11: Show Jumping

Cross-country:

Competitor's times should be allocated at two minute intervals, competitors will take approximately five minutes to complete, and thus, three riders may be on the course at the same time. It is strongly recommended that the starting interval is no less than two minutes.

14.6: Order of Starting Dressage:

See 9: Dressage

Show Jumping:

See 11: Show Jumping

Cross-Country:

There should be a drawn order for all Area Qualifying competitions. Ideally, the first team member in each team jumps, followed by the second in each team, then the third in each team and finally the fourth. In certain cases, with the Official Stewards consent, to ease scoring, each team members may jump one after the other. Individuals may be scheduled to jump whenever convenient.

14.7: Timetable For Horse Trials

14.7.1: Example:

Safety Briefing	0800
Dressage starts	0900
Fence Judge Briefing	0930
Show Jumping starts	1000
Cross-Country starts	1100
Prize giving	1600 (approx.)

14.7.2: Other considerations

Please don't forget to include coffee breaks for dressage judges and lunch breaks for all officials. Some judges and officials will not be able to break for lunch and should therefore be provided with a packed lunch.

Competitors must be allowed at least 30 minutes between each phase.

14.7.3: Adjustments

It is essential in horse trials, if the interest of spectators is to be maintained, that competitors in show jumping and cross-country should follow one another consecutively. The temptation to start early should be resisted and if one phase is catching up on another it is best to announce a complete break for refreshments. The Organiser and Official Steward should check at regular intervals the rate of progress and then make any necessary adjustments.

14.8: Fence Judge Briefing

It is essential that all fence judges are briefed as to their responsibilities before the start of the cross-country phase – allow 60 minutes for this briefing plus another 30 minutes for them to get into position on the course. This briefing should be undertaken by the Official Steward or the Chief Cross-Country Steward, and should include:

- how to judge a competitor
- what is considered outside assistance
- how to complete the fence judges score pad
- sheet collection arrangements
- timing procedures especially if a pony/horse has to be stopped
- how to ensure safety at each fence, use of whistle as a warning etc.
- how to use the radio
- use of flags, if each fence does not have a radio:
- Red – Medical assistance

- Blue – Veterinary assistance
- White – Fence repair assistance
- Orange – Course blocked
- emergency procedures, including use of radio.

15: FESTIVAL OF THE HORSE COMPETITIONS

For Challenge – refer to the cross country phase for Horse Trials. See 14: Horse Trials.

For Combined Training – refer to dressage and show jumping of Horse Trials. See 14: Horse Trials.

16: OBJECTIONS AND DISCIPLINARY PROCEDURES

16.1: Eligibility

Any protest that is based on the eligibility of a pony, horse or rider to compete should be made in writing to the Head of BRC within two days of the event.

16.2: Protests

Protests on the day should be handled by the Official Steward and the following procedure followed:

- Protests must be made no later than 30 minutes after the incident which gave rise to that protest, 30 minutes after the results have been published or, in the case of protests against qualification of horses, ponies or riders, 60 minutes after the start of the class.
- Protests must be lodged, in writing, by a representative of the competing Riding Club, or by an individual member in the case of Centre or Individual Membership. They must be addressed to the Competition Organiser and must be accompanied by a £20 deposit.
- Upon receipt of the protest the Official Steward must arrange for it to be investigated as soon as possible.
- The Official Steward must allow the objector to put their case verbally or in writing and to speak to any witnesses to the incident. The owner and or rider involved and any judges, officials or stewards must also be seen.
- The Official Steward may overrule the Judge and uphold the protest if it is decided that the judge's decision is contrary to the BRC Rules of the competition, except where the protest relates to what actually happened in the competition i.e. whether a fence was knocked down, whether a competitor left a dressage arena etc. In such cases the Official Steward may invite the judge to reconsider their decision in the light of the evidence presented to them, but the final decision lies with the judges alone.
- The Official Steward may overrule a fence judge if supporting information is presented.
- If the protest is supported then the £20 deposit is returned. If the protest is overruled the £20 deposit is forfeited. If the Official Steward considers the protest to be frivolous or mischievous then the £20 deposit may be forfeited.
- The Official Stewards decision must be given to all concerned, including the organiser, the show secretary, judges, objector, riders involved, witnesses etc.
- A full report of any protests received and their outcome must be reported to BRC and sent with the Results Sheets.

16.3 Conducting the Investigation

When conducting an investigation it is important to remember the following:

Keep an open mind: do not assume any guilt or innocence, collect facts not feelings or assumptions.

Establish the facts: obtain details of what happened from any riders, owners, officials, judges, stewards or spectators who saw the incident do not accept hearsay (what someone heard some else say etc.). If someone has filmed the incident this can be viewed, however it is advisable not to accept video evidence in the case of timing objections.

Make notes: when obtaining facts make notes, these may be vital at any subsequent hearing.

Check rules: check the appropriate rule in the BRC Competition Rules section and the relevant discipline rule book, if appropriate

Make the decision: having obtained the facts, read the relevant rules (including the relevant discipline rules) then makes your decision

16.4: Reporting Your Decision

The Official Stewards decision must be given to all concerned, including the organiser, the show secretary, judges, objector, riders involved, witnesses etc.

A full report of any objections received and their outcome must be reported to the BRC Office and sent with the Results Sheets.

16.5: Disgraceful Conduct

Any member of an affiliated club or any person participating in any way at an official competition who conducts themselves in a disgraceful manner which bring the name of an affiliated club or the BRC into disrepute shall be guilty of a breach of these rules.

16.6: Disciplinary Committee and Action

The Official Steward will be the Disciplinary Steward at official competitions. See G15 of the Competition Rules Section for more information.

17: SCORERS

Always ensure that you have sufficient scorers for the event and they have a quiet and private area to work in, they must be protected from competitors and the public and anyone else not directly involved in scoring.

Each scorer should have a definite responsibility. There are a number of ways in which this can happen.

All calculations and entries should be checked by another person, who should then initial each sheet, this should happen as a normal matter of course, and it is not a reflection on the ability of the scorer.

17.1: Scoreboards

The scoreboards need to be in a convenient place for scorers, competitors and spectators. It is important that the scoreboards are kept up to date during the competition and that all scores are displayed as many people like to look at results even after the prize giving. Unless the scoreboard is kept up to date objections may arise at the last moment and

can delay the prize giving whilst investigations are undertaken. It's advisable to have scoreboards protected with polythene sheets in case of bad weather.

The final results should be displayed for 30 minutes before the prize giving in order to allow for any final objections.

17.2: Prize Giving

It is suggested that you plan how and where to do the prize giving. For jumping competitions the prize giving normally takes place in the jumping arena, for dressage it needs to be a convenient but safe area. Allowance needs to be made for bad weather.

It is suggested that the awards are made in the following order:

Team Awards: 1st to 6th NB all 4 team members receive rosettes not just the three scoring members.

Individual Awards: 1st to 6th

Full details of awards and the numbers to qualify can be found in CR Appendix 10. No one should advise competitors that they have qualified for a Championship, an invitation will be sent from BRC. Incorrect information on the day leads to acute disappointment. After the prize giving no alterations may be made to the results without reference to the Official Steward.

17.3: Judging Sheets

All Dressage, Riding Test and Style Jumping judging sheets may be distributed once the final results are displayed on the scoreboard.

18: ADMINISTRATION FOR AREA QUALIFIERS

For all qualifiers the BRC Office will send an envelope to the Official Steward, via the organiser, that will include the following items:

- details of all preliminary entries, by club, received by BRC Office
- blank declaration forms
- result sheets
- return address label to BRC Office

Official Stewards should ensure that:

- All club Declaration Sheets are presented by Chefs d'Equipe BEFORE the start of the competition.
- All amendments of riders and/or horses are received BEFORE the start of the competition
- The entries on the Declaration Sheets do not exceed those on the preliminary entries listing.
- The horse/pony names on the Declaration Sheets are those on the flu vaccination certificate/passport.
- All Declaration Sheets have the BD/DI, BE/EI, BS/SJAI points/prize money recorded or nil, if appropriate.
- When clubs have entered more than one team each team has a specific name i.e. Wilmslow Blue, Wilmslow White.
- All results are entered on all the club Declaration Sheets (not just 1st to 3rd) and the Results Sheets.

- Record all Disqualifications on the Results Sheet, this includes those associated with flu vaccination irregularities.
- Ensure that any incident reports, BRC Accident Report Forms, BRC Horse Fall Forms etc. are attached to the Results Sheet.
- Ensure that details of all Official Objections (i.e. those paid for with a £20 deposit) are recorded on the Results Sheet indicating the objection details, the results of the investigation and the outcome.

Ensure that all relevant paperwork associated with an Area Qualifier Declaration Forms, Results Sheets, BRC Accident Report Forms, BRC Horse Fall Forms (cross-country only) any Incident Reports, Objections etc. are completed and forwarded to the BRC Competitions Department within three working days of the qualifier. If a qualifier is held late, with prior agreement, due to exceptional circumstances then all paperwork must be sent immediately after the qualifier.

19: CLUB SAFEGUARDING OFFICERS (CSO)

The protection of children, young people and adults at risk while participating in any sport is of the highest importance as they should be able to take part in a fun, safe environment and be protected from harm. The BEF, as the umbrella body for the Equestrian industry has implemented a generic Safeguarding and Child Protection policy. This implementation will also begin to encourage the production of good practice codes across the industry. As a member body of the BEF, it is important that the Riding Clubs movement introduces Safeguarding and Child Protection policies in order to adopt good practice. Riding Clubs are a key part of this implementation as the junior sections of clubs are the grass roots to many of the sporting disciplines, are far-reaching and structurally well organised.

19.1: The role of the CSO is:

- To ensure that their clubs centres or school within their member body is aware of British Equestrian Federation (BEF)/BHS policies, procedures and guidelines.
- Ensure clear communication at club level with regard to Safeguarding and Child Protection and Welfare.
- Ensure parents/children are aware of the policy and procedures.
- Distribute the policy.
- Receive queries offer support re any issues relating to Safeguarding and Child Protection
- Undertake training as necessary.
- Respond to any allegations or complaints made from within your club.
- Inform necessary personnel to support the process.
- Report/deal with the complaint/allegation to conclusion in line with BHS reporting procedures and in conjunction with the BHS Lead Safeguarding Officer.
- Provide and promote education and training to club support staff, members and volunteers
- Ensure that BEF/BHS for recruitment of staff and volunteers are followed and all appropriate existing staff or volunteers have up to date criminal records disclosures/ self- disclosures with guidance from your Lead Welfare Officer.
- Ensure that codes of conduct are in place for club staff, volunteers, coaches, young people and parents.
- Ensure confidentiality is maintained and information is only shared on a 'need to know' basis.

19.2: Safeguarding

British Riding Clubs is a Member Body of the British Equestrian Foundation (BEF), and adheres to the policy of the BEF on safeguarding, details of which can be found at www.bef.co.uk/safeguarding

British Riding Clubs reserve the right to restrict or prohibit attendance at any of its events to anyone who British Riding Clubs considers to be an unsuitable person. For our policy on unsuitable persons please see our website <http://www.bhs.org.uk/our-charity/working-with-the-law/safeguarding-children>.

BRC EVENT RULES & REGULATIONS APPENDICES

ER APPENDIX 1: Example Template for Horse Trials Time Table

The Official Steward for this show is (name)

- 0730 Secretary's Office opens
- | | |
|------------------------------|---------|
| Competition Numbers | (name) |
| General Enquires | (name) |
| Flu Vaccination Certificates | (name) |
| Officials | (name) |
| Chief Scorer | (name) |
| Scorers | (names) |
| Press Enquires/Trade Stands | (name) |

All vaccination certificates will be checked prior to competing, any incorrect will be asked to leave. Any queries refer to the vet (name)

- 0830 All Officials to report to Secretaries and then to go to briefings as follows: Trail Riders and Scorers to report to Chief Scorer (name) in scorer's tent

Air Cadets to report to Show Jumping Steward (name) in Show Jumping arena
Ambulance and Doctor to report to Chief Cross-Country Steward (name) at Control
Dressage Stewards to report to Chief Dressage Steward (name) in dressage arenas
Horse Ambulance to report to Chief Cross-Country Steward (name) at Control
Fence Repair Team to report to Chief Cross-Country Steward (name) at Control

- 0845 Fence Judges to report to Secretary's and go to the catering area for coffee and refreshments for a briefing at 0900

- 0900 Dressage Phase start
- | | | | | |
|------------------------|---------|---------|---------|---------|
| Chief Dressage Steward | (name) | | | |

ER APPENDIX 2: SCORING MATERIALS AND ROSETTES

Supplied by BRC for Qualifiers

Qualifier Audit Form – to be filled out at first instance by Organiser and handed to Official Steward

Results Sheets

Spare Declaration Sheets

Rosettes

All Qualifier rosettes are sent to the Area Reps unless otherwise specified

Dressage

- Relevant score sheets for tests as per CR Appendix 1

Riding Test

- Riding Test score sheet (same score sheet for all tests)

Combined Training

- Relevant score sheets for tests as per CR Appendix 1
- Master SJ score sheets
- Crib sheet (penalty conversion)

Show Jumping

- SJ Score Cards

Challenge

- Fault Pads (send to Area Rep)

- Master SJ score sheets
- Master XC score sheets
- Time Pads

Horse Trials

- Relevant score sheets for tests as per CR Appendix 1
- Master SJ score sheets
- Master XC score sheets
- Crib sheet (penalty conversion)
- Fault Pads (send to Area Rep)

Style Jumping

- Style Jumping score sheet (same sheet for both heights)

Arena Eventing

- Arena Eventing score sheet

Additional Scoring Materials are available from the BHS Bookshop

BRC Horse Trials Master Score Sheet

A3 sheet for final scores for 35 competitors, space for number, horse name, dressage penalties, show jumping penalties, cross-country time penalties, total penalties and final placing.

BRC Cross-country Master Score Sheet

A4 sheet for cross-country scores for 16 competitors, space for rider number, for fence number 1 to 31 and total penalty points.

BRC Cross-country Fault Pad

Fence pads of NCR paper with room for 175 competitors per pad.

BRC Show Jumping Score Sheet (SJ of Combined Training and Horse Trials)

NCR score sheet for show jumping phase, includes competitor number, 14 spaces for show jumping fences, total jumping faults, time taken, time penalties, total time, time faults and total faults.

BRC Time Pads/Sheets

NCR score sheets for horse trials time keeping for 16 competitors and includes space for number starting time (hrs, mins, secs), finishing time (hrs, mins, secs) time taken (hrs, mins, secs) and penalty mark.

BRC Instructions for Fence Judges

A booklet containing notes on how to judge a fence, explaining the judge's responsibilities, judging, judging adjacent and "L" fences, penalties, marking, emergency action, safety precautions, equipment, radio operating instructions, timing procedure (and stopping drill) and location.

BRC Style Jumping Score Sheet

A judge's marking sheet for individual riders including criteria on the reverse of the sheet for riders and judges' information.

Show Jumping Score Cards Teams and Individuals

Judge's scoring cards for show jumping.

Dressage and Riding Test Score Sheets

A full range of Prelim, Novice, Elementary, Medium and Riding Test individual score sheets.

Please note not all scoring equipment is kept in the BRC office so please allow for plenty of time before competition to receive delivery.

ER APPENDIX 3: EXAMPLE SERIOUS INCIDENT PROTOCOL

WHITE CITY RIDING CLUB ONE DAY EVENT GREEN ACRES FARM SATURDAY 28 MAY 2011

EVENT O.S. COORDINATES SW 497 509

OVERVIEW

The primary aim of the protocol is to establish the acceptable guidelines and procedures to be adopted by the necessary personnel, to investigate the causes of an accident to a competitor that results in:

Fatality or serious injury that could result in death.

A secondary aim is to ensure that the above protocol is conducted expeditiously and with minimal disruption to the competition.

PROCEDURE TO BE ADOPTED

Fence judge to advise Cross-Country Control (XCC). XCC will send emergency services to the fence. The Chief Medical Officer (CMO) will advise XCC (using the phrase agreed in advance) if the injury is considered life threatening or if the injuries are fatal. The following procedures will be adopted:

If the injuries are considered life threatening:

- i: XCC to put competition on hold. Fence Judge to stop the next competitor. XCC to notify Official Steward, Competition Director and BRC.
- ii: The Fence Judge and Fence Judge Coordinator (FJC) /XC Steward will assist in identifying eye witnesses, who will need to make statements.
- iii: If the condition of the horse allows, the tack will be inspected by the Official Steward, who will produce a statement with regard to its condition.
- iv: The CMO will be responsible for inspecting the riders protective clothing and retaining for further examination.
- v: The Official Steward and the Cross Country Repair Team to inspect the fence to establish whether it can be continued to be used safely.
- vi: The FJC to replace fence judges at fence in question.
- vii: Official Steward to inform XCC that the course is safe to be reopened.
- viii: Press Officer to issue holding statement.

If the injuries are fatal:

- i: XCC to put competition on hold. Fence Judge to stop the next competitor. XCC to notify Official Steward, Competition Director and BRC.
- ii: The Fence Judge and Fence Judge Coordinator (FJC)/XC Steward will assist in identifying eye witnesses, who will need to be taken to the incident room to make their statements.
- iii: If the condition of the horse allows, the tack will be inspected by the Official Steward, who will produce a statement with regard to its condition. The Official

Steward will ensure the safe keeping of the tack until it is passed to the police for further inspection. iv: The CMO will be responsible for inspecting the riders protective clothing. The CMO will ensure the safe keeping of the protective clothing until it is passed to the police for further inspection.

- v: The Official Steward and the Cross Country Repair Team to inspect the fence and arrange for photographs to be taken of it. Under FEI rules any fence that has been involved in a fatality will be removed from the event.
- vi: The fence judges to be taken to the incident room to make their statements. vii: Official Steward to inform XCC that the course is safe to be reopened.
- viii. Removal of deceased person can only be authorised by the HM Coroner, however this will not stop medical teams transferring potential deceased to ambulance for life extinct assessment under the control of the senior medical official present.

ADDITIONAL PROCEDURES TO BE ADOPTED IN THE EVENT OF A FATALITY

- i: Serious Incident Team (SIT) to convene in the incident room. This will be identified for each individual competition. The nearest landline to this room is located at (to be completed).
- ii: Key witnesses to provide written statements and remain on site to liaise with the police. Photographic and video evidence to be sought and retained.
- iii: The Police are responsible for notifying the next of kin. CMO and competition secretary will have list of Rider Contact Details.
- iv: Press Officer to prepare statements for issue to press only when next of kin have been notified. Until this time a holding statement should be issued.
- v: Contact and inform BHS Communications Department and BHS Chief Executive as soon as possible.
- vi: (to be completed for each competition) to act as hospital liaison.
- vii: Health and Safety Officer (HSO) to inform Health and Safety Executive (HSE). BHS Chief Executive to inform Estate insurance company.
- viii: Press Officer to issue statement.

The following information will need to be compiled as soon as possible:

- Full rider details
- Full horse details
- Attending doctor
- Attending vet
- Hospital name
- Time of incident
- Fence number
- Incident location map/course plan
- Accident report form
- Fence description form
- Medical Officers report form
- Riders medical card
- Witness statements
- Witness list
- Relevant fence judges score sheet (showing time of incident)
- Cross country master score sheets
- Photographic evidence
- Copy of F2508 HSE notification

EXAMPLE SERIOUS INCIDENT PROTOCOL TEAM – RESPONSIBILITIES

The Serious Incident Protocol team (SIP) will be led by Hilda Crane (Official Steward), assisted by Jean Simmons (Organiser). In the event of an incident James Sycamore (Secretary) would take over the running of the event.

The members of the SIP are:

Hilda Crane	Official Steward	Mobile Number
Jean Simmons	Organiser	Mobile Number
Catherine Tremayn	Health & Safety Officer	Mobile Number
Charles Tremayn	Cross Country Steward	Mobile Number
Chris Kirby	Veterinary Surgeon	Mobile Number
Adam Black	Doctor	Mobile Number
Russell Burns	Medical Provider	Mobile Number
George Hathaway	Family Support	Mobile Number
Rhoda O'Donovan	Hospital Liaison	Mobile Number
Stephen Lowry	Horse Ambulance	Mobile Number
David MacDonald	Fence Repair	Mobile Number

It is the wish of White City Riding Club to continue with the running of the event if possible. In the event of a fatality or possible fatality the Police must be notified. This is the responsibility of the SIP Team and should be done as soon as possible after the incident has occurred.

In the event of a rider fatality the body may be removed to Green Acres Farmhouse.

A SIP meeting room will be available in Green Acres Farmhouse. Hilda Crane has access to the key.

A seriously injured horse or horse fatality will be dealt with by the veterinary surgeon. The body would be removed to the hay barn at Green Acres Farm to await collection.

In the case of a seriously injured horse or horse fatality the paramedic or doctor will be asked to attend.

Any equine surgery cases will be handled by Kirby Veterinary Clinic, Rugeley, telephone number Horse Disposal Chris Kirby to contact Rugeley Hunt and holds the telephone number.

ER APPENDIX 4: LAYOUT OF DRESSAGE ARENAS

Dressage
Plan of 20m x 60m

Arena

(Length of diagonal is 63.24m)

ER APPENDIX 4: LAYOUT OF DRESSAGE ARENAS

Dressage
Plan of 20m x 40m

Arena

(Length of diagonal is 77.72m)

1. Arenas may be marked;
 - a. By continuous surround of white boards
 - b. By intermittent white boards placed at each corner and opposite each marker
 - c. By a white line painted on the ground, in which case white posts 3 feet high should be placed at the corners of the arena.
2. The centre line should be marked by a mown strip, with the marking indicated wither by mown lines across the centre line, or some other discreet form of marking, which should not cause a horse to shy.

Introduction

More than half a century ago, several riding clubs in the South East of England approached The British Horse Society (BHS) about the provision of an affiliation scheme - whereby Clubs are affiliated to the BHS.

These clubs wished to affiliate themselves to a main equestrian organisation in the UK, but wanted to continue to manage themselves and remain independent. The affiliation scheme was set up on this basis with the BHS and the department managing these affiliations is British Riding Clubs (BRC).

Over the years, the network of affiliated Riding Clubs has grown into a body that now has over 500 Affiliated Clubs and Riding Club Centres, with more than 34,000 members, affiliated to the BHS.

Joining British Riding Clubs

British Riding Clubs span the length and breadth of GB and Northern Ireland, from the Orkneys to the Channel Islands.

The BRC movement aims to reach all types of horse and rider from the dedicated competitor to the recreational rider. Offering a whole range of support and encouragement for riders, including national competitions, qualifications and social events.

There are many benefits to joining BRC, details can be found on the following pages.

Important Contact Information

email: brcmembership@bhs.org.uk

The 23 BRC Areas

About British Riding Clubs

Our Clubs and Centres give BRC members the chance to ride, compete and train together at national competitions, training and social events.

For administration purposes, BRC divides the country into 23 areas. Each area has an Area Representative who is elected by the members of an area (for more details see section 5 of the BRC Handbook). The role is voluntary and provides a key point of contact between HQ and the members. The Area Representative also makes sure that clubs and the area run in accordance with BRC rules and guidelines, and are key in organising the Area Qualifier events. An area Representative serves for a term of three years before the role is up for re-election.

BRC is administered by the BRC Advisory Committee, comprising of BHS/BRC Staff, six BRC Officials and representatives from the equestrian disciplines. This committee meets twice a year and discusses rule changes, updates and the progression and development of BRC.

The BHS Board of Trustees is legally responsible for BRC finances, as BRC is a department of the BHS.

BRC is also represented on the British Equestrian Federation (BEF) due to its status as being part of the BHS.

The BRC HQ staff are based in the BHS offices in Stareton, Warwickshire. There is also a large volunteer network across the UK, without whose valuable assistance, it would not be possible to run the vast number of local, area and national activities offered to BRC members.

A Quick Guide to Starting your Club

All clubs must satisfy the following basic requirements if you wish to be considered for affiliation to the BHS.

1. A Club Committee

You will need a minimum of a Chairperson, a Secretary and a Treasurer. These must be three different individuals, who are not close relatives i.e. living at the same address. Affiliated clubs are expected to have several additional committee members to help run a club effectively. The typical committee size is between 6 and 10. No committee member may be an un-discharged bankrupt.

2. A Club Constitution

All affiliated Riding Clubs will need a club constitution which sets out the objectives of your club and a set of rules for members and it must be produced before an application can be processed. A specimen constitution is available on the BRC website - www.britishridingclubs.org.uk and we recommend you use this.

3. Club Venue

You will need access to a meeting place for club members, suitable for instruction and mounted events. These do not have to be owned by club they can be hired premises and venues.

4. Minimum Membership

There must be a minimum of 12 adult members.

5. Age Eligibility

The senior section of an affiliated Riding Club should have members who are 18 or over on 1 January in the current year. A junior section can be formed for under 18's, provided it is administered by the Committee of the main club. BRC do not impose a lower age limit for junior members, although the club can set its own limit if it wishes. Any club taking junior members must have a Club Safeguarding Officer, for more information please Tel: 02476 840518.

6. Riding Clubs Based at BHS Approved Riding Centres

Please ask for information on BRC's Centre Membership Scheme, designed specifically for Riding Clubs based at BHS Approved Riding Centres. Contact BRC for further details of this scheme, Tel: 02476 840518.

The Affiliation Process - what you need to know

If your club would like to apply for affiliation, please complete the application form and return it to BRC. Your Area Representative or another BRC representative will arrange a convenient time when they can visit you and your committee to discuss your application.

This visit is for the Area Representative to ensure that your club satisfies the necessary criteria for provisional affiliation (see p200). Our aim at BRC is to welcome and encourage new clubs, big or small and this visit is as much for you to ask questions and make use of the experience and advice the Area Representative can share with you.

Any Riding Club formed after an existing club has split-up will not be automatically affiliated, a visit by the Area Representative will also be required as for a new club.

Once the Area Representative has visited your club, they will complete a report concerning provisional affiliation and return it to BRC. We will then write to you, informing you of the decision. If successful we will request payment of the £75 Registration Fee. Please note that we do not require any payment from your club until this point.

All applications for provisional affiliation are reviewed against the previous criteria. Acceptance is not guaranteed.

Upon receipt of the registration fee, your club will be entered onto the BRC database and all relevant paperwork will be distributed to the Club Secretary. We will then inform your area that the club has been provisionally affiliated and they will invite your club to their Area meetings.

Please note that BRC areas also charge an annual affiliation fee either per member or per club. Your Area Representative will advise you of the actual amount when they visit you.

	Criteria for Provisional BRC Affiliation	Criteria for Full BRC Affiliation
No. of adult members	12	12
Committee requirements	Chairperson, Treasurer, Secretary, Club Safeguarding Officer. None of whom can be undischarged bankrupts.*	Chairperson, Treasurer, Secretary, Club Safeguarding Officer. None of whom can be undischarged bankrupts.*
No. of committee meetings held	A minimum of 2 committee meetings planned	A minimum of 4 committee meetings held Minutes to be made available
Club Constitution	Yes - and available	Yes - and available
AGM Held	An AGM planned would be sufficient	AGM held and the Area Rep must have been invited to attend. Minutes to be available
Bank Account held and minimum balance	Yes - Minimum Balance of £100 Latest statements available	Yes - Minimum Balance of £250. Latest statements and audited accounts available
Club Facilities	Access to facilities for mounted events (owned or hired)	Access to facilities for mounted events (owned or hired)
Attendance at Area Liaison Meetings	Required	Club to have been represented at all Area Liaison Meetings (Optional but required for any area participation).
Planned programme of riding activities	Required	Club to have held a minimum of 3 riding activities during the first year
Payment of all BRC Fees	Compulsory, when due	Club to have paid all National & Area fees due
All Club members must declared to the BRC Office on the correct spreadsheet template	Compulsory	Compulsory - All appropriate membership fees must have been paid
A Club cannot be formed for social or insurance reasons.	<p>* If the Riding Club is based at a riding establishment, livery yard or similar equestrian establishment, the Chairperson, Treasurer or Secretary MAY be associated with the establishment as long as the establishment and the Club have separate bank accounts and clear financial records are kept for transactions relating to both entities. The Riding Club must not be a substitute for appropriate commercial insurance cover and correct authority licencing. * Chairperson, Secretary and Treasurer must be three different people and not closely related.</p>	

Important Points to Remember

When completing the application form, please note that the name of the club should be geographical, for administration purposes. It is extremely difficult for us to identify clubs if they are called Hoofprints! We understand that an established club seeking affiliation cannot easily change its name, but we would appreciate it if a geographical prefix could be added. For example 'Hoofprints' could be affiliated as 'Warwickshire Hoofprints'.

A copy of the Club's Constitution must be returned to BRC with the application form. If you would like help forming a constitution, please ask your Area Representative when they visit you and they will be happy to help.

If accepted, your club will be provisionally affiliated for the calendar year. After this time you will be contacted by your Area Representative to discuss final approval. At this stage you must be able to comply with the criteria set out in the table on previous page.

Disaffiliation

Any club wanting to disaffiliate, merge or move areas, please contact BRC for further information and support.

Please note, any club that disaffiliates and applies for reaffiliation within a two year period will be subject to the full affiliation fees. The £75 provisional affiliation is not applicable.

To see the fees explained with regards to club disaffiliation please see BRC Data Sheet DS63, which can be obtained from Head Office or downloaded from the BRC Cloud.

How Much Does Affiliation Cost?

One of the major factors in your club's decision on affiliation will, of course, be finances.

Outlined below are the four main types of fees which will be payable by the affiliating clubs and a brief explanation of what these fees cover.

1. Initial Registration Fee (first calendar year only)

During the first calendar year of affiliation your club will pay an initial Registration Fee of £75. This fee entitles your club to all the benefits of provisional affiliation. After the initial calendar year, the pricing will change to points 3 and 4.

- **Public Liability insurance, while taking part in BRC organised events and activities**
- **Access to National Competitions**
- **BRC training initiatives**
- **Support and advice for your club**
- **Full range of membership benefits**

So why not affiliate to BRC today and experience the great benefits of membership for only £75!

2. Area Liaison Affiliation Fees

BRC areas may charge an annual affiliation fee in addition, for example, 50p - £1 per member or a flat fee charge of an average of £30 per annum, so please bear this in mind when setting your club membership fees.

Please note that the initial registration and the Area Affiliation Fees are the ONLY fees payable in the first calendar year of affiliation.

Full Affiliation Fees become payable from January the following year. See points 3 and 4.

In January the following year your club will begin to pay affiliation fees on the same basis as fully affiliated clubs.

These fees are broken down into two main fee payments - **Corporate Insurance Deposit Fee** and **BRC Administration Fee** and are calculated based upon the number of members in your club during the preceeding year. Plus the **Area Liaison Affiliation Fee**.

3. Corporate Insurance Deposit*

This insurance fee covers the Club Committee, Officials, Volunteers, and Club Members for Public Liability. As with any form of insurance the premiums are subject to annual review.

The current fees are:

Payable by 31 January each year

80 members or less	£140
81 members or more	£160

4. BRC Administration Fee*

This fee covers the cost of running the BRC movement, including the operating costs of the BRC Office and support for many BRC activities including competitions, training and Official Stewards training, membership benefits, insurance etc.

Payable by 31 May each year

Cost per member **£12.50** (until 31 Dec 2019)

(Based on the previous year's club membership numbers as at 31 December)

Payment Example

Kenilworth Riding Club had 40 members last year. This year the club will pay a total fee of £640, payable in two installments:

31 January **£140** - Corporate Insurance Deposit Fee

1 June **£500** - BRC Administration Fee (40 x £12.50 per member)

** Fees are likely to rise on an annual basis.*

Club Safeguarding Officers and Affiliated BRC Clubs

The protection of children, young people and at risk adults while participating in any sport is of the highest importance as they should be able to take part in a fun, safe environment and be protected from harm.

The BEF, as the umbrella body for the equestrian industry has implemented a generic Safeguarding Policy.

Riding Clubs have a key role in safeguarding children as the junior sections of clubs are the grassroots to many of the sporting disciplines, they are far-reaching and structurally well organised.

A template policy for Riding Clubs is available on the BHS website, along with important child protection downloads.

www.bhs.org.uk/our-charity/working-with-the-law/safeguarding-children

All Affiliated Riding Clubs must adhere to the BEF Safeguarding Policy (Children and Young People) and BEF Safeguarding Policy (Adults at Risk).

What does this mean for my Riding Club?

Riding Clubs will need to read, understand and implement the policy. They will also need to recruit a Club Safeguarding Officer.

Club Safeguarding Officers will need to:

- Complete the BEF Safeguarding and Protecting Children workshop or Sports Coach UK workshop
- Have a clear role description (available from BHS Lead Officer)
- Complete a Criminal Record Check (highly recommended)
- Produce a welfare plan for events.

For more information or advice please see the BHS website or contact the BHS Lead Safeguarding Officer on: cpleadofficer@bhs.org.uk -

the ultimate protection and prevention

ultimate protection...

- ♥ The Hit-air vest is neat and lightweight for comfortable, flexible protection every time you ride
- ♥ The vest provides enhanced protection to the neck, spine, lower back and chest on inflation
- ♥ Award winning shock absorbing technology, available in fluorescent yellow and black

ultimate prevention...

- ♥ The British Horse Society recommend wearing hi-viz and reflective material on both horse and rider

"Having seen your jacket at work it is something that I feel will be beneficial to many riders whether they compete or not."

Sheila Hardy, Senior Safety Officer (BHS)
